ORATORY CONTEST FRIDAY NIGHT

FRESHMEN MEET SOPHOMORES
IN ANNUAL CONTEST.

Prizes Offered for First, Second and Third Place—Banner for Largest Attendance—A good Contest Predicted.

On Friday night, of this week the Freshman-Sophomore Oratorical contest will take place.

This is the Peavey-Dunwoody contest and prizes amounting to \$50 are offered, \$25 to first place, \$15 to second and \$10 to third. It is an annual event and arouses much interest not only as a forensic contest but as an inter-class affair.

The speakers and their orations are: Freshmen; A. N. Gilbertson, "The Theory of Evolution and its Significance;" Z. L. Potter, "Who shall Solve the Negro Problem;" and Jens Johnson, "The Negro Problem"; Sophomores; Harold Deering, "The Real Railroad Problem;" Albert Evans, "A Flea for the Southern Whites;" Wm. Davis, "The Mission of the Sword," and Edwin Aygar, "A Flea for Disarmament."

Every contestant has worked hard on his oration, careful attention has been given to the subject matter, and an earnest effort has been made to attain a high standard of oratory. The contest will be perhaps the most spirited and hotly contested which has been given by undergraduates for some time.

Admission is free and a large attendance is expected. The class best represented in the audience will receive a beautiful banner.

PLANS MADE FOR TWILIGHT CONCERT

MAY BE LAST CONCERT GIVEN
THIS YEAR.

Excellent Program Planned—Scott Woodworth to Sing and Helen Hart to Give Dramatic Readings—Violin Music.

Probably the last twilight concert which will be given this semester is to take place on Friday afternoon at 4 o'clock under the auspices of the Y. W. C. A.

The program prepared is a very attractive one especially as Mr. Scott Woodworth is to be the soloist. The program will consist of groups of songs by Mr. Scott Woodworth (Readings by Miss Helen Hart who is very well known among dramatic people in Minneapolis and elsewhere and violin music by Anna Louis Woodcock.

This is the second twilight concert given by the Y. W. C. A. this year and both the excellency of the program and the fact that it will be the last will probably bring out a large attendance. All who have attended these concerts heretofore will be delighted with the opportunity to hear another.

The concert will be held in chapel at 4 P. M. Tickets will be fifteen cents and may be obtained from the Y. W. C. A. girls.

FACULTY COMMITTEE GIVEN ALMOST UNLIMITED AUTHORITY

Board of Control Assemble and Decide to Call
Meeting of Athletic Association

The powers to be exercised in the regulation of athletics by the new faculty athletic committee have at last been made public. They are the result of recommendations made by the old athletic committee to the University Council which adopted said recommendations in full.

These were formulated by the committee to carry out the Big Nine recommendation previously adopted by the Council that the faculties of the various universities take necessary steps to bring athletics at their respective institutions under faculty supervision.

The rules as they now stand are as follows:—

"The committee on Athletics presents the following recommendations to the University Council:—

(1) That the Committee on Athletics be increased to five members;

(2) That two of the five members shall be elected by the committee to serve on the Board of Control of the Athletic Association;

(3) That the committee shall elect a sub-committee of two members to be known as the Ticket committee. They shall have charge of all tickets and other sources of income and shall file with the Treasurer a complete ticket report for each game showing tickets issued, tickets sold, complimentary tickets and unsold tickets, together with a statement of the actual cash received. The chairman of this sub-committee shall be one of the two faculty members of the Board of Control;

(4) That the committee shall elect a sub-committee of two members to be known as the Auditing Committee. They shall have general supervision of all expenditures and no athletic bills shall be paid unless approved by this committee. The chairman of this sub-committee shall be the second faculty member of the Board of Control.

(5) That the Athletic Committee of five shall constitute the Eligibility Committee and shall decide upon all questions of students' eligibility to participate in athletic sports;

(6) That all proposed expenditures after being recommended by the Board of Control shall be submitted for approval to the Athletic Committee and no expenditures shall be made and no debts shall be incurred without such approval;

(7) That the Athletic Committee shall have supervision of Northrop Field the grand stand and seats thereon. They shall satisfy themselves of the safety of all stands before allowing them to be used;

(8) That the methods of administering in detail the business of the Athletic Association shall be subject to the approval of the Athletic Committee; that this committee is given entire control of University athletics subject to the constant revision and ratification of the University Council.

Dean Jones when seen yesterday, maintained that the new rules would not cause any great deal of change in the relation between the Athletic Association and the faculty. Said he:

"For the past seven years, I have had authority from the Regents to veto any action of the Board of Control any time that I thought it right and proper to do so. But I have never found it necessary to use this power and I don't anticipate that the new committee, of which thank goodness, I am not a member, will ever have to use its powers. The vetoing of Dr. Williams' contract was done by the Council as a whole and not by the committee."

