AUREL WARNER CHOSEN QUEEN OF MAY FETE

Selection Is Made After Close Contest; Queen Is Senior Home Economic.

PAGEANT IS COACHED BY MRS. HELEN NOBLE

All Students Are Invited to First Step Toward United "Better Minnesota."

The election of Aurel Warner, as May Queen for the big May Fete ended a close contest at the Agricultural campus. Aurel Warner is a senior in the College of Home Economics. The final plans for the celebration are now complete. The pageant which will begin at 4:00 o'clock on May 27, will be given on the Knoll at the approach to the Ag campus. The pageant is under the direction of Mrs. Helen S. Nobles. More than ninety Home Economics girls will take part in the many unusual dances.

This is the first time in years that an event of this kind has been attempted at the University of Minnesota. The Agricultural campus makes an ideal setting for a May Fete. Several hundred dollars are being spent on the fete to insure its success possible.

At 8:30 following the pageant there will be a picnic supper on the picnic grounds at the foot of Pendergast Hill. There will be "plenty" for everyone; cookies by the thousand just like mother used to make.

The Farmers' Ball at the New Gymnasium ends the big day. Shibley-Squires orchestra will furnish the music. There will be some real features during the evening. Emeritz Norman will give one of his best skits. Best of all, there will be a huge bonfire at the west of the gym. The gymnasium will be transformed into a real apple

Dr. Jenks to Head Forum

"Americanization Reconstruction" Will Be Subject Presented on May 27.

"Americanization Reconstruction" will be presented before the Open Forum on May 27th at eight o'clock in the Law Auditorium. Professor A. E. Jenks will lead. After the direct speech any member of the audience may ask the speaker a question or present argument.

The Open Forum is one big step toward getting the truth presented. This is a place where ideas may clash and where opinions are formed. Remember the date.

Who's Going To Win In Goo Fest?

(PASSED BY S. M. C. A.—P. C.)

When your hunger is at its height, after a succession of funks in the morning, whether angry or disheartened, come around to the chocolate goo feast at 12:30 and forget your troubles. Drown your depression, check your mirth with a nice standardized chocolate goo. It's all coming off at the Oak Tree Curbstone, and it's absolutely free. There is a limit to fifty, so don't delay. Come with a keen appetite, and steady nerves and remember two one dollar seats to "Well Rather" will be given to the winner of this goo fest.

SPECIAL HOUR FRIDAY.

There will be the regular program of students and dances at Social Hour Friday, in Shevlin hall, from four-thirty until six o'clock. Marion Willock is in charge and promises entertainment for all. Come and dance your troubles away.

ENGINEERS TO GIVE ELECTRICAL PARTIES

Receptions For Friends Will Be Given Friday and Saturday Evenings.

On Friday and Saturday evenings of this week, the Electrical Engineers will be hosts to their friends at a reception to be held in the Electrical Engineering building. The event is to be known as the Third Occasional Electrical Party and is the third of a series of receptions given by the electricians within the last five years.

The committee in charge promise a large number of features which will both interest and mystify the uninitiated. The laboratory will be redecorated and in it will be placed the principal exhibits. The second floor will contain those exhibits which cannot be placed in the laboratory, as well as a dance hall and a refreshment dispensary.

Don Marshall, who is in charge of general arrangements, and his committees have been hard at work for the past week in preparing for the party, and as a result the electrical building is taking on new appearance. No effort is being spared to make the party a success.

Admission will be by invitation only, and if you are wise you will cultivate the acquaintance of an "electrical."

TICKETS FOR DENT BOAT TRIP ON SALE

Tickets May Be Secured From Junior Dents—Members Limited to Two Hundred.

A great deal of interest is growing in the annual Dent Boat Trip, to be given Saturday, May 31, and after today students of any college may purchase tickets. The number of couples is limited to two hundred. Those desiring tickets had better see some member of the junior Dent class in order to make his reservation in time.

All plans have been made for the principal event of the day, the interclass relay. Various teams from the different classes have been working hard and competition is keen for the relay cup. The seniors who at present own the cup, refuse to let the other classes run relays for it, so a new cup has been purchased, and each class that wins two races will have their name engraved upon it.

