FRIDAY, JULY 25, 1919

No. 173

ALL-UNIVERSITY PICNIC

It is hoped that many, both faculty members and students, will attend the Picnic at the University Farm this evening beginning at 6:15. Ticket holders may secure their lunches at the Cafeteria upon their arrival at the Farm. Following the picnic supper, there will be out-of-door games, contests of various sorts, a movie, and dancing. In case of rain the entire program will take place in the Gymnasium.

The last inter-campus car leaves the University at 5:45. After that use the Como-Harriet cars.

LECTURE ON VOCATIONAL SURVEYS

Miss MAY LANE, until recently the supervisor in charge of Vocational Guidance in the Public Schools of Minneapolis, will give a lecture on "Vocational Surveys and Their Use," this morning at 10:30, in Room 111, College of Education. Miss Lane has been in charge of the Vocational Survey which has been made by members of the Vocational Guidance Corps in the Public Schools. Visitors will be welcome. Members of Miss Ball's class in Vocational Guidance are required to attend.

GYMNASTICS DEMONSTRATION

The Summer Session classes in Physical Education will give a demonstration of gymnastics this afternoon at 4:30 in the Women's Gymnasium. The program will be short enough to enable guests who wish to attend the picnic to do so.

The building will be open for inspection after the program. Everyone interested is invited.

DEPOSIT ACCOUNTS for the third quarter of 1918-19 will be refunded today to all students of the summer session entitled to such refund. Apply at Window 10, Registrar's Office.
E. B. PIERCE, Registrar

SANFORD HALL

At the last meeting of the Board of Regents it was voted that, beginning next fall, the rates for Sanford Hall will be \$300 for the academic year.

DEPARTMENT OF AGRICULTURE

THE ENTOMOLOGICAL CLUB will hold its regular meeting in the Entomological Laboratory, University Farm, this afternoon at 4:30. All interested are invited to be present.

Program

Classification of Hymenoptera-Experiments on the Artificial Fertilization of Queen Bees—Professor Oestlund, Professor France.

* * * *

A ROUND TABLE CONFERENCE for teachers of Home Economics will be held on Monday, July 28, at 2:30 p.m., in Room 304, Home Economics Building. Subject: "The vocational point of view in the teaching of textiles and clothing work."

THE ASTRONOMICAL OBSERVATORY will be open to members of the Summer Session tomorrow evening from 9:00 to 10:30.

SUMMER SCHOOL STUDENTS

who are planning to carry courses in correspondence next year should, if possible, make all necessary arrangements to do so before leaving the University. Conferences may be had at any time during the day; it is advisable not to defer them until the last day of the Summer Session.

SARA H. VAN DUSEN, Secretary,
Room 323, Millard Hall.
