DULUTH, MINN.--Among queens riding in the Homecoming parade of the University of Minnesota, Duluth Branch, at 11 a.m. Saturday (Oct. 18) will be UMD's 1958 freshman princess, 18-year-old Judith Anderson, blue-eyed blonde from Two Harbors, Minn. Crowned by Beatrice Lee, 1957 freshman princess from Honolulu, Hawaii, the new princess comes to the Duluth campus with a background of band, orchestra, choir, dramatics and student government at Two Harbors. Although undecided on a major study, she is considering business. Her attendants are Nancy Erickson, Two Harbors, mathematics major; Karen Fredson, Duluth, elementary education; Roberta MacCullem, Sudbury, Canada, speech; and Sharon Ronn, Duluth elementary education. The Homecoming schedule includes the St. Thomas college (St. Paul) game at 2 p.m. on the UMD field, post-game coffee hours, a smorgasbord dinner at 6:30 p.m. and a "dual dance" (dream and Dixieland music) at 9:30 p.m. in Kirby Student center.
