

GOOD PROSPECTS FOR TRACK TEAM

Coach Temple Says Men are Doing Good Work. Tryout Will Occur Soon

Minnesota's prospects for a track team are decidedly encouraging, especially when one considers the disadvantages which they have labored under.

So said Coach Temple yesterday afternoon to a representative of the Daily. "We are going to have a good team. The men are working hard, laboring under most adverse circumstances. There are at present twenty-five regular candidates and many more will get out when the track is in condition. Our team is not going to win the Conference meet, or come anywhere near it, but we certainly have a good chance of winning out in our dual meets."

The first dual meet will be held on Northrop Field, May 14th, with Iowa. On the 21st of May the team will meet Nebraska at Lincoln.

When interviewed as to the training table question, Mr. Temple said: "I understand, although it has not been definitely settled, that we are to have no training table. This is going to make a great difference, because we are going to compete with teams who have training tables, and condition will tell."

Some of the promising candidates for places on the team are as follows: For the sprints, Hunter and Griggs; hurdles, Hasbrook and Ostvig; quarter-mile, Crossette, Christy and Haroldson; distances, Murphy, Bedford, Colburn, Williams and Greaves; jumps, Hasbrook and Twidt; pole-vault, Pierce and Jensen, and weights, Mattson, Lafans, Burdick and Pattee.

Nothing definite can be said until a try-out is held and some test will probably occur in the near future. Coach Temple is particularly pleased over the showing made in the weights.

It is probable that Henry O'Brien, of football fame, and a member of the track team two years ago, will be out in a few days. O'Brien is a fast sprinter, hurdler, quarter-miler and broad jumper, and his presence will materially add to the team.

DRAMATIC CLUB ELECT.

George Walker is Chosen President Over Stuart Thompson.

The annual meeting of the Dramatic Club for the election of officers was held yesterday noon.

The candidates for presidency were Stuart Thompson and George Walker. On the first ballot Mr. Walker was elected president by a majority of one.

The other officers elected by acclamation were: vice-president, Florence Brazle; secretary, Hazel Brown; treasurer, Paul Spooner; business manager, Bradley Gibson.

The office of assistant business manager will not be filled until next year.

MILITARY MEN HAVE DEFICIT.

The finances of the Military Hop balanced on the wrong side of the ledger. The expenses were \$25 more than the income.

The non-commissioned officers have been asked to dig up.

LAWS THREATEN TO GO TO MICHIGAN U.

Do Not Like Rules Regarding Absences Promulgated By Faculty

According to the present outlook, there will be an exodus of middle laws from the University. About thirty of the law students seem to have decided to go to the University of Michigan, if conditions in the department do not improve.

The trouble seems to arise over the fact that when, for good reason, a student is absent from lectures for a short time, he is compelled to extend his work a year longer in order to make up the time he has lost.

Some of the students have been compelled to stay away from lectures. On returning they made up the work they had lost, and thought that this would entitle them to credit in the work.

The faculty, however, say that the students must return another year and take the work over. As a result, the laws think they are being mistreated and say they will go elsewhere.

ST. PAUL AGAIN TAKEN INTO CAMP

Varsity Defeats the Central High School of that City by a Score of 17 to 3

Minnesota won the fourth of her series of practice games in a rather listlessly played match yesterday afternoon on Northrop Field.

The opposing team was the one from St. Paul Central and they again proved easy for the Varsity. But for one inning Brown held the boys without allowing a hit, but in the fourth he was down and was touched up for a singles and a double, scoring the high school three runs. Brigham, who succeeded Brown, was hit safely but once.

The final score was seventeen to three and Minnesota owes her scores to a merciless bombardment of Rexford's twists.

Batteries: Minnesota, Brown, Brigham and Leach. St. Paul, Rexford and Nelson.

GIRLS TO PLAY AT NEBRASKA TONIGHT

Basket Ball Team to Meet Cornhusker Maidens at Lincoln

Captain Cox's Army left for Lincoln last night over the Minneapolis and St. Paul railroad. The party consisted of chaperons Miss Butner and Mrs. Van Bergen; Coach Deering and the following players: Capt. Cox, Misses Van Bergen, Dunn, Schuyler, Bearnese, and Johnson.