M. E. Lawler is in charge of the athletic events and has made arrangements for all prizes.

Kelsey's orchestra has been obtained for the trip and numerous waltz prizes for the ladies are offered.

Members of the faculty and their wives will act as chaperons.

It is again urged that those who intend to go on the trip be at the foot of Jackson St., St. Paul at 9:30 sharp for the boat will leave at that time.

MR. GARVEY TO LECTURE.

Mr. James J. Garvey of the Western Electric Company will lecture in the Engineering Auditorium at 9:00 this morning on the Making of Telephones and Lead Covered Cables. The lecture will be illustrated by moving pictures showing factory processes.

DANCE TO HONOR SOLDIERS TO BE GIVEN TONIGHT

All University Will Attend Party at Armory to Welcome Returned Men.

PRESIDENT BURTON WILL GIVE WELCOME

Students Will Furnish Refreshments; Big Committee in Charge.

The largest social affair of the year will take place tonight at the Armory when the entire university will attend the welcome dance to returned soldiers and the R. O. T. C.

President Burton will open the evening with an address of welcome to the guests of honor. A large hospitality committee will care for introductions and the general good time of all who attend the affair. Bountiful refreshments donated by the students as a whole, fraternities, and the Faculty Women's club, will be served in a room especially set aside for the purpose. The Misses Jessalyn Salmon, Marion Wash, and Bertha McRae will be in charge there, while a committee consisting of Mabel Prothers, chairman, Major D. S. Goode, Capt. C. K. South, Lieut. A. A. Sturtevant, and Lieut. Nuopper will carry out the general arrangements. Terrence Naughton, chairman of the men's introduction committee, requests all those whose names appeared in the Daily Wednesday as members of the hospitality committee to report in the main room of the Armory at 8:00 P. M. to receive instructions regarding their duties. Those who cannot be present, notify P. O. box 3070. The list of patrons and patronesses for the occasion is as follows: Pres. M. L. Burton and Mrs. Burton, Dean and Mrs. E. E. Nicholson, Col. and Mrs. F. H. Burton, Dean and Mrs. R. W. Thatcher, Dean and Mrs. E. P. Lyon, Lieut.-Col. A. A. Law, Major and Mrs. S. Marx White, Miss Mildred Weigley, Miss Louise M. Powell, Miss Marion Vannier, Dean and Mrs. L. W. Jones, Dean G. S. Ford, Prof. Caryle Scott, Mrs. Jessie S. Ladd, Dr. and Mrs. John Sundwall, Dr. and Mrs. L. J. Cooke, and Dean Gertrude Beggs.

CHICAGO ALUMNI TO HOLD MEETING

Dr. Nathaniel Butler Will Be One of Speakers; Plans For Work to Be Discussed.

The University of Chicago Alumni at Minnesota will hold a dinner at the Minneapolis Athletic Club, Friday, May 23, at 6:00 p. m.

Numerous noted speakers have been obtained for the occasion. Dr. Nathaniel Butler, well known speaker of the University of Chicago, Dr. John Sundwall of the University of Minnesota; and Captain Donald Bridgeman, who was in the service, will speak.

The Club will discuss plans for an alumni reunion at Chicago in June, and also plans for permanent organization along new lines. Officers for the club will be elected for next year.

Mr. W. D. Reeve, president; H. I. Kenner, secretary; and H. B. Street, treasurer, are the officers for this year. All alumni at the university should feel it a duty to attend this meeting.

COMMITTEE TO MEET.

Members of hospitality committee for welcome dance tonight, please meet in main room of Armory tonight at 8:00 P. M. sharp to learn of duties at dance. If you cannot attend, notify P. O. box 3070.

TERRENCE NAUGHTON.

SOPHOMORE MEET TO BE HELD TODAY

Important Announcements to Be Made—Extract of Comedy and Few Song Hits to Be Given.

