### NO SCHOOL MONDAY.

In observance of Lincoln's birthday classes will be suspended throughout the University Monday.

Of all the gay and beautiful Junior Balls in the Armory the dance last night was far the gayest and most beautiful in college history.

The crowd of dancers was as care free and happy a one as could be imagined.

The decorations, with a truly magic art, entirely hid the ugly walls and rafters, and transformed the long bare halls in a wonderful fashion.

The reception hall was hung with the richest of oriental rugs and portieres. The long main hall was surrounded with a deep piazza which was cut off from the main hall directly even with the balcony, by a green lattice work about three feet high. Inside there were masses of palms and numberless deep wicker chairs and divans. Frappe as served at tables in each corner of the hall.

The band stand was directly in the center and the stage where the band has formerly been seated was banked with green and fitted up with rustic benches.

The patronesses, who were twenty-five in number, were Meses. John A. Johnson, U. N. Liggett, A. R. Hull, S. R. Van Sant, E. A. Jaggard, D. P. Jones, A. F. Pillsbury, J. T. Wyman, G. H. Partridge, W. J. Eield, C. L. Bartholomew, F. E. Esterly, Cyrus Northrop, J. F. Downey, F. S. Jones, G. B. Frankforter, U. S. Pattee, H. S. Williams, W. W. Folwell, Carl Schlenker, F. S. McVey, F. M. Anderson, A. A. Law, F. S. Appleby and F. S. Westbrooke.

## SUMMONS FOR BASEBALL MEN

MEETING OF SQUAD CANDIDATES  
IN ARMORY MONDAY

Coach "Spike" Anderson will expect a big bunch of good material to pick from.—Many old men are back.

An official call for baseball candidates has been sent out and all men intending to try for the team will meet in the Armory band room at 6 o'clock Monday afternoon.

All positions are practically open, and the fact that there was no Varsity team last year gives added stimulus, so a big turnout of ball players is expected.

A baseball cage will be placed in the Armory for the early indoor practice. A number of old men will be out, among them Brown, Gleason, Linds, Tyler, Berg, Linnahan, McGroarty, Spooner, Marshall, Lobbitt and Morstein. Among new men who are expected to report are Larkin, Robertson, Brenna, Foster and Williamson, a former Northwestern player.

Spike Anderson, who has been engaged to coach, will commence his work Monday and will continue to work with the team throughout the season. The schedule has not yet been definitely arranged but it will include at least fifteen games on the home field and a week's trip in the latter part of May. A number of big nine games will be played.

## ALUMNI WILL MEET TONIGHT

ASSOCIATION TO DISCUSS  
QUESTIONS OF IMPORTANCE TO  
UNIVERSITY.

New Main Building plans, football reform and higher salaries for faculty will come up for consideration.

Several important matters are to be brought up at the alumni meeting Saturday night in the Armory.

Although the action of the Council regarding football will cause much discussion, nevertheless the question of campus extension and of a change of site for the new Main will be of chief interest.

The question of larger salaries for faculty members will also be discussed.

Efforts have been made to secure a large attendance. Prof. Nachtrieb has endeavored to secure Mr. Hoveland of Duluth. Many twin city alumni will be there, and some representatives from Duluth and other parts of the state.

### FRESHMAN NUMERALS.

Twenty football players get "D's."

The new board of control held its first meeting Wednesday night. Twenty numerals were awarded to the members of the Freshman football team.

Those who received the Freshman honor are Morse, Dunn, Eakins, Fokker, Coughlin, Knoche, Smith, Castor, Moore, Bly, Merrill, Hubbard, Frykman, Ertle, Mahoney, Kyser, Atkinson, Murphy, Schain, and Vidal.

## CENTRAL'S STRONG TEAM WILL PLAY

MINNESOTA'S GIRL QUINTETTE  
EXPECTS HARD GAME.

Game with Central high Monday night will put Varsity to the test.—Hard, close contest expected.

Enthusiasts will have an opportunity to witness a first-class game of basketball next Monday night when the Minnesota girls will meet the Central high team in the Armory.

Central claims to have the best team ever turned out of that school.

Edna Von Ende, who will play center, is an exceptionally good player and her ability to cover ground is something remarkable. The whole team plays as though they intend to win everything coming their way.

The Minnesota team have been doing things since basketball started and their scores with Drummond Hall and South Side High show what may be expected of them Monday night.

The line-up of the teams is as follows:

Minnesota: Forwards, Hattie Van Bergen, Cummings; center, Carol Brown; guards, Iris Newkirk, Isabel Dunn.

Central: forwards, Agnes Baker, Florence Maitin; center, Edna Von Ende; guards, Winnie Chapman, Coqua Baldwin.

### DR. WILLIAMS TO NEW YORK.

Will attend meeting to discuss conference rules.

Dr. Williams left last night to attend the meeting of the committees on the rules suggested by the big nine conference held recently at Chicago.

The meeting takes place in New York and will probably determine exactly what the rules will be in the football to be played next year.

Dr. Williams will return next Tuesday.

### TWO MORE GOPHER CANDIDATES

Allan L. McAfee has announced his candidacy for the position of business manager of the '08 Gopher. He is a Sophomore Engineer.

for "A Quinary" in the January Magazine. Zoroaster Spinks, who is responsible nine, is revealed in the person of Guy Bland, who announces himself as candidate for associate editor.

