IOWA-NOTRE DAME

Game Today With Hawkeyes and
With Notre Dame Monday
and Tuesday

This afternoon at 3:45 the Minnesota and Iowa ball teams meet in a championship contest on Northrop Field. Iowa is the only representative of the "Big Nine" that plays Minnesota on the home grounds, and as Minnesota saved but one of the five conference team games on its recent trip, there is no present intention of dropping this one to Iowa.

The Hawkeyes always have a good ball team and this year's team has a good record. Beginning with a series of games with the Rock Island league team, they have since played many of the smaller college teams of Iowa and recently had a game with the Nebraska team, which they lost by a close score. They defeated the Grinnell team 10 to 1. Moss will probably pitch today. In the Nebraska game he allowed but seven hits and struck out six men.

The Varsity team is in good form. "Bria" Freeman will pitch against the Hawkeyes, Leach will catch and the other positions will be filled as usual, with the possible exception of right field; Hurley has had his leg injured and may not be able to play. The game will be called at 3:45 sharp.

On Monday and Tuesday afternoons the hard-hitting Hibernians from Notre Dame will play the Varsity on Northrop Field. One of the closest and best played games on the teams' eastern trip was with the Notre Dame team. The Indians always play a fast and plucky game, and it will be worth the price of admission to see them work for a victory.

It is remarked by every team playing at Notre Dame that the support given the home team by the rooters there is the best in the middle west. Now Minnesota has a reputation for good rooting and it might be well to sustain it next week before the Notre Dame team.

STATE BOARD OF CONTROL

President Northrop, when interviewed by the DAILY yesterday morning, made the statement that the board of regents had come to no decision in regard to submitting to the state board of control and that they would not decide until their regular meeting on June 4. From the fact that the name of the University was omitted from the title of the law creating the board of control, the University is not technically under the board's control. Whether the board of regents will voluntarily put themselves under the state board is the question for them to decide.

The University was visited yesterday forenoon by about 500 members of the American Order of Railway Conductors and their wives. The order held a business meeting in the chapel during their visit.

A DECISIVE VICTORY

Minnesota Wins 10 of the 13 Events, Including
Every Track Event, Broad and High
Jumps and Pole Vault

By winning ten of the thirteen events in the dual meet yesterday afternoon on Northrop Field Minnesota clearly proved her superiority over Iowa in track athletics. Every track event went to Minnesota and of the field events the home contestants won the broad jump, high jump and pole vault.

Warner, of Iowa, was the only point winner for Iowa, and he took the discus throw, shot-put and throwing the hammer. Caine, in the mile run, Harris in the half and quarter, Smith in the pole vault and Bockman in the short dash and hurdles did magnificent work. Harris established a record in the half mile by running it on a slow track in the fast time of 1:59.

In the quarter Harris, Minnesota, won in a fast finish in 53 4-5, Tebbitt, Minnesota, second. Brown, Iowa's pride, failed to make even a fair showing.

Bockman took the 100-yard dash in 10 2-5 seconds, Salisbury, Iowa, second. The Minnesota man was not pushed hard and might have elipped another fifth off the time had he been hurried.

Bockman also won the 120-yard hurdle in the good time of 16 2-5. This event followed immediately after the 100-yard dash, but Bockman showed no signs of weariness, but run a clean, fast race. Call was the only Iowa contestant.

In the half mile Riebeth, Minnesota, set a most remarkable pace and to him almost as much as to the winner is due the credit of taking this event from Iowa. Brown, of Iowa, fell out, but Boardman, Iowa, ran a good race and finished second. Harris made a magnificent finish and took the race in the record-breaking time of 1:59.

Boeckman, Minnesota, won the 220-yard dash with Tebbitt, Minnesota, second. Salisbury, Iowa, finished third. Time, 24 seconds.

Bockman took the 220-yard hurdle in 27 2-5, and thus added the third event in which he participated to the credit of Minnesota.

The mile run was a beautiful race, and was done in very fast time. Gilfillan, Minnesota, set the pace the first lap and did his duty well. Boardman and Wilson, Iowa, and Davis and Gilfillan, Minnesota, then fell out and left the race to Caine, Minnesota, and Brackett, Iowa. Brackett led until the last half of the last lap when Caine bounded forward, as though the running up to that time had been for him a warming up process, dashed down the track while the whole grand-stand cheered, and won the race in 4:59 2-5.

Tate and McPherson, Minnesota, tied at 5 feet 7 inches, in the high jump, Schenck, Iowa, failing at that height. Tate took the running broad jump with a record of 20 feet 7 inches, Collins, Minnesota, second, 19 feet 5 inches. Smith, Minnesota, won the pole vault at

9 feet 8 inches, after all contestants had failed at 9 feet 9 inches.

Warner, of Iowa, won the discus throw, distance, 106 feet 1 inch; also the 16-pound shot put, distance, 38 feet 1 1/2 inches, and the 16-pound hammer throw, distance 114 feet 9 1/4 inches. The Iowans brought up a hammer weighing three ounces less than the regulation weight, but loaded it to the required weight after the judges had consulted the scales.

As only first places count the record stands, Minnesota 10, Iowa 3. The victory is a decisive one and the records established prophesy a good showing by Minnesota in Chicago.

WIN TENNIS DOUBLES

In the tournament Minnesota won from Iowa in doubles yesterday. The playing on both sides was nothing short of brilliant, and Minnesota won only through superior ability to smash and place. The Iowans were on the alert every minute of the game, but it seemed almost as if their nerve failed them when they got to a critical place.

Of the four men Lawrence undoubtedly played the best game. Ellis proved the best player for Iowa.

The Minnesota players merit the greatest praise for their victory. The team which they defeated has a brilliant record to its credit, having defeated Wisconsin last year and Cornell College and Drake University this year.

