TROJAN-LIKE WORK GIVES SOPHS 5 TO 0 VICTORY

Freshmen Press Opponents Hard in See-Saw Contest, With Ball Often Near "Soph" Goal.

Representatives of the class of '10 yesterday afternoon defeated the freshman team in a hard fought game of football on Northrop field, by the score of 5 to 0.

The two teams were evenly matched, the sophomores having a slight advantage in the first half, while in the second the ball was nearly all of the time between their five and forty-yard lines. In the first half the sophomores pushed the ball past the freshmen's five-yard line, but here the first year men held and rushed the ball straight to the other end of the field. The half ended with the ball in the possession of the sophomores on their own ten-yard line.

In the second half the ball was brought within striking distance of the freshmen's goal and Smith was pushed over for a touchdown. Bratrud failed to kick goal. From then to the close of the game the freshmen kept the ball nearly all of the time and played their opponents completely off their feet. The lineup:

Sophomores—R. E., Garberg; R. T., Merrill; R. G., Sanberg; C., Andersen; L. G., Henderson; L. T., Holden; L. E., Olson; Q., Bratrud; R. H., Smith; L. H., Tronson; F. B., Larson.

Freshmen—R. E., Gordon; R. T., Hanson; R. G., Colgrove; C., Boyd; L. G., Calahan; L. T., Heuser; L. E., McCubrey; Q., George; R. H., Wanless; L. H., King; F. B., Marriette.

DAILY STAFF COMPLETE.

All places on the Daily staff are now filled. The competition for positions was very keen and augured well for the future of college journalism. Hereafter all persons trying for the staff will not be given assignments, but placed on the waiting-list.

Girls trying for positions will give their names to Irene Marden or Nell Overpeck, and men to the managing editor or one of the associate editors.

WANTED: A GILDED FOOL

Dramatic Club in Distress Calls for a Player to Play Hero.

All progress with the casting and production of "The Gilded Fool" is blocked for want of a man to play the lead, the part of the generous, rollicking young millionaire, Chauncey Short. Several members of the Dramatic Club have tried for the place, but Dr. Burton and Mr. Holt are not satisfied that any of them can make of the part the screaming hit which it should reasonably be. An effort will be made, accordingly, to find some one outside the club who can handle the part.

Friday morning, between 10 and 12 o'clock every man in school who believes he can play the role is requested to meet Mr. Holt in Dr. Burton's room and read for the part. What is wanted is some one who can loosen up and make all kinds of fun.

The manuscript can be secured from Rae Goodenow.

SUFFRAGETTES MEET TOMORROW.

Professors W. M. West and A. E. Jenks will speak on the question of equal suffrage at the meeting to organize a woman's suffrage club to be held tomorrow at 1:15 in Dr. Burton's room, the library building.

Men students will be allowed to enter as well as girls. A formal organization will be made at that time, and an active campaign will follow in the interests of equal suffrage.

FAVOR "FIGHTING BOB"

La Follette Supporters Will Form University Club Today.

All men in the university who are interested in the candidacy of Senator Robert M. La Follette for United States president will meet in the chapel today at 5 p. m. Many men who heard the little giant of Wisconsin while at the university some time ago will be pleased to learn of such a move.

Next Monday evening at the Commercial Club in St. Paul a banquet will be given in honor of Senator La Follette, at which time Governor Cummins of Iowa will publicly announce his support for La Follette. Plates for this banquet are one dollar except to university men. The price for university men is twenty-five cents. The meeting this afternoon is to get student sentiment for the banquet Monday evening in St. Paul.

INTERCLASS DEBATE MONDAY.

Teams representing two lower classes contest for \$75 prize.

Freshman and sophomore will clash again next Monday night in forensic battle, the event being the annual Peavey prize debate between the two classes. L. F. Prigge, C. Arthur Carlson and H. B. Duff will represent the second-year class against Herman Schroeder, John Priebe and Alvin Gutterson for the freshmen.