ATHLETIC BOARD OF CONTROL MEETS.

At the meeting of the Athletic Board of Control yesterday afternoon, it was decided to call a meeting of the Athletic Association in response to the petition presented, a copy of which appeared in Tuesday's Daily.

The date and plan of the meeting were left to the discretion of the President.

Much to the surprise of the Board, no communication was received from the University Council in regard to any of their recent actions, consequently the Board took no action upon these matters.

The basket-ball game with Nebraska scheduled last week for this coming Saturday evening, was formally authorized.

A committee was appointed to look up the matter of getting some East Side restaurant to set a table where the track men can eat.

SWEATERS ARRIVE.

Freshman Team at last Rewarded.

Sweaters for the 1906 Freshman football team have at last arrived. They were authorized about two months ago but on account of being made to order in New York, it was impossible for them to get here sooner.

Those who are entitled to sweaters are:—Morse, Dunn, Eakins, Foker, Coughlin, Knoche, Frickman, Vidal, Ertle, Hubbard, Maloney, Kaiser, Atkinson, and Murphy. Manager Reed will be at the armory, ready to give each man his sweater, at five o'clock this afternoon.

LAST GAME.

Basket-Ball Girls Will Play Stanley Hall.

On the evening of March 31, in the Armory, the Girls' Basket-ball Team will play the last game of the season. The game will be with the team from Stanley Hall, and promises to be a fitting climax to the season.

The Varsity girls have a splendid record this year, as always, having proved themselves themselves champions of the West. The Stanley Hall team is reported as very strong and will do their best to overthrow the Varsity champions.

There will be dancing after the game.

ORGANIZATIONS NEED REFORM

LACK OF SUPPORT DUE TO
WRONG POLICY.

Dr. Bauer Gives Opinion in Regard to Various Organizations—These should be Primarily for Student Body.

Many prominent students and several of the faculty interested in student organizations at the university have strongly commented on the inability of many of these to maintain a firm financial footing and several expressed the hope that our student organizations would be for the students in fact as well as in name.

Dr. Bauer condensed the discussion in a few brief remarks. "I believe," he said, "that our student organizations should be maintained for the pleasure and amusement of the student body. At present the Glee Club, Mandolin club, Dramatic club, etc., work nearly a whole year perfecting themselves for the one great effort usually given in a downtown house.

"Rather than wait till this great degree of perfection has been attained, they should give numerous short programs before the students at a nominal price of admission to defray expenses.

"The only reason which impels the organizations to play in downtown houses is a very materialistic one—namely to make money. This feature should be lacking. Our clubs should not be mere money making organizations.

The proper remedy in my estimation would be a series of afternoon concerts given either in the chapel or the armory.
(Continued on page 4.)

REGENTS PROVIDE FOR WATER SUPPLY

COLD WATER WILL NOW BE AT-
TAINABLE.

Executive Committee of Regents Order Pipes Re-laid—More Adequate Means of Fire-fighting also Considered.

Colder drinking water is now assured.

The executive committee of the regents late yesterday afternoon ordered that the water pipes which have recently been in such close proximity to the boiler room should be re-laid and covered.

Fire chief Canterbury also appeared before the committee and urged the installation of a more adequate water supply for fire fighting. He spoke of the insufficient supply when the Old Main burned, and advised that provision be made for a better equipment.

The committee referred this matter to the faculty, recommending that a large main be run from 17th Ave down fourth St. or University and that a spur be constructed for the row of buildings from the Y. M. C. A. to the Mechanic Arts building.

The University of Syracuse received \$200,000 for a stadium which will include basket-ball and football fields and a running track.

F. W. PAYNE, Asst. Bus. Manager.

Today's Issue Edited by
Ellen McPartlin.
Assisted by
Arthur Charles Hoffman.

The University Faculty has finally
taken a positive and definite position.
For something more than a year, the
matter of faculty control in student
affairs has been quietly, but none the
less surely growing.

They began with a rather innocent
looking device that was intended to
check the prodigal management of stu-
dent finances. With this start they
have been gradually taking over the
control of student enterprises. Not
in any open or noisy fashion—No in-
deed—but in a quiet gentlemanly way,
they have looked into the secrets of
every university organization and have
pointed their righteous finger toward
the straight narrow pathway that
leads to and through the Faculty com-
mittee room.

The question is, Where will it all
end? They were making history last
Saturday when they took the question
of the athletic coach's salary out of
the hands of the student athletic
board. The issue is plain. They mean
to control student athletics in the fu-
ture.

