FRANK H. PEAVEY PRIZES \$100

**More Prizes Offered to Debaters and Orators—
This Time for Freshmen and Sophomores**

Mr. Frank H. Peavey, president of the Monarch Elevator Company, and one of the most public spirited citizens of Minneapolis, has added another to the long list of cash prizes offered at the University, by announcing yesterday afternoon that he would give a prize of \$75 to the members of the team winning the Freshman-Sophomore debate, and another prize of \$25 to the student in the Freshman or Sophomore classes writing and delivering the best oration. Both prizes will be offered this year, but Mr. Peavey has not provided them beyond the present year, although it is hoped that the success of

this year's contests will induce the donor to make them fixtures.

For the first time prizes are thus offered to the under classmen, and they will thus be induced to begin debating and oratorical work early in their University career. The prizes really mean, therefore, more than prizes offered for work done in the Junior and Senior years.

Mr. Peavey has earned the thanks of all students and members of the faculty by his generosity, and the DAILY is sure that he will have no reason to regret his action.

THE NEW CONSTITUTION

Prof. Jones permitted a DAILY reporter to see the proof sheets of the new constitution to govern the track and field meet of the conference and non-conference colleges, yesterday. Prof. Jones is one of the members of the committee appointed at the recent meeting of the Faculty Conference to draw up such a constitution and as secretary of the conference he has had the constitution in hand.

The constitution which the committee will submit and which will without question be adopted, has embodied in it all the matters mentioned in the proceedings of the conference published yesterday. In all matters except administration it makes the Faculty Conference supreme. The meet is to be administered by a council of nine alumni, one from each conference college. The constitution as a whole is as different as can be from the constitution drawn up by the alumni committee and which was turned down at the recent conference.

Copies of the new constitution will be forwarded to other faculty representatives at once.

STILL MORE BASKET BALL

The management has under advisement a proposed basket ball game with the Northwestern University team, to be played after the Chicago tournament. Northwestern is very desirous of the game but owing to the fact that the Varsity team is to have such a hard week at Chicago it has not been decided whether it is best for the team to take on any more games.

Attention, Veterans!

The veterans of the Spanish War will meet in Chapel this afternoon at 2:30 o'clock. Business of much importance is to be transacted and all should fall in.
By order of President.

DR. TAYLOR'S TALK ON CHINA

Dr. F. Howard Taylor, who is a graduate of the College of Surgeons in London, and who has spent several years in China, spoke to the students on China yesterday after chapel. His address was made particularly interesting because his prolonged stay in that country has made him well acquainted with the peoples' customs and manners.

Dr. Taylor spoke at length of the great and disastrous movement which the Boxers were at the head of last year. As causes of this movement the speaker mentioned four which have long been troubling the Chinese. These were, (1) The Chinaman's antagonism toward the usurped authority of the other nations; (2) the opium traffic, which is an evil brought by foreign people, and is continually spreading; (3) The bitter hatred towards everything foreign, and the military expeditions to China of Russia, Germany and England; (4) The discussions and threats of the partition of China among the nations.

Missionaries are working constantly in China and since 1866 they have Christianized about 100,000 adults.

Counting the families of the converted, the Protestant Christians of China now number a quarter of a million.

LIFE AMONG THE LOWLY

Supt. C. M. Stocking of the Union Mission will give the address at the Y. M. C. A. Sunday at 3:00 o'clock p. m. Mr. Stocking's experience in working among the more unfortunate people of the city is unique, and the many men whom he has helped to better lives give him a life-story whose interest is not granted to many. Come to the Association building for an hour on Sunday afternoon and hear something of his experience. This is the second time this year that Mr. Stocking has granted us an afternoon from a very busy life, and he should be greeted by a large audience.

NATIONAL BASKET BALL

Monday evening—Winners eighth vs. winners ninth game. Tuesday afternoon—Losers eleventh vs. losers twelfth game. Tuesday evening—Winners eleventh vs. winners twelfth game.

The support of the students will go with the team and it is enthusiastically expected that the success which has been their fortune up to this point of their career will be re-enforced by new laurels.

