LUNCHEONS AT MINNESOTA UNION

To relieve the congestion in the large cafeteria at the noon
hour the Minnesota Union management has been offering a fifty
cent table de hote luncheon in Room 204. This has relieved the
condition somewhat, but the management feels that further
progress in this direction can be made by offering in Room 204
the same kind of cafeteria luncheon as is offered in the main
dining room, adding a small charge for service. Beginning
Wednesday, October 22, this plan will be tried. Students who
are interested in getting lunch more promptly, and find standing
in line too irksome, are requested to report at Room 204, from
12:00 to 1:15.

GIRLS who are interested in accompanying for the Folk
Dancing classes will please report at the Women's Gymnasium
on Friday at 12:30 for try-outs.