The members of the faculty are not
infallible. Being no different than the
U. S. Senate and other governing bod-
ies, a check is needed. It is a whole-
some and necessary feature of all
governing bodies legislating for an in-
dependent and self governing constitu-
ency. That check at Minnesota and
institution of the character is the stu-
dents' right and power to participate
in the management of their own affairs.

We cannot do otherwise than point
you to the issue. It is clear. You can-
not escape it and you should allow no
minor consideration to confuse you.

The question is, Shall the Athletic
Board of Control representing the
students or a Faculty committee, rep-
resenting the faculty control Minne-
sota's athletics?

"THE CITY."

Arthur Upson's Poem Drama Gets
Much Praise.

The March number of the "Critic"
contains a review of Arthur Upson's
poem-drama "The City."

A resume of the setting and
plot is given by the Critic
and the strength and purity of the
lines receive considerable praise. The
review touches upon the other poems
which appear with "The City" and the
same measure of praise is given them.

Of "The City," the Critic says, "Mr.
Upson has achieved a most creditable
piece of work in his poem-drama, and
his lines are notable both for sub-
stance and for manner. He has woven
most judiciously, with firmness and
with delicacy, into his drama, person-
ages which live, move and have in-
dividual being to an unusual degree."

QUILL IS THE NAME

"The Quill" is the name by which
the girls have decided to call the new
organizations corresponding to the
Press Club.

The new club is now fully organized
a constitution having been adopted at
a meeting on Monday.

Director. MINNEAPOLIS, MINN.

LECTURE ASSOCIATION.

Inaugurators Appoint Committees and Make Plans.

Last week a large meeting was held for the consideration of the lecture course recently agitated. A. S. Dowdall was elected permanent chairman of the meeting, and a consideration of definite plans made.

A motion was adopted authorizing the chairman to appoint a committee of five to draw up a constitution. This committee was also empowered to investigate the methods of other lecture associations and to report on the same at the next meeting.

Dr. Wilde made several important suggestions advocating a liberal instead of a technical course of lectures and also a paid course.

It has been ascertained that a lecture course was successfully carried out at South Dakota, where four lectures were delivered at a cost of two dollars each member. It is the plan here to make the course consist of eight lectures, and to charge each member one dollar.

LOEVINGER TRIED IN COURT.

Literary Union will have Mock Trial.

Saturday evening, March 24, the Literary Union will hold its next meeting at the Y. M. C. A.

The program will consist of a mock trial, in which the plaintiff is to be Abbie Switzer, and the defendant Gus Loevinger. Bernard Robinson will act as presiding officer. The attorneys for the plaintiff will be Alice Kircher and Stanley B. Houck; for the defendant, W. A. McMannigal and S. M. Waters.

After the program, the remainder of the evening will be given up to a social good time. All those interested in literary work, whether members of literary societies or not, are cordially invited.

Seniors Notice.

Dr. James wishes all Seniors to send in applications for teachers-certificates at once. He has several applications for teachers but cannot answer or fill positions until seniors hand in applications. Blanks can be obtained from Registrar.

Notice Freshmen.

All freshman Academics meet in Band room in armory, the fourth hour Wednesday for the purpose of organizing a baseball team.

MEDICS STRIKE.

Junior Medics Won't Pay Hospital fee.

Because they have to pay \$3.00 for clinics at the St. Paul City and County Hospital the Junior Medics have gone on a strike. They held a class meeting yesterday and resolved not to pay the fee.

Dean Ritchie appeared before the class and asked them to reconsider the action. They did so and again passed the same resolutions without a dissenting vote.

The medical faculty is much stirred up over the matter and the class will not be allowed to attend clinics until the hospital fee is paid.

ory, at least upon University grounds, and before student audiences. Do this and the interest in all our student organizations will increase and their financial embarrassments decrease accordingly."

DATE CHANGED.

Triangle Club Sets new Date for Informal.

Arrangements for the Triangle Club informal have been changed owing to the inability of the entertainment committee to secure a hall.

The new date set is Friday, March 30, at Mrs. Nobles' new hall on 12th and Hennepin.

Lent does not seem to effect the sale of tickets among the fraternities and the results so far show that a large crowd may be expected.

LAW LIT. MEETING.

Members have Good Time and Elect Officers.

Last Monday evening, the members of the Law Literary Society enjoyed an informal spread at the Varsity Lunch.

Speeches, good stories and good fellowships held sway for some time, after which officers were elected for the ensuing term.

The result was as follows: President, John Swinland; vice-president, Van Vorst; treasurer, Bandler; secretary, Jensen, and Garvin, Sergt.-at-Arms.

This year the Law Lits seem to have struck their proper pace, and are forging to the front as one of the strong literary societies of the university.
