

M A N I F E S T O

H A N D S   O F F   M I L T   R O S E N   !

The time to act is NOW! Unless Twin City liberals and intellectuals form a UNITED FRONT to prevent it, Milton Rosen will soon become the VICTIM of a SMALL but POWERFUL clique made up of Rival Capitalist Tire Dealers, Right-Thinking Legionnaires, Known Habitual Scholars and Scientists, "Clean Streets" Advocates, and other sinister groups now plotting to "get" him!

Unless YOU DO YOUR PART, this alliance of insidious forces could very easily succeed in its schemes to muzzle Milt! Who knows how much farther they might go? Could they spirit him away in the night and get him committed to a State Institution? Could it happen here?

DON'T LET MILTON ROSEN BECOME THE VICTIM OF FASCIST PLOTTERS !

WE NEED MILT ROSEN! What better demonstration can we make to the world of this country's glorious diversity of thought and non-thought ... what better way to show that no matter how great or how humble a man's intellect -- or how vast or how limited his opportunity and capacity for learning -- he has the Inalienable Right to raise his voice and display the full range of his intelligence!

Strike NOW, Friends of Freedom, because unless you do, this world will be a little less strident ... a little less amusing ... on The Day They Haul Milt Rosen Away.     DON'T LET IT HAPPEN!

THE WORKERS AND STUDENTS UNITED FRONT FOR THE DEFENSE OF MILTON ROSEN AGAINST FASCIST PLOTTERS says "Act Now!"

YOU say "I'm just one little weak person - what can I do?"

We Workers and Students say HERE's what you can do:

Proudly wear your "Hands Off Milt Rosen!" button!

Stop complaining about the condition of the streets!

When you hear people say something mean about Milt Rosen -- REPORT THEM!

Remember - it's not against the law for Milt Rosen to claim friendship with J. Edgar Hoover!

Buy a new set of tires whether you need them or not!

Hold coffee parties and candy sales to raise money for the MILT ROSEN DEFENSE FUND! Remember that when the commitment hearings start it is going to take the finest, most skillful legal talent to keep him from being railroaded!

Come to the big "Hands Off Milt Rosen" Rally and Fund Raising Ball to be held soon by the Student Platonic Love Club and the Young Agronomist League Against Root Rot and Fascism!

THOSE ARE THINGS YOU CAN DO!     BUT ABOVE ALL -- ACT NOW ...

... ACT WITH CHARITY TOWARD MILTON ROSEN!
