# Minnesota Nutrition Conference

University of Minnesota Livestock Research Updates, and  
Pre-Conference Symposium "Improving Utilization of Feed"

## *Proceedings*

September 18-19, 2012  
Owatonna, Minnesota

# 73<sup>rd</sup> Minnesota Nutrition Conference

---

The Minnesota Nutrition Conference and the Equine Program are forums for livestock nutritionists and feed industry professionals to further their knowledge of beef, dairy, poultry, swine, and equine nutrition. Internationally renowned researchers bring the latest concepts in livestock nutrition to the upper Midwest. This annual event is presented by the Department of Animal Science, University of Minnesota, and University of Minnesota Extension.
