UNIVERSITY OF MINNESOTA
INSTITUTE OF TECHNOLOGY
GRADUATION CEREMONY

FOR
BACCALAUREATE
DEGREE CANDIDATES

SPRING 1999

ORDER OF EVENTS

Music on the Plaza: Allard Ensembles Dixieland-Jazz Band

**Prelude Concert:
6:30 p.m.** Music by Roger Ruckert, Organist,
and Allard Ensembles Brass Choir

**Academic Procession:
7:00 p.m.** The procession includes representatives of the community, student organizations, alumni, and faculty. Contributions from all of these groups were essential to the education of the students whose accomplishments we celebrate this evening.

The procession is led by:

Professor of Mechanical Engineering, Darrell A. Frohrib, Mace Bearer

Sasha Lenzen, IT Honors Student Group, Flag Bearer

Aaron Ehle, Pi Tau Sigma, Flag Bearer

Rupal Shroff, Society of Women Engineers, Flag Bearer

The National Anthem: Led by Ricky Murphy

Opening the ceremony: H. Ted Davis, Dean

Welcome: Robert Bruininks, Executive Vice President and Provost

Awards:

George Taylor Distinguished Service Award

Larry L. Kinney, Department of Electrical and Computer Engineering
David Y.H. Pui, Department of Mechanical Engineering

George Taylor Distinguished Research Award

Christopher J. Cramer, Department of Chemistry

George Taylor/IT Alumni Society Distinguished Teaching Award

Paul J. Strykowski, Department of Mechanical Engineering

George Taylor Career Development Award

Joseph A. Konstan, Department of Computer Science and Engineering

Paul A. Cartwright/IT Alumni Society Outstanding Student Service Award

Dorothea Czernik, Bachelor of Aerospace Engineering and Mechanics

Horace T. Morse/U of M Alumni Association Award

for Contributions to Undergraduate Education

Karl A. Smith, Department of Civil Engineering

U of M Alumni Association and the University of Minnesota Award

for Contributions to Postbaccalaureate, Graduate, and Professional Education

Thomas R. Hoye, Department of Chemistry

Ephraim M. Sparrow, Department of Mechanical Engineering

IT Distinguished Professorship is conferred upon:

Gordon S. Beavers, Department of Aerospace Engineering and Mechanics

Arthur G. Erdman, Department of Mechanical Engineering

Outstanding Achievement Award

John J. Baldwin, (Chemistry PhD 1960)

Executive Vice President, Pharmacoepia Incorporated

For the graduating students:

Joseph B. Mueller

Bachelor of Aerospace Engineering and Mechanics

Commencement Address:

Colonel Robert D. Cabana, USMC

NASA Astronaut

Lyndon B. Johnson Space Center, Houston, TX

Presentation of Graduates:

Benjamin G. Sharpe, IT Director of Admissions

Bachelor of Aerospace Engineering and Mechanics
Bachelor of Science in Astrophysics
Bachelor of Biosystems and Agricultural Engineering
Bachelor of Chemical Engineering
Bachelor of Science in Chemistry
Bachelor of Civil Engineering
Bachelor of Computer Engineering
Bachelor of Computer Science
Bachelor of Electrical Engineering
Bachelor of Geological Engineering
Bachelor of Science in Geology
Bachelor of Science in Geophysics
Bachelor of Materials Science and Engineering
Bachelor of Science in Mathematics
Bachelor of Mechanical Engineering
Bachelor of Science in Physics
Bachelor of Science in Statistics

For the University:

The Honorable William E. Hogan II, Board of Regents

Closing the ceremony:

H. Ted Davis, Dean

Hail! Minnesota:

As Ricky Murphy steps to the microphone, the audience will rise and join him in singing the University's Alma Mater:

Minnesota, Hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear:
Thy sons and daughters true
Will proclaim thee near and far;
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star.

Recessional:

The Mace Bearer will lead the procession, followed by the stage participants and then the graduates. The audience is requested to remain seated until those in the academic procession have marched out.