The debate will be held in chapel, and the winning team will receive \$75. This is the first forensic contest of the year.

ELECTRICALS VS. AGGIES.

The senior electricals will play the "aggies" next Monday on the latter's ground.

The standing of the senior teams is as follows:

Teams	Played	Won	Lost
Civils	2	2	0
Electricals	2	1	1
Mechanicals	2	0	2

GEOLOGY CLUB MEETS.

The next regular meeting of the Geological Club will be held Friday, the fourth hour, in room 21, Pillsbury Hall. Dr. Sardeson will address the club on the "Cretaceous Rocks of Minnesota." All interested are invited to be present.

PRESIDENT NORTHROP CONDEMNS "AFTERMATH" ROWDYISM

Spoke to Crowded Chapel Yesterday on Disorderliness Following Chicago Game, and Asked for Its Non-repetition as a Preventive of Football Abolition.

President Cyrus Northrop made an earnest appeal to the men who filled the chapel hall yesterday against rowdyism after the football games. He said:

"I want you to help. I want you to cooperate, in maintaining the character of the university. I regret to say that there has been a good deal of censure of the proceedings after the game with Chicago.

"I am much interested in football. I have stood by football consistently, but I don't want to have football here if it is to do harm to the city, or if we are to do anything because of it, which a gentleman would never think of doing. The worst part of the matter is that the large part of the evil is done by a crowd of hoodlums and bums who realize in you in your then state of excitement a brotherhood which is unmistakable.

Shall Football Go?

"I don't want to say that we've got to give up football on this account. Where is there another university of this size where they act as we do after a game? Can't we take victory with composure and defeat with calmness?

"Don't join in any of this noisy demonstration. Use your personal influence to put this down. I appeal to you to do it. I want football, and

you want football,

"I'd like to know how you feel about this lawlessness, or whether you will join in maintaining the honor of the university. I'd like to have those who believe that I am right and who are willing to keep others from these things, besides doing so themselves, to rise. (Everyone rose.) Now, let's see what we can do next Saturday.

The Carlisle Game.

"I saw the Indians play last year, and I think we will have a hard game. Wherever the football was, there was an Indian every time. If we win, that would be glorious; if we are defeated by a smaller score than Harvard, that would be glorious. But let us act correctly whether we win or lose. I'm ready to lead you to silence and repose next Saturday night.

Subject Is Important.

"This is a matter of great importance. It gives character to the university. Ordinarily the feeling between town and gown is lovely. It is only these outbreaks that make men mad.

"Make as much noise on the field as you please. Afterwards go home.

"You can control the sentiment of the university and make it strong. Let us make a football game distinguished for the eminent good order which follows it."

MRS. SNOWDOWN COMING

Famous Englishwoman May Speak at This University.

Mrs. Snowdown, considered one of the most representative women of the modern world, will make her first visit to America in the early spring, and will probably come to this university. She will speak before the women's colleges in the east and address the Chautauqua during the summer upon "English Conditions and Customs of the Day."

An invitation will be sent to her asking her to speak here in May. Mrs. Snowdown is a personal friend of Professor Frances Potter, who speaks in most glowing terms of her.

Mrs. Snowdown is very well known in collegian and club circles of England. She is a member of the Lyceum Club of London.

CELEBRITIES AT FORUM FEED

The Forum gave the most successful banquet in the history of the society at the East Side Commercial Club Tuesday night. About thirty, including alumni and active members of the society were present. Norman Houck acted as toastmaster and many of the Forum celebrities were heard from. Letters were also read from absent members; E. A. Robinson, and R. A. Guthrie, the latter a missionary in Africa.

Among the speakers were Eberhard and Jerome, lawyers of this city; Theodore Christianson, A. O. Colburn, Z. L. Potter, Hal Deering, H. Ostand and Hodson, the Forum mascot.