The girls consider Nebraska by far the best team they have met this year, and besides, they expect to be considerably handicapped by the floor rules of the home team, so that if Minnesota wins, it will only be by the hardest kind of work.

The floor rule which is expected to cause so much trouble to our players, is necessary, owing to the fact that the Nebraska Armory has no gallery, and the spectators have to sit along, and close up to, the side-lines. This special rule says, "that if the ball passes from the field of play, it shall belong to the opponent of the person who touched it last, regardless of who made the throw which caused it to cross the boundary line."

Nebraska also wished to have the "girls rules" apply to guarding a person attempting to pass the ball, but such a change would have been too radical a one for the Gopher team to make so late in the year. Consequently the same rules will be used as were played by in the game at Minneapolis, with the exception of the floor rule referred to.

The lady official, who caused such a sensation here at Minneapolis, will not officiate in tonight's game. A masculine official will take her place.

The Cornhusker girls liked Coach Deering's rulings so well when here, that they have asked him to again act as referee.

SENIOR INFORMAL TONIGHT

All Classes Invited to Attend Final Function of Graduates.

The Seniors will entertain at the Armory tonight, in the shape of an informal.

They have given a series of delightful dances this year and not only the '04's, but all the other classes as well are sorry that this is the last on their program.

A number of faculty will also attend.

A novel addition to the party will be an introduction committee. The St. Anthony Orchestra will furnish the music.

U. L. A. NOTICE.

The U. L. A. will hold its last open meeting of the year Saturday evening at 8:00 o'clock in Prof. McClumpha's room. This last meeting promises to be one of the most interesting of the year. The speaker will be Dr. Samuel G. Smith, of St. Paul, and his subject is "Was Christ a Socialist?"

This is the last time this year that Dr. Smith will address a University audience, and everyone should hear him if possible.

FRESHMAN LIDS DID NOT APPEAR

Sophomores Telephoned to Manufacturers that the Caps Were Not Wanted

While the dove of peace has seemingly been hovering over the Freshmen and Sophomores, stealthy strategists of both classes have been doing some quiet, but strenuous work on the side.

The Freshmen Engineers did not appear in public yesterday as they had planned. Arrangements had been made to have their caps delivered at Room 32, Main building, during chapel time. There the class was to assemble and then en masse make its first appearance in public beneath the official head-gear.

Misleading rumors were started to throw the Sophomores off their guard. The Freshmen assembled at the appointed time for their hats.

The hats did not come.

Upon investigation it was discovered that certain wily Sophomores had got wind of the scheme and had promptly telephoned the clothing house, which was furnishing the hats, and countermanded the order.

Hence no hats.

It is claimed by the Freshmen that their debut is only temporarily postponed.

Some brilliant coup is expected in the near future.

ACTOR WILL MAKE PLEA FOR SHYLOCK

Women's League Secures James Young to Speak in Chapel Tuesday

Mr. James Young, a prominent actor and starring this year with Viola Allen in Twelfth Night, will be in chapel next Tuesday afternoon at four o'clock.

He appears here under the auspices of the Womans' League and will lecture upon "A Defense of Shylock," with reference to the play, The Merchant of Venice.

Mr. Young is one of the faculty of the New York School of Expression, as well as a member of the Association of New York Teachers of Oratory and the National Association of Elocutionists. During the present season he has appeared before nearly two-hundred colleges and societies in this lecture, besides having given six lectures in Washington, eight in Philadelphia and six in New Orleans.

Everyone is loud in their praises of him and no student can afford to miss the opportunity of hearing him.

He is an actor in every sense of the word. If he were without ability to lecture it would be an education for any one to hear his talk on Shylock. But he is more than an educator. He has delineated and analyzed the character for his lecture in a marvelous way and he presents his material in a most attractive manner.

MORE ROASTS FOR THE "U."

The following appeared in the last issue of the Anoka Union, of which G. S. Pease is editor.