### CADETS HOP TODAY.

The usual cadet hop will be held after drill today.

No men without uniforms will be allowed on the floor except by special permission of the officer in charge.

The dance will be preceded by a short exhibition by the crack squad.

### U. C. A. RECEPTION

In Y. M. C. A. Building Tonight.

Tonight in the Y. M. C. A. building the University Catholic Association will hold its second reception of the year.

An excellent program will be given, after which refreshments will be served.

A hearty welcome is extended not only to Catholic students of the University, but also to any others who desire to come.

**WE HAVE NOT CHANGED LAUNDRIES IN OVER 3 YEARS**

Other laundries, not getting good work, keep changing from one laundry to another. We started with the MODEL over three years ago. They have given us better work and better service than any other branch of any Minneapolis laundry ever had. That is why we today have the biggest branch laundry business in the Twin Cities. We have hundreds of satisfied customerers. Ask any of them. There is a difference in laundry work. It is in our favor. Try us.

The members of the Junior Ball Association are to be warmly congratulated on the success of their efforts, which reflect credit on themselves, their class and the University.

**DEAN JONES.**  
Dean Frederick S. Jones is one of that rare and fortunate type of college professor whose interest in his students extends beyond the class room. He is the kind who believes that the good of a college education includes other things than the prescribed curriculum, and ever, since his connection with this University Dean Jones has practiced this belief and has taken an active interest in college affairs, especially in athletics. He is a true "mixer;" his interest is genuine, not forced; his relations with student affairs have been on a friendly basis, and he has ever been a tremendous influence for good in University athletics.

Professor Jones may be rightly called the father of Minnesota athletics. For ten years he has been a faculty member of the board of control and it has been his council that has many times guided the athletic policy of the college in the right channels.

For ten years he has been conceiving and planning to improve and further Minnesota athletics, and our present standing shows how well he has builded. In the big nine conference Prof. Jones is a powerful factor and his recent election to the presidency of the conference shows the esteem in which he is held by other colleges. He has not only been an element of good in his own institution, but he has won recognition from others.

After having nursed gopher athletics through the tender and critical stage of its life the Dean now has the pleasure of seeing them founded on a firm and lasting basis as the result of his exertions, and doubtless he feels that he is entitled to turn the responsibilities of his office over to other hands.

But there are very few college professors who have the ability or the inclination to do the work that Dean Jones has done, and his resignation, if such it must be, will be a serious blow to the University. It is to be hoped that Dean Jones may be prevailed upon to continue in the athletic harness a little longer at least, for such men as he are too valuable and have too good an influence on college sports to lose.

**ADVANCED GYM COURSE.**  
Dr. Cook has organized a class in advanced gymnasium work. Quite a number of men have become interested. Professor Jones may be rightly said to be the instructor. The class meets twice a week at 3 p. m., on Tuesdays and Thursdays. The men are gradually becoming proficient in the work so that Dr. Cook hopes to have them give a public exhibition in about six weeks.

**DRAMATIC CLUB.**  
There will be an important meeting of the Dramatic Club in Prof. McClumpha's room Tuesday, 1 p. m. Business about the trip and other matters will be discussed. All members must be present.

### ETURPEAN SOCIETY

Will sing in chapel sometime in the near future

Rapid progress is being made by the Girls' Glee Club, of the Eturpean Society, as it is technically known. Since its organization last fall, the society has grown in interest and ability until it has proved itself an important factor in college musical circles. Recently a double quartette was formed, which will sing Friday evening at an entertainment to be given at Bethel settlement.

Three selections will be given by the club in chapel at a very early date altho the time has not yet been definitely decided.

Work has commenced for the Girls' Glee Club Concert which will be given in the spring, probably in May. This will be the first concert of the club and hereafter will be an annual event in the affairs of college life.

Work has commenced for the Girls' Glee Club Concert which will be given in the spring, probably in May. This will be the first concert of the club and hereafter will be an annual event in the affairs of college life.

### TILlicum CLUB TO ENTERTAIN.

Smoker will be given by Triangle Club

A meeting of the Tillicum Club, the new organization of Freshmen fraternity men, was held last night, and the club decided to give an informal.

This party will be given February 21st at the Auditorium Annex and the Club has great plans up its sleeve.

Arrangements are in the hands of George Foster. Tickets will be sold for one dollar.

On account of this informal the Triangle Club will postpone its next party until the middle of March. Instead a smoker will be given for the Tillicum Club at the Chi Psi Lodge next Wednesday evening at which Sinclair, Ervin, Champine and Meader will do stunts for the entertainment of those present. A flash light picture will be taken for the '07 Gopher.

All Freshmen and Sophomore fraternity men are invited to be present.

### FLAG POLE FOR THE "U."

The University is to have a flag pole. Mr. Lewis Schroager, an alumnus of the University who resides in Seattle, Wash., has offered to donate it to the University. The pole is to be 125 feet or more high and will be from two to three feet thick at the base. The selection of the site has been left to President Northrop and Hon. J. T. Wyman. The gift has been accepted with thanks.

### WOULD HAVE ATHLETIC COMMITTEE OF FIVE MEMBERS.

An effort will be made by Dean Jones to have the athletic committee of the faculty, which now consists of three members, enlarged to a board of five members. At present there is more work than three men can handle.
