

College of Food, Agricultural and
Natural Resource Sciences Commencement
2013

UNIVERSITY OF MINNESOTA

May 17, 2013
7:00 p.m.

Mariucci Arena Minneapolis, Minnesota

The College of Food, Agricultural and Natural Resource Sciences promotes interdisciplinary scholarship supporting food systems, agriculture, and natural resources. CFANS helps keep Minnesota competitive and connected as challenges and discoveries abound in genomics, plant and animal biology, the relationship of food to health, the inter-relatedness of ecosystems, renewable energy, the promise of biocatalysis and bioinformatics, and the economic, communication, and policy issues associated with these discoveries.

We take our role as a land-grant institution seriously. Our programs revitalize the university's core mission and support the university's goals through interdisciplinary research efforts and a systems approach to complex problems. We provide solid scientific support for policy decisions through a statewide research and outreach network.

Welcome Guests

Welcome to this celebration honoring the achievements of the College of Food, Agricultural and Natural Resource Sciences graduates. For the safety and enjoyment of everyone in attendance, please remain seated, leaving the aisles clear throughout the entire ceremony. Thank you.

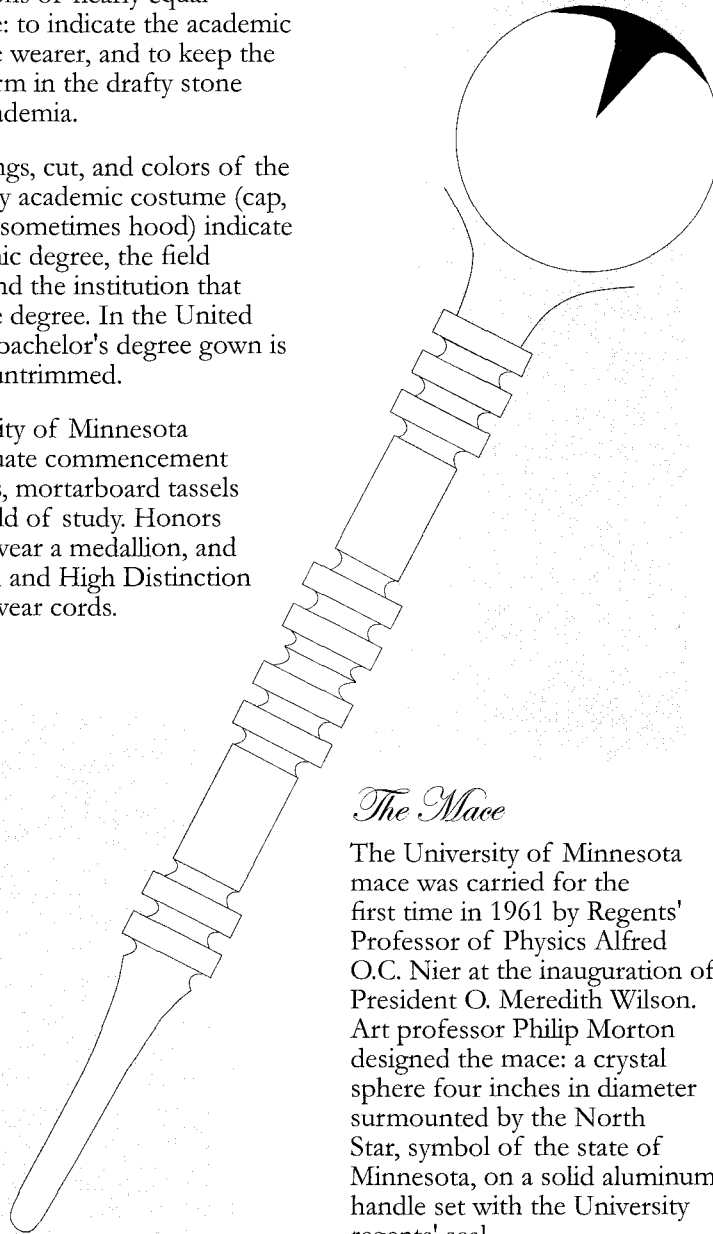

Academic Costume

Academic gowns date back to the 14th century, when they served two functions of nearly equal importance: to indicate the academic rank of the wearer, and to keep the scholar warm in the drafty stone halls of academia.

The markings, cut, and colors of the modern-day academic costume (cap, gown, and sometimes hood) indicate the academic degree, the field of study, and the institution that granted the degree. In the United States, the bachelor's degree gown is black and untrimmed.

At University of Minnesota undergraduate commencement ceremonies, mortarboard tassels indicate field of study. Honors graduates wear a medallion, and Distinction and High Distinction graduates wear cords.

The Mace

The University of Minnesota mace was carried for the first time in 1961 by Regents' Professor of Physics Alfred O.C. Nier at the inauguration of President O. Meredith Wilson. Art professor Philip Morton designed the mace: a crystal sphere four inches in diameter surmounted by the North Star, symbol of the state of Minnesota, on a solid aluminum handle set with the University regents' seal.

About the Keynote Speaker

Betty McCollum is serving her seventh term in the U.S. House of Representatives, representing Minnesota's Fourth District. In 2000, Congresswoman McCollum made history as the second Minnesota woman elected to Congress. She serves the residents of St. Paul, Ramsey county and Washington county.