University Weather Prophet Says Clear Sky for Carlisle Game.

"Nothing in the air to make any trouble Saturday afternoon, and if fair weather will help Minnesota any, the Gophers have got my money." So said Professor Hall, the university weather prophet when asked as to indications for Saturday. Fair and cold is on the schedule for Saturday.

COMMUNICATION.

A matter that has not been given due consideration it seems to me, and to many prominent students who have expressed their opinion, is the prevailing custom in the physics department of "flunking out" students at the end of six weeks of the first semester. A bona fide student enters the class, pays for his instruction in that subject the same as in any other, and the instructors are paid for teaching him, yet if he fails to get a passing mark at the end of six weeks he is forced to give up the subject and there.

The injustice of this is brought forcibly to our attention just now because of the fact that one at least, of the varsity football men has just been thus treated. Now in this case, which is only typical of scores of others,—the victim is a capable and conscientious student, but, due to the strain of a heavy course together with his strenuous football practise, he happens to be a little below grade at this time. Doubtless, if he were permitted to continue the subject, he would, from now on,—having more time to devote to it,—do good enough work to make his average for the semester above grade. Under the present conditions, however, he will have a "failure" against his name, and Minnesota will thus again be unjustly deprived of the services of a star athlete for next year.

Now all we ask is a fair chance, and if a student's average for the semester is below grade, why of course he

CLOTHES, HATS AND FURNISHINGS

The Shorter Coat

WE have a fancy that some of our esteemed contemporaries did not expect the reaction from the overgrown long coat before next season. It has been our frequent good fortune to anticipate the trend of fashion as we have done this year in the production of our new sack. There is character in this season's cut as we show it.

Four hundred and seventy-five students had deposited the military fee of \$5 with Cashier J. D. Bren by Wednesday noon. This is to insure the return of the arms which are being given out. LOYAL MINERVAS.

Minervas are planning a theater party for the opening night of Mrs. Potter's new play, "Jamieson," to be given at the Lyceum beginning November 22. The society has elected the following new members: Freda Fligelman, Rhoda Dickenson, Clara Ryan, Grace Elliot, Elsie Switzer.

"How the Indians Beat the White Man at Foot Ball."

This was the heading of an article in Sundays Tribune. Now we want to see this in next Sundays Tribune. "How Minnesota beat the redmen at football." Wouldn't that look good to you? Just because we lost when we played Chicago is no sign we will lose Saturday. The game is not played yet and faint heart never won anything. What we need is to brace up and from now on, say "we must beat Carlisle," say it as if you expected to win and by the way you will feel more like a winner if you are wearing one of those smart fancy waist-coats the college toggery are showing this week—just take a look at the display in the window then go in, buy one and you will brace up and say we are going to beat Carlisle.

GYMNASTS-TO-CHOOSE CAPTAIN.

Members of the Gymnasium team will meet next Saturday night to elect a captain. The team will then go on the floor to do some tumbling practice under the direction of R. W. Bonfield, the gymnasium director at Unity House.

The annual handball tournament will be held some time in the near future, when the university championship in singles and doubles will be decided. All candidates are asked to hand in their names to Dr. Cooke.

A ladder from the main floor of the gymnasium thru an opening in the floor of the gallery is an improvement that will be hailed with delight by handball and basketball men. It will remove the necessity of running to the stairs or climbing into the gallery to get balls that do not come down.

OFFICIAL BULLETIN BOARD.

In order to give the student body an official calendar a large bulletin board will be installed in the rotunda of the library building, probably between the stairs leading to chapel. It is planned to have this board in two sections, one to be devoted to current affairs of the week, the other to future events. Anything of general university interest may be posted here by all departments.

Dean Geo. B. Frankforter has the matter in hand and will get the board out in a short time.

Helen Weld, '06, has come to Syracuse, N. Y., to attend the national convention of Gamma Phi Beta. She will be gone a week.
