

THE MINNESOTA DAILY

VOL. XII, NUMBER 155

THE UNIVERSITY OF MINNESOTA, THURSDAY, MAY 25, 1911.

FIVE CENTS THE COPY

WASEDA BALL TEAM TO BE ROYALLY RECEIVED

Numerous Entertainments In Store For Visiting Team—University Band At Both Games.

Minnesota students will receive the baseball team of Waseda University, Japan, in true Minnesota style. Every student is expected to do his share. While the University will do the greater part of the entertaining, the Twin Cities, particularly the Japanese, will take an active part. When Wisconsin and Chicago sent baseball teams to Japan they were received as national guests, and the Twin Cities will endeavor to regard the Waseda team as such.

Automobiles will meet the Japs, who are coming from Iowa City over the Rock Island, at 8:05 Friday morning, and will take them to a hotel for breakfast. During the forenoon the visitors will have time to greet the many twin city Japanese.

The first game will be called at 3:00 p. m. on Northrop field with Frank Force and Perry Werden as umpires. In the evening, a banquet will be given in honor of the visitors at the University club. Fifty-two men, the two teams, the coaches, the athletic managers, the Board of Control and President Vincent will attend.

Saturday morning, automobiles will take the visiting team on a sight-seeing trip through Minneapolis and St. Paul. They will return in time for dinner and will then be brought to the University at 1:30, to start in an automobile parade for Nicolet park, where the second game will be played. The game will be called at 3:00 p. m. The University band will be on hand to make things lively. If the team remains over night, the two teams will attend some theatrical performance in the evening.

The Japanese team numbers fourteen men, including their manager, Katashi Iseda. Their average height is 5 feet 5 inches and their average age is a trifle less than 22 years.

The wily Japs proved to be worthy opponents when they met the Chicago and Madison teams, and Minnesota will need to be at its best. They are not considered strong hitters, but are remarkably adept at fielding and base running.

The regular team is given below, and the names appear in their usual batting order:

Kyosuke, rf, banker; Kuku Chi Ogawa, cf, banker; Masanobu Fukabori, importer; Mitosi Oi, 1b, importer; Keitoku Hara, 2b, statesman; Inesburo Masudo, 2b, educationist; Mitsuga Fukunaga, c, educationist; Masata Omachi, ss, lawyer; Takaynka Omuri, p, diplomatist; Katashi Iseda, manager, exporter; Sutekichi, p, diplomatist; Takeshi Yamaguchi, c, lawyer; Goro Mikami, lf, lawyer; Masso Yamamoto, exporter.

GOV. WOODROW WILSON TO ADDRESS STUDENTS

New Jersey Executive Visiting Twin Cities To Speak In Chapel At 11:25.

Woodrow Wilson, governor of New Jersey, probable democratic candidate in the next presidential campaign and former President of Princeton, will address university students in the chapel at 11:25 today. With the coming of Governor Wilson, University students will have an exceptionally fine opportunity for hearing a man who is famous in the public eye, the country over. He was at one time, seriously considered for the presidency of the University of Minnesota, but his election to the New Jersey governorship caused a change in the selection.

It is only with the greatest difficulty that Governor Wilson was secured for the address and it is hoped that a large audience will attend the lecture notwithstanding the fact that examinations begin this morning.

Woodrow Wilson is on his way home from a tour through the west and after a brief visit in Lincoln, Nebraska, he will return to his home, "The Little White House," at Sea Girt, New Jersey. While in the city, Governor Wilson has made the Minneapolis club his headquarters and has given several addresses before that club.

The Princeton Alumni association of the North west has issued invitations to its various friends to attend a luncheon to be given this noon at the Minneapolis club for the purpose of meeting the Governor. He leaves for Lincoln this evening.

SENIOR CLASS PLAY IS A REAL COLLEGE PRODUCTION

Atmosphere A College One Through Out—Will Be Given At The Metropolitan.

Tunefully burlesquing a base ball game and a track meet, celebrating a football victory with a brand new "Celebration Song," and presenting in general one of the cleverest musical comedies ever written by a University man, "Knowland," the Senior class play is rapidly becoming a finished production under the efficient coaching of Miss Ethel Malcolm.

A chorus of over 150 trained men and girls will feature a dance of the professors, introducing King Mark, Phlunkem, his hand man, and all his other minions who go to make the lives of students miserable. Opening with the "Song of the Popcorn Man," the atmosphere of the play is essentially a college one from start to finish. The fun and humor of the play becomes greatly increased as the scene shifts to "Knowland" the land settled entirely by professors, to which place every body on the campus including the pop corn man as well as the janitor is suddenly transported.

Many surprises in the way of clever stunts will be spread throughout

Continued on Page Three.