In the final all-class gathering of the sophomores of all colleges before the production of their musical comedy "Well Rather" to be given at the Metropolitan Theater, May 30 and 31, the management of the production will outline tomorrow at the Little Theater the developments of materialized plans and also will sketch a course of action for the few remaining days. In accordance with announcements made at the beginning of the seat-selling campaign now in progress for approximately two weeks, the two highest contestants will be named for the aeroplane rides which are due the winners. It is the intention of the producers to put on a skit or an extract of the show for the diversion of the convocation, also a few of the song-hits in the play are on the program. As indications now stand, at least the runners-up of the Chocolate Goo contest will be announced. Val Sherman, Wilbur and Weldon Larabee, producers of the show will make some announcements relevant to the ticket selling campaign, as also will Cecil J. McHale, president of the class.

Y. M. C. A. MEMBERS ELECTED AT SMOKER

Dr. J. S. Young of Political Science Department Opens the Discussion.

At the Senior-Junior smoker last Thursday, the following men were elected to an upper class Y. M. C. A. commission: D. R. Haupt, Burton Forester, Fred Curtis, Wm. Bennett, A. R. Peterson, Paul Hathaway, Newton Holland, Henry Norton, Niel Arntson, and Herbert Lefkowitz. This body was instructed to draw up a constitution which will define the activities of the upper classmen, and to submit the proposed plan at the next meeting of the group.

Dr. J. S. Young of the Political Science department, opened the discussion with an analysis of the relationship of nationalism to internationalism. "If I am a good community citizen, is it any reason why I should not be a good citizen of the state, and of the nation?" asked the speaker. Dr. Young asked for a broad construction of the term citizen, and of the proper relation of an American to the world as it exists today. A good discussion followed the talk.

A larger number of the faculty attended than at any other meeting, and it is hoped that an even larger attendance of both faculty and students will make the next smoker a fitting climax to the series.

HOLD FIELD DAY MAY 31.

The annual field day under the auspices of the Women's Athletic Association will be held Saturday afternoon, May 31. Everyone is urged to keep this date open, as they all are promised a good time.

CAP AND GOWN PROCESSION TO START AT 11:45

Procession Will March Down Pillsbury Avenue to the Armory.

SENIOR CLASS WILL BANQUET AT UNION

Mr. E. B. Pierce to Be Master of Ceremonies—"Prexy" to Speak.

The Cap and Gown Day program will start at 11:45 today, when the procession will march down Pillsbury avenue to the Armory, where convocation will be held.

As has been announced, the University band and the choir will lead the procession, followed by the faculty. Gilbert Harris, All-Senior president, will march at the head of the graduating class, with Katherine Hartsell, president of "Cap and Gown." Behind them will come Newton Holland, president of the academic senior class, and Edna Sontag, president of "Mortar Board," followed by the girls of "Mortar Board." The Colleges, arranged in the order of their founding, will come next, followed by the President and guests of the University.

At convocation Gilbert E. Harris, president of the All-Senior class, will present the class, and President M. L. Burton will respond. There will be singing by the University choir, and announcement will be made of honorary elections in all of the schools and colleges.

Following the convocation the Junior girls will entertain the Senior girls at a luncheon in Shevlin hall.

At six o'clock the Senior banquet will take place in the Minnesota Union, and the Seniors will attend in caps and gowns. Mr. E. B. Pierce will be master of ceremonies and President Burton will speak. The Uni-

Reveille Out Friday

Fort Snelling Publication Will Be Sold for the Benefit of the Soldiers.

The Reveille will be out tomorrow and will be sold at noon for 10 cents a copy. The magazine is published by the wounded soldiers at Fort Snelling and is sold for their benefit. Last Friday the magazine sold so readily that more have been ordered for the campus this week. Henrietta Hoffman has charge of the sales on the Agricultural campus, and Mildred Hogan, Frances Ackley, Isabel Borgeson, Katharine Frazer, Ruth McCrae, Gertrude Wilharm, and Alva Schaade on this campus.

Why Not Call A Spade A Spade?

The carrot club continues to flourish and multiply. The elite of the campus have been flocking in from the highways and byways to the cherry aggregation. The only hitch in the progression of smooth club-life has been the lack of a fitting name for the campus lights. One of the backers of carrotite-dom has kindly donated the use of his box, 2388, for apt suggestions as to an appellation suitable for the club.

THE ANNUAL EPIDEMIC.

