VOL. II.

WEDNESDAY, JANUARY 21, 1920

No. 77

### MINNESOTA WEEK

This afternoon at 4:30 in the University Armory, President Burton will deliver the first of his three addresses on the Better Minnesota. His subject today will be "The Function of Criticism." Tomorrow morning at 11:30 there will be an all-University convocation in the Armory at which President Burton will speak on "The Function of Friendship." Friday afternoon at 4:30 his subject will be "The Function of Religion."

The purpose of the student committee in charge of the meetings this week is to crystallize student spirit and opinion, and the cooperation of all members of the University is earnestly hoped for.

### TO THE MEMBERS OF THE FACULTY:

As an official representative of the Carnegie Foundation for the Advancement of Teaching, Professor Louis C. Karpinski will visit this University on Wednesday, April 14, for the purpose of providing further information regarding the Teachers' Insurance and Annuity Association. All who are interested are asked to assemble at 4:30 p.m. on April 14, in the Chemistry Auditorium. Opportunity will also be afforded for personal conferences.

M. L. BURTON, President

### SUMMER SESSION

In accordance with the estimates filed with me, the Departments of Animal Biology, Astronomy, Geology, German, Greek, History, Latin, Mathematics, Music, Philosophy, Physical Education for Women, Political Science, Sociology, Manual Training, the College of Dentistry, and the University High School are requested to prepare and file announcements of courses and recommendations for staff with me by February 1st. The form used in announcing courses in the summer session bulletin last year will be used again this year. A letter of explanation is being sent to those departments and colleges whose names do not appear in the above list.

L. D. COFFMAN, Director

### SCIENCE, LITERATURE, AND THE ARTS STUDENTS

The authorities of the Christian Bible College have very generously shared with the University the use of their building, and this has been a very great accommodation under our crowded condition this year. In view of this, I wish urgently to request all students to respect the property of the Bible College and especially to refrain from marking upon or defacing the furniture in the class rooms. J. B. JOHNSTON, Dean

### NOTICE TO INSTRUCTORS

#### SCIENCE, LITERATURE, AND THE ARTS

Instructors are requested not to permit students in their classes for whom they have no class cards. All such students should be referred to the Registrar's office for adjustment of their registration. J. B. JOHNSTON, Dean

### COLLEGE OF SCIENCE, LITERATURE, AND THE ARTS

All students who have not yet secured the booklet of faculty regulations for 1919-20 should call for their copy at once, at the Registrar's office as they are held responsible for all regulations published therein.

Particular attention is called to the regulation that no student may drop out of a class for which he is registered without permission of the Administrative Board.

For method of removal of conditions incurred during the Fall Quarter, students are referred to Paragraph 43 of the faculty regulations. The examinations mentioned there will be given the last of the winter quarter. The definite program will be announced later.

ROYAL R. SHUMWAY,  
Chairman of the Administrative Board.

### SCHOOL OF CHEMISTRY

The Journal Club and Seminar will meet this afternoon at 4:30 in Room 225, Chemistry Building. Mr. A. W. Scott will give a biographical sketch of Emil Fischer.

### SCHOOL OF CHEMISTRY

All students who took laboratory courses in the School of Chemistry last quarter, but have discontinued for this quarter, are requested to place their desks in shape and adjust their accounts with the School.

It is imperative that this be attended to at once, otherwise an extra charge will have to be placed against them for rendering this service.

LAUDER W. JONES, Dean

### THE MEDICAL SIX O'CLOCK CLUB

will hold its first meeting at a dinner on Thursday evening, from six to eight o'clock at the Minnesota Union. President Burton will give the main address. Every medical student and faculty member is especially invited to be present, as it is an all-medical get-together. Tickets are handled by class representatives and may also be secured at Dean Lyon's office.

### DEPARTMENT OF AGRICULTURE

Accounts for the fall quarter of all student organizations on the University Farm Campus submitted for audit to the Department of Agriculture Auditing Committee should be handed at once to the Chairman of the Committee, Professor C. H. Bailey, Room 5, Chemistry Building, University Farm.

\*\*\*\*\*

Students in the College of Agriculture, Forestry, and Home Economics may obtain University directories from the campus book store at a charge of 10 cents per copy.

(OVER)

The meeting of the Faculty of the School of Agriculture has been postponed.  
R. M. WEST, Secretary

ALL STUDENTS of the University who expect to receive a degree at the close of this or the next quarter, and who intend to teach next year are to meet at 4:30 p.m., Thursday, January 22, in Room 204, Education Building.
