Notice to Freshmen and Sophomores. If you are going to be in the College of Science, Literature, and the Arts next Fall either as a freshman or a sophomore, you must call at Room 106, Folwell Hall and make an appointment to register, if you have not already done so. The usual penalty for late registration will apply to all those who fail to make appointments on or before June 1.

W. H. Bussey,
Assistant Dean for the Junior College

Notice to Juniors—Any junior who plans to continue his work in the College of Science, Literature, and the Arts, during the year 1921-22, will be required to register from May 16 to May 28 inclusive. He should report to Room 221, Folwell Hall, secure the proper registration blanks and, in conference with his adviser, make out his registration for 1921-22. These registration blanks, properly signed by the adviser, must be returned to Room 221, Folwell Hall, not later than Tuesday, May 31.

J. M. Thomas,
Assistant Dean for the Senior College

Notice to Sophomores—Sophomores who plan to enter the Senior College of the College of Science, Literature, and the Arts in September, 1921, are required to register from May 16 to May 28, inclusive. A list of names of those who will be eligible for admission to the Senior College by the end of this quarter will be posted at the Office of the Registrar and on the bulletin boards in the Library building and in Folwell Hall. Any student whose name appears here should report to Room 221, Folwell Hall, secure the proper registration blanks and be referred to the department in which he is to do his major work. He will be assigned by the head of that department to an adviser, with whom in conference, he should plan his work for the next two years, and with whom

he should make out his registration for 1921-22. These registration blanks, properly signed by the adviser, must be returned to Room 221, Folwell Hall, not later than Tuesday, May 31.

A second list will include the names of those who have not satisfied the requirements for admission to the Senior College, but who may be provisionally registered in the Senior College. Students who wish to avail themselves of this opportunity should see me personally and receive the proper authorization.

J. M. Thomas,
Assistant Dean for the Senior College

Notice to Sociology Students—A make-up quiz for Sociology 52, Treatment of Dependents and Defectives, will be given on Friday, May 27, first hour. This make-up is for all or any part of the first half of the quarter's work.

F. J. Bruno

PREMEDICAL STUDENTS NOTICE

Regarding Quantitative Analysis: The course number for the fall quarter should be Chemistry 27. All premedical students are urged to take this course if their program will permit. If unable to take quantitative chemistry in the fall, course 28 may be elected in the winter or spring quarter. (See bulletins of Dentistry, Engineering, and School of Mines). By means of one or the other of these courses every premedical student is urged to get some training in quantitative analysis before entering Medical School.

R.O.T.C. NOTICE

The Professor of Military Science and Tactics desires to express his appreciation of the creditable manner in which the Reserve Officers' Training Corps Students performed their various military functions in the presence of the State Adjutant General.

Students are again reminded that those desiring to participate in the Memorial Day Parade will be given credit for the corresponding number of hours work in the Department of Military Science and Tactics and that for students of the Basic Course who have no hours to make up such participation will terminate their military instruction for the present college year.

Proper presentation of the University on Memorial Day is greatly to be desired; and those students who have not yet reported their intention to participate should do so before Friday in order that it may be known how many will turn out.

The participation of a very small number only will not be permitted.
