NOTICE TO DEANS AND DEPARTMENT HEADS

Grades for the second term of the Summer Session are due at the Registrar's Office by 12 noon, Wednesday, September 2. It will greatly facilitate grade recording if the grades are forwarded to this office as soon as the reports have been typed and signed at the departmental office.

All charges against the Summer Session deposits of students in residence the second term should be reported to the Registrar's Office by 12 noon, Wednesday, September 2.

NOTICE CONCERNING GRADE REPORTS

Grade reports for the second term of the Summer Session will be mailed from the Registrar's Office on or about September 9. They will be addressed to the home address that the student gave at the time of registration. In case this address has been changed the student should turn in, at the General Informa-

tion window of the Registrar's Office, a stamped self-addressed envelope.

Students who wish to have transcripts of their Summer Session work sent to the State Department of Education, other institutions, etc., should call at the Information window at the Registrar's Office, in order that they may fill out a transcript request blank.

REFUNDS OF GENERAL DEPOSITS

The balance of the general deposits of all students who are attending the second term of the Summer Session, will be mailed to the home address of the students about September 16. Students who will not be at the home address given at the time they registered for the Summer Session are requested to submit change of address at the General Information window of the Registrar's Office.

NOTICE CONCERNING "IN ABSENTIA" EXAMINATIONS

Those students who are required to leave the University before the close of the summer term because of the opening of their schools, will be given an opportunity to take their final examinations

"in absentia." Students wishing to avail themselves of this opportunity should observe the following procedure:

1. The student should present a petition to the Students' Work Committee of his college, requesting permission to take the examination "in absentia." EACH COURSE IN WHICH THE STUDENT DESIRES AN "IN ABSENTIA" EXAMINATION SHOULD BE LISTED IN THE PETITION.

2. Before presenting it to the Students' Work Committee, the signature of the instructor of EACH course must be obtained on the petition.

3. The petition should also state where the examination is to be sent, and who is to proctor the same. It is preferable to have some one connected with the schools act as proctor of the examination.

4. After the Students' Work Committee has approved the petition and sent it to the Registrar's Office, this office will secure the examinations from the instructors, and have them forwarded to the students, care of the proctor named in the petition. Full directions for administering the examination will be sent to the proctor.
