FILTRATION PLANT EXCURSION

The plant at which all the water used in the city of Minneapolis is filtered and purified is one of the important and interesting institutions of the city. It is periodically open for inspection, and a trip for Summer Session students has been arranged for Saturday afternoon. The party will leave the Library at one o'clock, going by street car to connect with the private car operated to the plant. The trip will be one of the most interesting of the summer.

NOTICE TO ENGINEERING STUDENTS

A second section of Technical Mechanics 26su. (Statics and Kinematics) has been arranged. Consult instructor for program of days and hours.

LIBRARY HOURS

During the second session of the Summer School, the University Library will be open from 7:45 a.m. to 5:30 p.m. On Saturday the library will be open from 7:45 a.m. to 12 noon. Summer Session students who wish to use books overnight or on holidays, should be careful to make suitable arrangements with the attendants in charge at the lending desk.

Most of the departmental libraries will be closed during the second session of the Summer school. Any further changes which may be necessary will be announced promptly in the **Official Daily Bulletin**.

ILLUSTRATED TRAVEL LECTURES

On Thursday afternoon will be given the first of a series of illustrated travel lectures, to continue on subsequent Thursdays for four weeks. The lecturer will be Mr. J. H. Eschman, of Minneapolis, a world traveler, and enthusiastic recorder and reporter of his experiences. The first lecture is upon "India, the Land of Mystery," and will be given at the Music Auditorium at three o'clock.

NO MIXER THIS WEEK

There will be no social gathering on Friday of this week, out of consideration for the national day of mourning proclaimed by the President of the United States. The gatherings will be held as usual on the remaining Fridays of the second term.

"DANTE, THE MAN AND THE POET"

On Monday Dr. Charles A. Dinsmore will give a lecture on Dante, at three o'clock in the Little Theater. Doctor Dinsmore is Professor of Literature at Yale University, and a recognized authority on the great Italian poet. He is the author of a life of Dante, and of several works of criticism and appreciation of Dante's works, which have a wide use in colleges. The lecture will be one of the most attractive offerings of the second term.

THE MAKING OF A NEWSPAPER

The workings of the office and printing plant of a metropolitan newspaper is a closed book to many "constant readers." Students of the Summer Session, to a limited number, may have an opportunity to observe the operations of the plant of the Minneapolis Journal on Thursday afternoon at three. Only a small group can be accommodated at a time, and those desiring to make the trip will please register at Window 10 of the Registrar's office. The party will leave the Library.

LIBRARY NOTICE

All departments of the University Library will be closed all day Friday, August 10th, in honor of the late President Harding.

Students and others wishing to use books on Friday should make arrangements at the loan desks not later than 5 p.m., Thursday, August 9th.

Frank K. Walter, Librarian

STUDENTS NOTICE

Dental Work

Appointments at the Students' Health Service for dental work to be done during the second session of Summer School should be made at once, in order that no work will be incomplete at the close of the session.

H. S. Diehl

LOCKER AND TOWEL SERVICE

Lockers for men may be secured for the second term for 25 cents. Towel service is by ticket, at a cost of approximately five cents a towel. Both of these services may be arranged with the attendant who is on duty at the Armory every afternoon from 3 to 6.

CONDITION EXAMINATIONS

Students who received a grade of E (condition) during the first term of the summer session will have an opportunity to take the condition examination at 1:30 p.m., Saturday, August 18th. Rooms in which examinations are to be held will be announced by the departments. The fee for writing a condition examination is \$1.00. Secure fee statements at the appropriate window, Registrar's Office, and pay at the Bursar's window. The Registrar's Office will mail to the departments a list of the names of students who pay condition examination fees before 5:00 p.m., Wednesday, August 15th. All students who pay these fees after that time must make their own arrangements for an examination with the department concerned, and must present a condition examination fee receipt, before they can be permitted to write the examination.

R. M. West, Registrar