Throughout her career in public service, Congresswoman McCollum has been a champion for excellence in education, environmental protection, expanded health care access, and fiscal responsibility. Keeping higher education affordable, accessible and world-class is a priority for her. A strong proponent of public education, she supports keeping our schools accountable to parents and local officials.

Currently in the 113th Congress, Congresswoman McCollum brings a Minnesota perspective to her work on the House Appropriations Committee, where she is a member of the Subcommittee on Defense, and of the Subcommittee on Interior, Environment, and Related Agencies.

Congresswoman McCollum is the Senior Democratic Whip within the Democratic Caucus. Among her many Congressional caucuses, she is Co-Chair of the International Conservation Caucus and of the Global Health Caucus, and a member of the Congressional Hunger; Dairy Farmer; Diabetes; Farmer Cooperative; Food Safety; Labor and Working Families; and Wildlife Refuge Caucuses.

Congresswoman McCollum served in the Minnesota House of Representatives from 1993 to 2000, where she was elected Assistant Leader three times by her Democratic-Farmer-Labor Party colleagues. From 1987 to 1992, she served on the North St. Paul City Council.

In addition to elected office, Congresswoman McCollum's career has included teaching high school social science, and 25 years in retail sales and management. She is a graduate of the College of St. Catherine, and the mother of two adult children. Congresswoman McCollum is a Minnesota native who has lived most of her life in St. Paul.

Ceremony Music: Adam Rossmiller, trumpet, Scott Agster, trombone, Erik Jacobson, tuba, and Reid Kennedy, drums.

Honors Designations

College of Food, Agricultural and Natural Resource Sciences degree candidates may graduate with either Latin Honors (cum, magna or summa cum laude) or with Distinction (Distinction or High Distinction), or both. These citations are provisional and do not become official until all requirements for the award are fulfilled.

Latin Honors Designations

Students graduating from the College of Food, Agricultural and Natural Resource Sciences through the University Honors Program have taken part in a rigorous course of study, research, scholarship or other creative work in the major, culminating in an Honors thesis representing independent work done under the direction of a faculty supervisor or mentor. Students graduating Cum Laude (with Honor) have a minimum cumulative GPA of 3.50 for the last 60 graded credits at UMTC. Magna Cum Laude (with great honor) awards require a minimum cumulative GPA of 3.66. Summa Cum Laude (with highest honor) awards require a minimum cumulative GPA of 3.75 in the final 60 graded credits at UMTC.

Distinction Designations

Students earn graduation “with Distinction” or “with High Distinction” based on cumulative grade point average at the University of Minnesota–Twin Cities with at least 60 graded credits completed at UMTC. Students graduating “with Distinction” must have earned a cumulative GPA of 3.75 or higher in UMTC coursework at the time of graduation. Students graduating “with High Distinction” must have earned a cumulative GPA of 3.90 or higher in UMTC coursework at the time of graduation.

Note: Great care is taken to ensure the accuracy of the information presented in this commencement program, however, there may be unintended errors or changes without notice. This is not an official University of Minnesota graduation list.

Community Engagement Scholar Designation

Students graduating with the *Community Engagement Scholar* distinction have completed at least 9 credits of service-learning course work, at least 400 hours of community service, and a series of reflective pieces. They also have completed an integrative community engagement project that results in the creation of a sustainable project for a community organization.

Faculty and Student Awards

The College of Food, Agricultural and Natural Resource Sciences relies on the contributions of its faculty and staff to enhance undergraduate education. The commitment of college faculty and staff to teaching, advising, research, and curriculum development continues to provide energy and innovation for the college.

The recipient of the CFANS *Outstanding Teaching Award for tenured faculty* is Dr. Bruce Wilson, Department of Bioproducts and Biosystems Engineering.

The recipient of the CFANS *Outstanding Teaching Award for non-tenured faculty* is Dr. Tracy Twine, Department of Soil, Water and Climate.

The recipient of the CFANS Alumni Society *Distinguished Faculty Award* is Dr. Timothy Smith, Department of Bioproducts and Biosystems Engineering.

The CFANS Student Board's *Outstanding Professors* are Dr. Neil Anderson, Department of Horticultural Science; and Dr. Christian Thill, Department of Horticultural Science.

The CFANS Student Board's *Outstanding Student Organization/Club Advisors* are Ms. Sarah Dornink, Agricultural Education Club; and Dr. Stan Hokanson, Horticulture Club.

The recipient of the *Horace T. Morse—University of Minnesota Alumni Association Award for Outstanding Contributions to Undergraduate Education* is Dr. Carrie Earthman, Department of Food Science and Nutrition.

The recipient of the *Innovation in Undergraduate Education Award* is Dr. Kevin Smith, Department of Agronomy and Plant Genetics.

The recipient of the *Dean E.M. Freeman Medal* is Chelsey Bowman, graduating senior, Department of Food Science and Nutrition.

Hail! Minnesota

Minnesota, hail to thee!
Hail to thee, our college dear!
Thy light shall ever be
A beacon bright and clear;
Thy sons and daughters true
Will proclaim thee near and far;
They will guard thy fame
And adore thy name;
Thou shalt be their Northern Star
— *Truman E. Richard*

Thank You

Special acknowledgements to student and staff volunteers, and to the staff of the CFANS Student Services Office, for their work in coordinating and hosting the CFANS commencement ceremony.