NEBRASKA PRELIMINARY

The preliminary for the Nebraska extempore oratory contest will be held tonight at 7:30 in the Y. W. C. A. hall. The contestants have been preparing for some time upon the two general questions for the final contest, namely Tolstoi and The Future of the Philippines, the subjects agreed upon by the two Universities. Subdivisions of these questions have been made by competent judges. The executive board of the Debating and Oratorical Association will act as judges on the merits of the speeches. The contest will be a closed one. The drawing of the subdivisions of the questions will be made today at 10:30 in Prof. McVey's office, and the speakers have from that time till 7:30 to prepare and arrange their thoughts on the subdivision of the question which falls to their lot.

Four excellent stories have been handed in, three of which, together with the three sent by Nebraska University, have been submitted to the judges. The one given highest rank by the judges will be read the evening of the final contest, which will be held here March 15th.

The Woman's Building

The members of the Woman's League will be entertained Saturday afternoon, March 9th, and everyone is looking forward with pleasure to the meeting. The interest manifested by the members shows that the League has a firm foundation at present upon which great hopes for the future may be raised. With so large a body of interested young women there should be no hesitation about adopting plans for the erection of a large building to be devoted entirely to the women of the University.

Such a building should contain a fully equipped gymnasium, with bath conveniences, on the ground floor, reception rooms, parlors and club rooms. There should also be a large dining hall and kitchen. With such a home, the Woman's League would be enabled to perform its mission among the women students.

And this is not all an idle dream, for what others have accomplished can surely be done again. All that is necessary to start the movement is for the various groups at their next meeting to discuss plans for starting the fund. The Alumnae will no doubt take up the matter and give all the assistance in their power.

The Woman's League of the University of Indiana has received a donation of one thousand dollars from the Local Council of Women of the city of Bloomington, to be used in the erection of the proposed building. This was a voluntary offering. No doubt when similar organizations in Minnesota fully understand the object of the League, there will be many such offers of assistance. It is, at least worth the attempt, and those who have the interests of the League at heart should give the matter careful consideration.

A Woman's Edition

Following out the custom of the old Ariel boards, the Board of Editors of the MINNESOTA DAILY has decided to give the publication of one issue of their paper over to the young women of the University, to do with as they will. A board of editors, composed of representative girls, is now being selected, and it will be called together shortly. The names will be announced in the first issue of next term.

It is the desire of the DAILY editors that this special issue appear shortly before Easter, on or about April 2d. The present editors will desire that the young women of the University back the young women editors in their efforts, that this special issue may be the best ever issued by young women in any institution of learning in the country. The DAILY board will be pleased to assist in any way in its power, but the young women will be given free reins to do as they please within reasonable bounds, otherwise.

The woman's number of the Ariel was always most eagerly looked forward to in years past, and the DAILY board desires that, next to its annual football number, the WOMAN'S DAILY may be the best number of every volume. The DAILY desires, moreover, to interest the young women of the University in this paper, and if through this extra number that object shall be in some manner attained, the editors will be very much pleased.

NOTICE OF AMENDMENT

The DAILY Board of Directors has proposed the following amendment to the constitution of the MINNESOTA DAILY ASSOCIATION. That section 2 of Art. IV, which reads:

"Said Board of Directors shall consist of seven (7) members, three of whom shall be students in the Academic or Engineering Departments, one a student of the Law Department, one a student in the Medical Department and two shall be members of the Faculty," shall be amended so as to read: "two (2) of whom shall be students in the Academic Department, one (1) a student of the Engineering Department," in place of the words, "Three of whom shall be students in the Academic or Engineering Department."

NOTICE OF ELECTION

Notice is hereby given that the annual meeting of the Minnesota Daily Association, will be held at 11:45 a. m. on Saturday, March 16, at which time a Board of Directors will be chosen and other business transacted. Only paid up subscribers are entitled to vote. M. J. Breen, Secretary.

Members of the class of 1901 should bear in mind the meeting at the fourth hour today in Prof. McDermott's room. Dr. Burton will read the class play to the members of the class, and it will then be submitted for consideration.

Dr. Soren P. Rees, a graduate of the University, who has been practicing at Anoka, has entered into partnership with Dr. Bell, of this city.

