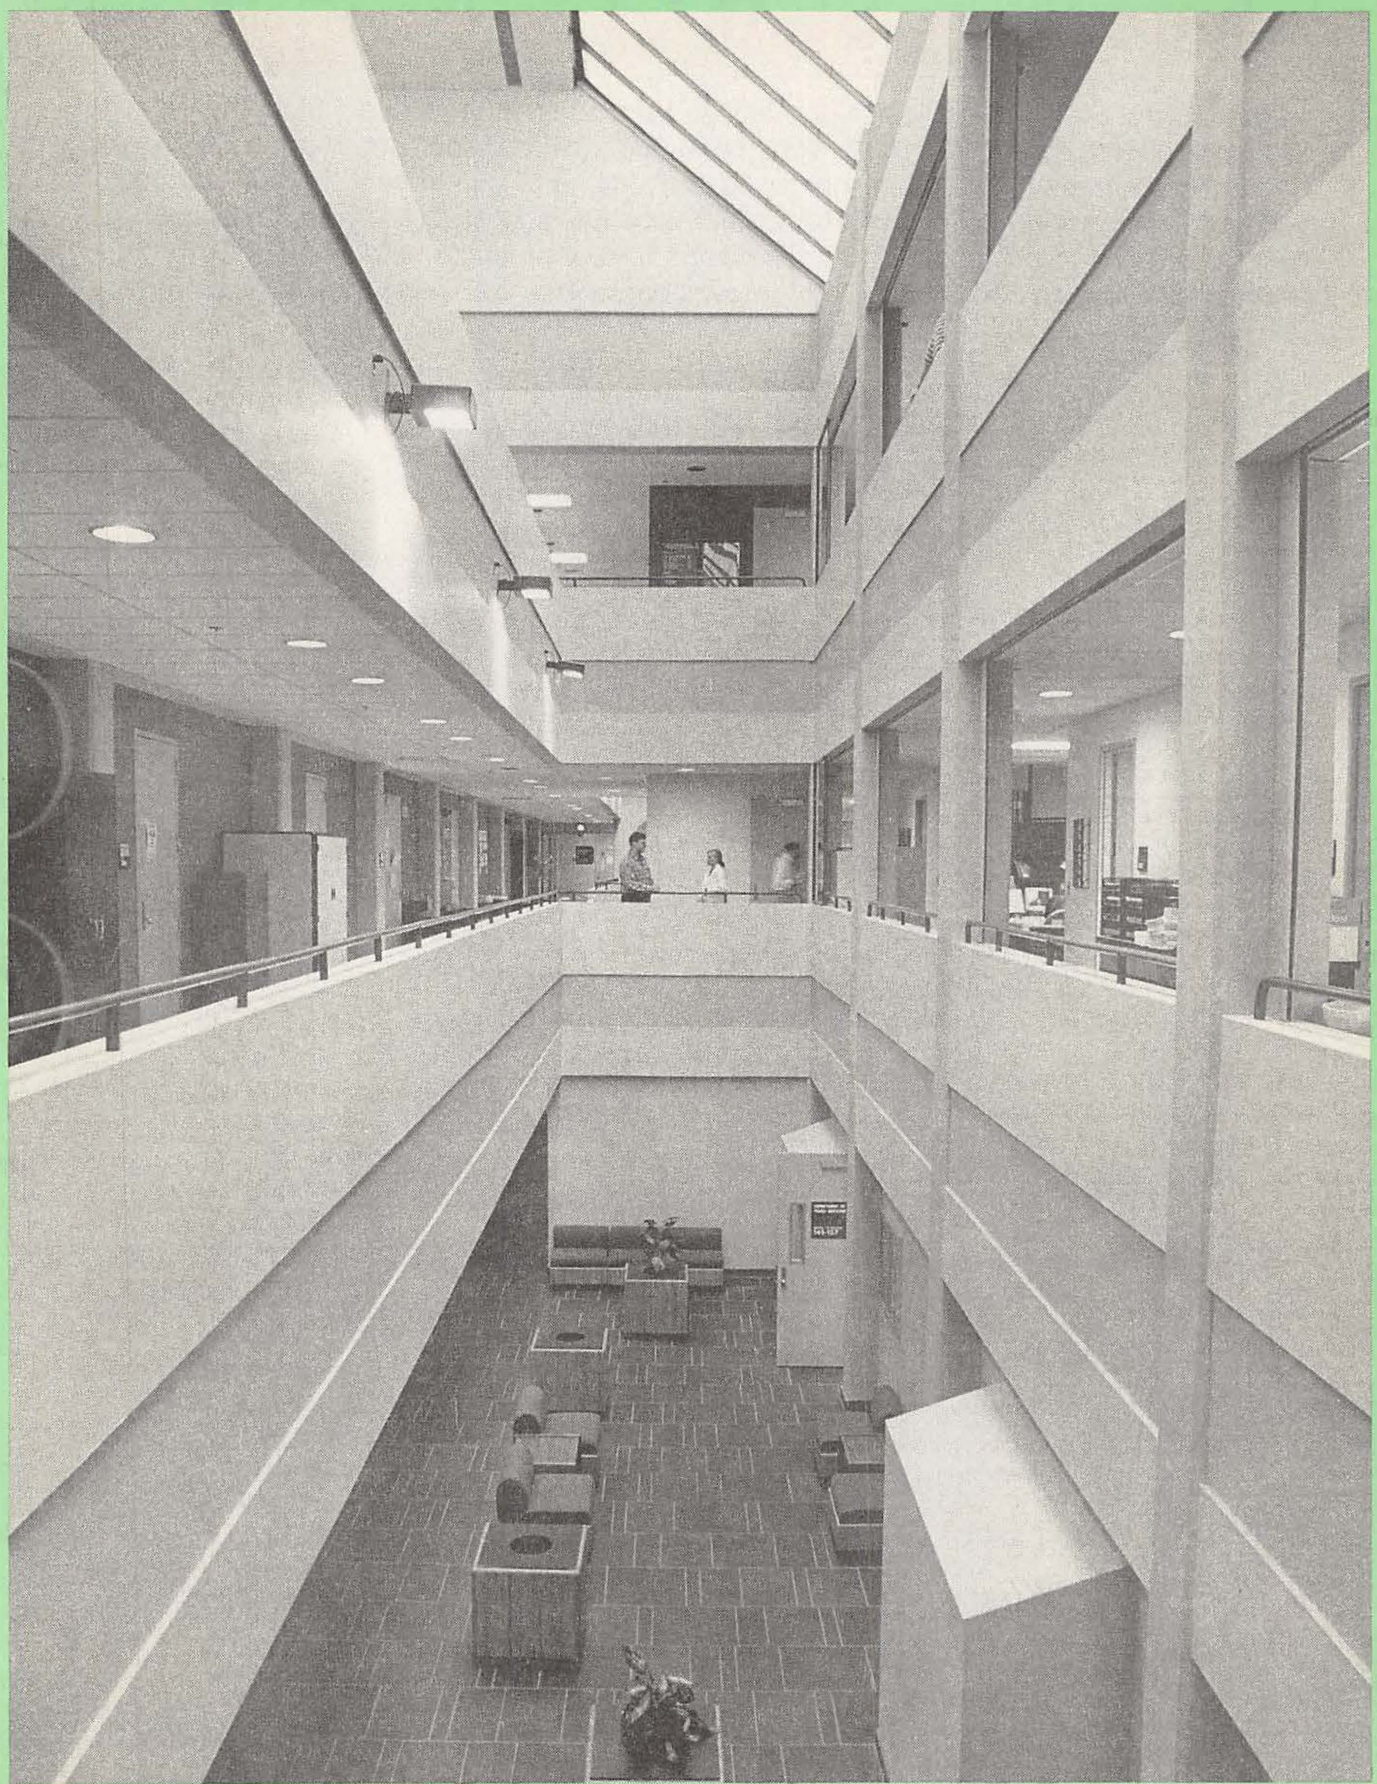
Faculty and Staff



The atrium of the School of Medicine in one of its rare quiet moments.

Faculty — Staff

The Faculty–Staff Directory includes listings for academic personnel, full and part time Civil Service Personnel. Certain omissions were made where faculty or staff requested them.

Each listing reads in this order: name, position (name of department, college, school, office, etc.), office address (office telephone), residential address, residence telephone.

All future changes in faculty and staff listings should be made by sending a Staff Demographic Form to 315 DAdB. The form will be sent to the Twin Cities campus for processing.