The players for Minnesota were, Lawrence and Wyman; for Iowa, Ellis and Mather. The result of the three sets played was as follows, 2-6, 6-4, 8-6, Minnesota winning the last two and losing the first.

Tomorrow at 10:30 the singles of the tournament will be played. It is not decided which two of the four players will contest.

FAREWELL VESPER SERVICE

The following is the program for the vesper services, under the auspices of the Y. M. and Y. W. C. A., in chapel hall, Sunday, May 19th, 3:30 p. m.: "The Heavens are Telling" (Creation), (Hayden), University Chorus; violin solo, "Romance," (Sitt), Miss Verna Golden; Scripture reading and prayer; hymns, "O Who Like Thee," "O God of Light," (Bach), University Chorus; violin solo, "Andante" (Mozart), Miss Verna Golden; solo, "My Redeemer and my Lord" (Dudley Buck), Mrs. Maud Ulmer Jones; anthem, "The Radiant Morn" (Woodward), University Chorus. A silver offering will be taken for the Geneva fund.

Forum plays the Castilians Monday, May 20, at 1:30 o'clock on Northrop Field.

The Federal Society

The Federal Society has organized for the coming year and from the present membership much may be expected. But it is well to sound a note of warning. In a communication published in the DAILY last week a method of conducting debates in the society was outlined. This method deserves careful consideration by those interested. In the past there has been too much hippodrome debating in the Federal Society. Men appeared in debate who were considered very superior debaters, but because of the lack of the proper inducement to make them work hard and deliver a carefully prepared debate, their efforts were very mediocre indeed. Some plan should be devised whereby every time a man makes an appearance before the society he will feel that he is on trial and that his chances for making the inter-collegiate team depends directly on the showing he makes. The members should be fearless critics of each man's work. Because a man has a reputation for debate should not be allowed to have the slightest weight with them in judging his effort. Each man should stand, not upon his general reputation as a debater, but upon the merits of the work he does in the society in competition with his fellow-members. With a plan for conducting debates whereby each debater must fight to gain or retain a place every time he appears, and with no show of favoritism but every man judged on his merits, the standard of debate in the Federal Society must be raised and compensating results appear.

A word may be added to the officers of the organization. It is not generally realized, either by members or the officers themselves, how much depends upon a wise and vigorous administration of the society's affairs. Prompt and direct action by the executive, a judicious selection of committees, and zeal, earnestness and dispatch in the performance of every duty assumed by the officers and committees will put life into every department of the society's work and may make all the difference between success and failure.

Since the Executive Board is composed of able members, many of whom have had the supervision of debate and oratory in the University for a year or more, and all of whom are actively interested in the purposes the society has in view, nothing can be asked for in this particular. Upon the society itself rests the responsibility for the carrying out of the objects of the society, and the attainment of the ultimate success for Minnesota's representatives in debate for the coming year.

PEAVEY PRIZE CONTEST

The Sophomore-Freshman debate will be held Monday, May 20, at 7:30 p. m. in the University chapel. The question for debate, "Resolved, That senators should be elected by popular vote." Affirmative, Freshman, Mr. Choate, Mr. Hammond, Mr. Schwartz; negative, Sophomores, Mr. Ladd, Mr. Drake, Mr. Nielsen.

In the oratorical contest W. H. McGrath will represent the Freshman class, and A. L. Layne the Sophomore class. The judges are Edward C. Gale, C. M. Way, and Judge Fish. Twenty-five dollars will be awarded to the successful

orator and to each member of the winning team. The Peavey prizes have greatly stimulated the work in debate and oratory. The pennant offered by Professor Sanford to the class having the largest representation at the contest will be placed in the new trophy cases in the Library. These students have been selected to read selections from Shakespeare: Mr. Arnold, Miss Bennett, Miss Bean, Miss Bisson, Miss Buell, Miss Susie Easton, Mr. Edwards, Mr. Hosmer, Mr. Johnson, Mr. Keyes, Miss McPartlin, Mr. McManigal, Mr. Pat-ten, Miss Waggoner, Mr. Welles and Mr. Grange.

THE MAY MAGAZINE

The May number of the *Minnesota Magazine* appears today. It is prefaced by a poem, "The Wise Men," by George N. Northrop, and this was followed by a story entitled, "A Vampiric Phantasy," by Harry V. Fuller. Gertrude Brandsmark has an article on "Greek Lyrics," illustrated with fragments translated by the author. One of the contributions deserving special mention is that entitled "The French Language," by Oscar W. Firkins, which shows the keen, critical insight of the writer. It will be of especial value to French students, and interesting to all. A story, "When the Curtain Falls," by Charles F. Forbes, entered in the Wilson prize contest, completes the list of contributed articles. Besides these there are the usual editorial comment, book reviews and alumni notes. The dramatic criticism is worthy of special note, being a comment by Edward Sanford on the Kidder-James production of "A Midsummer Night's Dream," which delighted University theater-goers so much a short time ago.

THOSE POSTERS—A SOLUTION

(Communicated.)

The suggestion in yesterday's DAILY that the poster nuisance is to be abated by a "fraternity" forthwith, while not a happy one per se, has merit. To obliterate these familiar decorations at one fell stroke would produce an effect of lonesomeness which might not be desirable. But this suggestion is submitted: That those interested in announcing coming events shall not post the cards prior to three days before the event, and be required to remove them immediately after the event has occurred; and further, that all ultra-university affairs be denied places other than on the regular bulletin boards for that purpose. In this way the disagreeable feature of the practice will be eliminated and a charitable course adopted toward the time-honored usage.

—The Pedestrian club will meet in the Armory at 2 o'clock sharp, this afternoon, to go to Minnehaha Falls. All members are urged to be prompt.