Mr. Lawrence Horton, '97, now of Wahpeton, N. D., was married Wednesday evening to Miss Elise Etta Hankinson, at the home of the bride's brother in this city. Rev. J. S. Montgomery read the service.

Egbert N. Parmelee, '01, left for Chicago last night to attend a conference of Y. M. C. A. secretaries from the western states. He expects to see Perry O. Hanson, the newly elected general secretary at the "U" and get his acceptance of the position.

Dr. F. Howard Taylor addressed seventy-five medical students yesterday upon the need of skilled physicians in China. The lecture was highly instructive, and was fully appreciated by the students. Dr. Taylor gave some interesting incidents, illustrative of the barbaric and superstitious practices of the Chinese in the treatment of the sick. Dr. Taylor believes that there is a splendid opening in this Oriental land for physicians and surgeons.

SCHOOL OF AGRICULTURE

There will be a Vesper Service in Chapel at the Farm, Sunday afternoon, at 3:30. Prof. Koerner, the musical instructor, will have charge of the program. Besides music by the school chorus, outside talent from the twin cities has been secured to further add to the attractiveness of the occasion.

The basket ball game between the Farm School second team and the Varsity second team, announced in yesterday's DAILY as occurring last night, comes tonight instead, to be followed by a game between the Farm School first team and Minneapolis Central High team.

NEW BASEBALL RULES

The following new rules were adopted Thursday, by the National Baseball League:

Doing away with the intentional "fouling off" of pitched balls by a batsman. The first and second foul balls hit by the batsman, unless two strikes have already been called against him, shall henceforth be counted as strikes.

Defining the position of the catcher's lines, so that the catcher will have to stand within ten feet instead of ninety feet of the plate. This places the catcher "up behind the bat," throughout the game.

Penalizing one ball against the pitcher if he fails to deliver the ball to the batsman within twenty seconds after the latter has taken his position or for delivery elsewhere than to the plate.

Empowering the umpire to remove from the game, and if need be from the grounds, any player guilty of using improper language to another player, captain, manager or spectator. Written proof of the offence must be submitted to the president of the league within twenty-four hours, who may, if the proof be satisfactory, suspend the offender from play.

Forbidding batsmen henceforth from taking his base if hit by a pitched ball. The ball will count as a ball against the pitcher. Several rules conflicting with the changes named were stricken out or changed to conform to the alterations.

Anyone desiring to get a FOOT BALL DAILY can get one at Daily Manager's desk, 15c. Only a few numbers are left.

NOTES

At the First Unitarian Church, Sunday morning, Mr. Simmons will speak upon "The Lasting Meaning of Lent."

Furber and Pierce flipped a coin to determine which should go to Milwaukee for the pole vault. Furber won the toss and hence represents the Varsity in that event today.

Professional basket ball now obtains in some parts of the east, and quite large cash prizes are being hung up for contests.

The libretto of "The Barber of Seville," to be sung in grand opera tonight at the Lyceum, by Madame Sembrich and company, can be secured at the "U" Book Store.

The Athletic Association of the St. Paul Central High School will give an Athletic Ball at the Ryan hotel, Friday evening, March 29th, 1901. All those who can attend are expressly invited to do so. Please let the chairman of the ball committee, Mr. Manley, know as soon as possible if you wish to attend.

At the First Congregational Church tomorrow evening, the quartet, supported by a chorus of twenty-five voices, will render selections from the oratorio, "Eli." At 10:30 a. m., Rev. Mr. Shurtleff gives a ten-minute talk on "Little Wheels for Little Spinners"—one of a series of talks to children.

The second term is practically over and but few weeks remain to the Seniors. Those who intend to wear the regulation cap and gown and have not yet sent in their order should do so at once, in order to get any practical use of them and also to carry out the action of the class last fall. Winter is fairly over and there can be no inconvenience in wearing the gowns through the spring months. No doubt the Seniors will soon appear in larger numbers in their peculiar college dress. It has been suggested that the Seniors attend Chapel in a body on Saturday, since that is the freest day of the week to most of the class.

Notice

A meeting of the Debating and Oratorical Association will be called Monday evening, March 4, in Dr. McVey's room, at 7:30, to discuss the proposed amendment which was proposed in the DAILY February 28, and to transact such other business as may come before the meeting. DR. McVEY.