With the advent of the warm days, final examinations, coupled with the many social engagements which begin to pile up at this time comes the tendency of the average individual to let down, to become indolent and even slothful. Classes are missed, lessons neglected and the student allows himself or herself to follow the paths of easiest resistance. The warm spring sun entices the minds and bodies of the classroom occupants from their work with a little encouragement on the latter's part.

This year one can not afford to get this malady, as the results are often disastrous according to the recuperative powers of the individual. The convalescent state of the individual suffering with the disease is almost as bad as the worst stages because a relapse is liable to occur upon the slightest provocation.

The approach of this annual epidemic is one of nature's signs that spring has reached the campus along with the robins, dandelions and other heralds of the long expected event. The disease has not been exceedingly bad this year because of the several weeks of rainy weather, but as soon as the sun begins to peep through the clouds again the germs of the dreaded all pervading malady arise to infest innocent victims.

About the only cure that ever seems to be effective is to "lay heavy" on the end of a tennis racquet, a baseball bat, or a canoe paddle with the determination that you will conquer the overwhelming, maddening desire to succumb to attacks of spring fever.—The Purdue Exponent.

Listen Sherlock! What Can It Be?

Have you noticed the preoccupied air of all the architects lately? Well, listen, and I'll let you in on it.

About this time each year the architects hold a "Grand Revue." Friday evening, May 23, has been selected as the date for the dance this year. With this in mind the "frosh" and "soph" architects "did their bit" by painting many gorgeous and snappy posters, depicting the "revue." But these posters were destined not to appear in public, and they did not. Why?

To the utter surprise of the architects the posters were censored, by the committee on campus publications, as "too wild." So this year although the artists outdid themselves, the campus will not be flooded with the usual flashy posters. But like all true artists the architects have saved their work and will display the posters at the "revue" for public inspection.

The "revue" this year will consist of the usual "big dance" in the new and splendidly decorated fourth floor "roof garden" with a special feature of a "Freshman Vodvil."

After having given much time to posters for Gopher Day and the International Revue the artists feel some-

what "put out" by not being allowed to advertise their "grand revue" on the campus. Just the same the architects are going to put the dance across, and, harken, they are going to charge "one and a quarter." Why the extra two-bits? If you are there you'll see.

"U" THEATRE TO PRESENT "THE HEART OF HUMANITY"

"The Heart of Humanity" will be presented at the University theatre on Friday and Saturday, May 23 and 24, with Dorothy Phillips in the leading role.

The Friday and Saturday matinees will start promptly at 3:30 P. M., allowing students of the university, who cannot attend the evening performances, an opportunity to see this Allen Holubar production on one of the afternoons.

This is the first time university students will have an opportunity of seeing "The Heart of Humanity" at popular prices, the evening admission fee being 25 cents and the matinee performances only 15 cents.

Dorothy Phillips, who is the star in the Holubar picture of eight reels, brings to the screen the story of woman's efforts to alleviate the wounded and orphaned and homeless during the days when France and Belgium were scarred by sword and torch and pounded by the big German guns.

STORY BY MISS CHASE PRINTED IN HARPERS

Rhetoric Instructor Writes Second Story for Magazine; Will Publish More.

"Marigolds," a story by Mary Ellen Chase of the Rhetoric department, published in the May number of Harper's magazine, is the study of a New England conscience and the portrayal of an imaginative nature which circumstances and environment had not been able to crush. A review of the story is as follows:

On a certain New England farm live Mary Ann and her husband, Nathan. Mary Ann, though quite well along in years, has never lost her enthusiasm and love of nature. Her husband, a gruff, hard-working man, can only appreciate the practical side of life. Last summer, much to Mary Ann's disgust, tomatoes were planted by the fence posts in the front yard. Her husband tells her that they must be patriotic and plant vegetables in the patch again this year. The government sends a package of mixed vegetable seeds. Mary Ann had pictured in her mind's eye a flaming bed of marigolds. The vegetable seeds, however, are planted and soon begin to sprout. Then, one night in Nathan's absence, Mary Ann uproots the vegetables and plants her marigold seeds. The exchange is not discovered until they bloom. Nathan, thinking the government had wanted flower seeds to be planted, is content. Mary Ann's strict puritan conscience tells her that she ought to be sorry for her deceit; but instead, she rejoices.

