Duluth--- Students planning to attend UMD during winter quarter have until Wednesday (Dec. 1) to file their applications.

Freshmen coming to UMD during winter quarter must have completed their American College Test (ACT) before being considered for admission. All information on ACT can be received at the UMD Counseling Office.

High school seniors interested in attending UMD in the fall of 1966 should apply to their high school counseling office for ACT test dates. Once the test has been evaluated, the student can receive a quicker answer from UMD in connection with fall admission.

All applicants for fall quarter are reminded that a \$10. application fee will be charged. The check or money order is payable to the University of Minnesota, Duluth.