Reception and Music on Northrop Plaza:

Allard Ensembles Dixieland-Jazz Band

Robert D. Cabana

Cabana was born January 23, 1949 in Minneapolis, Minnesota, where his parents still reside. He married the former Nancy Joan Shimer of Cortland, New York. They have three children: Jeffrey, Christopher and Sarah. He graduated from Washburn High School in Minneapolis, Minnesota in 1967. He received a bachelor of science degree in mathematics from the United States Naval Academy in 1971.

After graduation, he received a commission in the United States Marine Corps and later earned his wings as a Naval Aviator. He graduated with distinction from the U.S. Naval Test Pilot School in 1980 and has logged over 6,000 hours in 33 different aircraft during his career.

Selected by NASA in June 1985, Cabana completed initial astronaut training in July 1986, qualifying for assignment as a pilot on future Space Shuttle flight crews. His initial assignment was as the Astronaut Office Space Shuttle flight software coordinator until November 1986. At that time he was assigned as the Deputy Chief of Aircraft Operations for the Johnson Space Center where he served for 2 1/2 years. He then served as the lead astronaut in the Shuttle Avionics Integration Laboratory (SAIL) where the Orbiter's flight software is tested prior to flight.

He has served as a spacecraft communicator (CAPCOM) in Mission Control during Space Shuttle missions, has served as Chief of Astronaut Appearances, and Chief of the Astronaut Office. A veteran of four space flights, Cabana has logged over 1,010 hours in space. He served as pilot on STS-41 (October 6-10, 1990) and STS-53 (December 2-9, 1992), and was mission commander on STS-65 (July 8-23, 1994). Cabana also commanded the crew of STS-88, the first Space Shuttle mission to carry hardware to space for the assembly of the International Space Station (December 4-15, 1998).

During that mission, Unity, the US built node, was mated with Zarya, the Russian built Functional Cargo Block (FCB). Two crewmembers performed three space walks to connect umbilicals and attach tools/hardware in the assembly and outfitting of the station. Additionally, the crew performed the initial activation and first ingress of the International Space Station, preparing it for future assembly missions and full time occupation. The crew also performed IMAX Cargo Bay Camera (ICBC) operations, and deployed two satellites; Mighty Sat 1 built by the USAF Phillips Laboratory and SAC-A the first successful launch of an Argentine satellite. The mission was accomplished in 185 orbits of the Earth in 283 hours and 18 minutes.

Graduation Photographs

For your convenience, we have made arrangements with professional photographers to take a picture of each student as they cross the stage. This service will enable each student to have a photograph of their graduation. Family members and friends are encouraged to remain in their seats and enjoy the ceremony. However, photographs may be taken from the orchestra pit. **Please do not block the ramp or the aisles.** The graduates will need to proceed down the ramp and back to their seats in a timely manner. Thank you.

Degrees in the Institute of Technology are awarded with two types of honors. Degrees with distinction and high distinction are awarded automatically to students with Grade Point Averages exceeding 3.5 and 3.8, respectively. The cum laude, magna cum laude, and summa cum laude degrees are awarded upon application to students who meet certain Grade Point Average requirements and complete special work within the major. Students receiving the summa cum laude degrees have completed a senior thesis.

This is not an official University of Minnesota Graduation List

BOARD OF REGENTS

Honorable Anthony R. Baraga, Side Lake
Honorable Robert S. Bergland, Roseau
Honorable Dallas Bohnsack, New Prague
Honorable William E. Hogan II, Minnetonka
Honorable Warren C. Larson, Bagley
Honorable David R. Metzen, South St. Paul
Honorable H. Bryan Neel III, Rochester
Honorable Michael O'Keefe, Minneapolis
Honorable William R. Peterson, Egan
Honorable Jessica J. Phillips, Minneapolis
Honorable Maureen K. Reed, Stillwater
Honorable Patricia B. Spence, Rice