CONFERENCE TRACK MEET, GREATEST EVENT IN WEST

Largest Of Its Kind Ever Held West Of Illinois—Plans For Visiting Athletes.

Great preparations are being made for the conference meet, the first meet of its kind ever held west of Chicago, which will take place on Northrop field Friday and Saturday, June 2 and 3. Tickets for the meet will be placed on sale Monday morning at the Northwestern School Supply company and Voegeli Drug Store in Minneapolis and at Winecke and Doerr cigar stores in St. Paul. No admission will be charged Friday June second when the trials and preliminaries will be contested. The meet proper will be held on Saturday when a general admission of one dollar will be charged.

On account of the high class of the athletes who will compete in the meet and because of the fact that this is the first conference meet ever at the University of Minnesota or any other institution west of Chicago, sport lovers in both of the Twin Cities will be out in full forces to witness the important event.

Much interest has been aroused in University circles and every effort has been made to provide the visiting teams recreation and amusement. The men will be taken on auto rides throughout the Twin Cities Friday and Saturday and will be shown the principal points of interest and beauty of both cities. Saturday evening the various teams will attend the senior class play enmasse.

Drawings will be made Friday night at the Commercial club for the positions of the athletes in the track and field events of the conference meet June 2 and 3 on Northrop field. Two representatives from each of the colleges entered in the meet will be present.

At the same time football officials will be chosen for the conference games this fall.

The track and field will be in first class condition for the meet and several improvements have been made on the cinder path which makes it very probable that several new records will be established.

VINCENT PRAISES FETE

Commends Work And Spirit Of The Students—President Bids Farewell At Last Chapel Exercises.

President Vincent spoke on the May Fete at the last chapel hour of the year, yesterday. He praised the spirit which was shown by the student body in the enterprise and said that he hoped spring festivities of this nature would become a permanent tradition at Minnesota.

The committee in charge of the Fete announced that 2443 tickets were sold which together with the money taken in at the various booths will net over \$2,600. \$1700 have been turned over to the Men's Union for the building fund and the balance will be used to defray the outstanding expenses.

FLOWERLESS SENIOR PROM, ANNOUNCED BY COMMITTEE

University Custom To Be Followed Tuesday Evening, June 6—Class Day Program Announced.

Following the custom set by all the recent University formals the Senior Prom committee has decided to abolish flowers at the annual Senior party on June 6. This has become such an established custom at the University that the Seniors do not think it wise to break the tradition by permitting flowers to be worn.

The Hotel Radisson will turn over the entire second floor to the Prom this year and also the Chateau room, in which supper will be served at midnight. The party will essentially be a big Senior get-together, but it is hoped to make it an all-University affair as well and have as many of the alumni and under class men there as possible. Tickets may be secured at any time from Wallace McKenzie, Fred Ware, or from any of the department presidents for \$5.

The program for Senior Class Day, Wednesday, June 7, will be opened at 9:30 a. m., with the "Address of Wilson" by P. W. Forsberg. The rest of the program is as follows:

- Ivy Oration.....Frank Goodman
- Ode to the New Campus (to be given near the new Elliott Memorial Hospital) ..R. Warner Borst
- Consignment of Books to the WatersRobert Gaylord
- Soon after the spread the great baseball game between the Seniors and Alumni will be played. After that, the remainder of the days program will be given, in chapel.
- Class History.....Marjorie Knappen
- Class PoemPearl Davis
- Advice to the Juniors Harold Dane
- Class Day Oration ...Adolph Homer
- Class SongEdgar Allen
- Farewell Address to the BuildingsHenry Bruchholz

CYRUS NORTHROP HOME PLACED IN QUARANTINE

Son And Sister Of Former President Stricken With Diphtheria—Dr. Mullin Under Quarantine.

The epidemic of diphtheria on the university campus yesterday increased by five cases. Cyrus Northrop, Jr., son of President Emeritus Northrop, and Miss Sarah Northrop, a sister of Dr. Northrop, are both sick with the disease. The home of the veteran educator, who is now traveling through the East, has been placed under quarantine by the Minneapolis board of health.

In addition to the two cases at the home of President Northrop, three more students have been reported as being afflicted. Miss Lillian Strehlow, a junior academic of Casselton, N. D., a member of Delta Gamma sorority, is ill at her rooming house, 1116 Fifth street S. E., in Alpha Kappa Phi fraternity, 1214 Fourth street S. E., two students have been added to the sick list which now includes seven of the law students. The new cases are Hayden O. Duke of Minneapolis and Robert Jones of Reville. Continued on Page Three.

This issue edited by
A. B. Kaplan
Will P. Siems.