This is the second of Miss Chase's stories that have appeared in Harper's magazine, the first, "A Return to Constancy," having appeared in November. At the request of Harper's editor, Miss Chase will write other stories during the summer.

S. C. A. to Give Picnic

Michael Oman and Kathleen O'Brien Are Organizing Baseball Teams.

On next Saturday, May 24th, the Students' Catholic association will have a picnic at Como park. Students will leave from the Library building at three o'clock. Michael Oman and Kathleen O'Brien are working up baseball teams and each is sure of winning the annual game.

Others on the committee are: Maurice McKenna, John Leider, Alicia Noonan, and Josephine Fredricks. All girls who are planning on going to the picnic are urged to let Adelaide Woolsey, P. O. 652, know by Friday.

CAP AND GOWN PROCESSION WILL START AT 11:45

(Continued from page 1)

versity quartette will sing and Prof. Carlisle Scott will conduct the "community singing."

In the announcement of Cap and Gown Day, which appeared in The Bulletin, President Burton said:

"Cap and Gown Day ought to claim the interest of the entire University. It is the one day in the year when we recognize publicly the quality of the work of the students. The day symbolizes our devotion to high academic standards and our appreciation of the qualities which make real men and women. The exercises are not intended solely for seniors, but for every member of the University who is interested in the real purposes for which this institution exists."

UNIVERSITY WOMEN ATTEND CONFERENCE

Committee Are Working on Plans for Permanent Vocational Meetings.

More than 130 people attended the vocational conference given under the auspices of Miss Katherine F. Ball last Tuesday afternoon at Shevlin hall. The speakers at the afternoon conference were Dr. A. J. Todd, Dean L. F. Coffman, Professor W. F. Hotchkiss, and Miss Ball. The speakers at the dinner were Dean J. B. Johnston, Dean Gertrude H. Beggs, Dr. Mabel I. Ulrich and Winifred Bailey.

The committee in charge of the conference consisted of Ruth Field, Mary Danielson, Juanita Small, Mildred Allen, Helen Toomey, Jennie Wall, Jessie Smithers, Frances Adams, Eva Andrews, Goldie London, Helen Bayne, Amy Wessel, Erma Ward, Lillian Stenseth, Sylvia Boardman, Elsie Schurr, Marion Silvernale, Bernice Fullerton, Gladys Hawkins, Henrietta Hoffman, Helen Kuebel, and Mary Parsons.

Plans are being made to establish a permanent vocational committee to have charge of the various conferences which will be held throughout the year.

"Frosh" Engineers Win

Engineers Offer Challenge to All Engineers to Contest for Championship.

Last Tuesday afternoon the "frosh" engineers took revenge on the "frosh" academics for the erroneous statement of the baseball game of "Clean Up Day," which in reality ended in a tie; and beat the academics by a score of 12 to 6. The tie game of "Clean Up Day," 9 to 9, when reported gave the academics a victory which enraged the engineers to the point of finally "bringing home the bacon."

With a clean record, the "frosh" engineers are clamoring for more meat. They have boldly come out with the challenge to any other "frosh" teams or claiming the "frosh" intramural championship.

Will the "Dents" or "Aggies" dispute the claim? If so, the "frosh" engineer athletic representative will be glad to arrange through P. O. 2364.

Organizations who have not yet paid for their page in the 1920 Gopher, must do so this week.

The Perine Book Co.

SCIENTIFIC SHORTHAND INSTITUTE

122 South Sixth Street, Minneapolis, Minn.,

extends a most cordial invitation to all visitors and to our citizens to visit our school and witness the remarkable work we are accomplishing in Scientific Shorthand and Typewriting. Here you will find large classes of students who more fully qualify for positions within from seven to twelve weeks' time than is possible with other systems in from six to ten months' time. Scientific Shorthand is now taught exclusively in all our city high schools—displacing Gregg shorthand.

WHEN YOU WANT TO BUY SOMETHING SEE IF IT'S ADVERTISED IN THE MINNESOTA DAILY.