"Everytime I read about the fighting scraps occurring between the classes at the state university, my dander gets up, and I ask why are these students allowed to pound each other, and no arrests follow? Are they any better than others? They are breakers of the peace and as such should feel the force of the law just as much as any people who indulge in fighting. I'm thoroughly disgusted at the way many of the students conduct themselves, and there is no sense in allowing such outbreaks at this institution of learning. If the faculty can not prevent these disgraceful proceedings, then the city authorities should step in and put a stop to them. They are a disgrace, and everybody knows it."

And this from the intellectual center of Minnesota.

Ralph Wheelock has mentioned* the '05 Gophcr. The Junior annual needs little further advertising (?).

Well, anyway, the city papers and state press furnish the Daily with copy.

FINE NEW FIELD.

The University of California will soon have one of the finest, if not the finest athletic field in the entire country. This great field will surpass Harvard's recently finished stadium in several ways. California's grounds will ultimately be covered with turf, as the plan is to remove the surface earth, level the rocks in the sub-soil and replace the earth above in such a manner as to have gently-sloping, almost ideal banks for seating purposes. Besides this, bleachers built to accommodate twenty thousand people. The football and baseball field will be separate and a half-mile track will be laid around both.

JUNIOR GIRLS PATRIOTIC.

Unanimous Decision to Wear Class Hats.

The Junior girls held a small but enthusiastic meeting at the second hour yesterday and unanimously decided to get class hats at once.

The girls decided upon a novel departure in class head-gear and it may be that the men of the class will order the same make. Sample hats will be on exhibition at the class meeting the fourth hour Saturday.

An order list, circulated among the girls, found ready signers. Girls wishing hats may apply to boxes 844, 1781, 1794, and gives sizes.

SOCIAL INNOVATION.

All preparations have been completed and everything is in readiness for the first annual Pan-Hellenic Promenade which takes place tonight in Bartlett Gymnasium. Heretofore each fraternity has given its own individual dance, but tonight, for the first time in the history of the University, all the fraternities unite in giving one great dance in place of the separate smaller Dally Maroon.

INTER-FRATERNITY GAMES.

Two games of the inter-fraternity schedule were played Wednesday. The Sigma Chis defeated the Delta Kappa Epsilon team by a score of 9 to 5, and the Alpha Deltis won from the Delta Taus with a score of 18 to 0.

The game Tuesday between Beta Theta Phi and Psi Upsilon was forfeited by the latter, as several of their men could not play that day.

FREAK ROBIN AT LELAND STANFORD.

A freak of nature in the shape of an albino robin has been received at Leland Stanford university. The robin is almost perfectly white, although its breast is a brownish yellow like that of all robins. All that it lacks to make it a perfect albino is pink eyes.

(Continued from page 1).

Mr. Young, in his stage career, has been associated with Sir Henry Irving, Mrs. Fisk, Augustin Daly, Lola Allen, Elsie De Wolf and Charles Frohman, and is recognized by all to be an actor of high class ability.

The Womans' League, in order to further increase their funds for the Womans' Building, are bringing him here during his three days stay in the city next week and every one who attends will not only be hearing an excellent lecture by a prominent lecturer and actor, but will also be helping to increase their fund for the Womans' Building. The admission has been placed at the nominal sum of fifteen cents to make it possible for everyone attend.

THE ENGINEERS YEAR BOOK.

The Engineers are anxiously looking forward to May 15th, at which time the 1904 Year Book is scheduled to appear. This general interest is accounted for by the facts, that this Year Book is published by the Engineers, and that the subjects to be discussed in this year's publication are of such great moment in modern engineering.

SEMINAR CHANGES.

Seminar Work to be Combined With Present Two Hour Subjects.

The students may be interested in learning that much of the work in various departments heretofore offered in seminars, will, under the new six-day system, be lengthened to full three-hour courses. In the English department, Mrs. Potter will offer a one-hour seminar in Epics, as this year. But a new two-hour course in Poetics will be introduced, thus forming a three-hour course for such students as wish to take both courses.

GYM CLASS NOTICE.

All Freshmen are requested to make their dates with Dr. Cooke for physical examination immediately.

This examination is required in order to obtain a passing mark in gymnasium work.