For one or two reasons we are rather sorry to close the year's issue of the Daily. We are not sure just what we could do

The Daily with more issues that we and the have not tried to do before, but, with an exaggerated opinion of ourselves we hate to leave off when it seems that we have only begun.

The Daily has two factors in its existence, itself and the college public at Minnesota. For the first we have made some advancement in the immediate past. Not long ago the paper ended each year with a large financial deficit. We have outgrown that. Now we are trying to improve the news and editorial side of the paper in both quality and quantity. We make no promises but we hope that our efforts will make an appreciable improvement before long.

As regards the second factor, the university itself, the Daily, by its essential nature, lives for it and by it. The students, to a certain degree, support the paper, and it is our function to be a medium for them in their efforts to carry on their student activities. In this respect we are sure that we have done our best whatever effect it has had.

We at least are mighty proud of our university. We are proud of what it has done this past year. The things that have been accomplished prove to us that there is a growing consciousness in the minds composing this great institution of the need for co-operation and enthusiasm for common ends. The Daily is going to try to push student activities, and try to spread the enthusiasm from its nucleus to the whole student body. We want to make the students realize that there is something for each to do and that it is each one's duty to fill his place. We want to impress each one with the idea that student activities are as good here as anywhere, that the student offices are worth while, and that the university is destined to be the greatest in the country.

We wish to say good-bye to the seniors. We wish them to remember us and watch us. We want to close this year with a pleasant feeling of having done well, and with a bright outlook for the next year.

GRADUATES NOTICE.

Applications for the Shevlin Fellowship in the College of Science, Literature and the Arts and the Albert Howard Scholarship will not be received later than Monday, May 29th.

The University at Pittsburg offers to graduate students five fellowships, each of the value of \$500. The subjects are English, Physics, Biology, Chemistry and Psychology.

* Some thirty-five subscriptions to the Daily are still unpaid.
* If yours is among the number please pay up at once. By next Monday the names of all delinquents will be in the hands of the deans of the various colleges and those who have not paid will receive no credit for the year's work, until they have done so.

CYRUS NORTHROP HOME PLACED IN QUARANTINE

Continued from page one.
Dr. R. H. Mullin, director of the state board of health laboratory, who has been waging the fight against the epidemic, was today quarantined in his own home, 827 University avenue southeast. Dr. Mullin is not afflicted with the disease, but is infected with bacilli, due to the many exposures in taking the cultures of more than 200 infected persons.
In addition to the thirty cases where the epidemic naturally exists, thirty more students were barred today from the university because of infection.
Among the faculty who cannot attend classes are Prof. C. D. Allen of the department of economics and political science, and Prof. Wallace Notestein of the department of history. They are quarantined at their homes, where Prof. William F. Davis lies ill with diphtheria.
Dean Westbrook said this morning that he thought the epidemic had

been fairly curbed.
"With the co-operation of Dr. Mullin of the state board of health and Dr. Guilford of the city board of health, I think the epidemic is fairly under control and I do not look for many more cases," he said.

SENIOR CLASS PLAY IS A REAL COLLEGE PRODUCTION

Continued from page one.
The course of the play, one of them being a dance by Mildred Merriman. Critics who have seen the rehearsals say it is a perfect little musical comedy, and one that will afford an evening's entertainment of the highest merit.
The tickets are on sale now at the Northwestern Book Store, and Scribners. The play will be presented at the Metropolitan Opera house on the evenings of Friday and Saturday, June 2 and 3. One of the features of the Saturday evening performance is the attendance of all the athletes competing in the conference track meet during the afternoon.

GOPHER TENNIS STARS DEFEATED BY YALE PAIR

Adams And Armstrong Lose Five Of Eight Sets Played With Eastern Champions.

Eastern and Western college tennis champions met yesterday at Yale in the biggest match of the year. The Yale team which opposed the Minnesota men has beaten all the eastern college teams in straight sets and they proved to be too much for Adams and Armstrong, the local stars. Out of the eight sets in the three games the Maroon and Gold men won three, and the Sons of Eli the other five. Joe Armstrong won from F. H. Gales in straight sets 6-3, 6-4, while R. A. Holden won from Adams 6-4, 6-0. In the doubles Holden and Gates won 6-2, 6-3, 4-6, 6-0.

This year is the first time that any representative of Minnesota has gone any farther East than Chicago and the record made by these first men is nothing short of miraculous, considering the long hard trip that they have made and the class of men that they have met in their matches—the best players of the many eastern colleges.

Excepting the Yale and Princeton matches, the Maroon and Gold men have won everything in straight sets, a new record for tennis players and one that will last a long time unless improved upon by the same men next year.

SWIMMERS HOLD RETURN MEET FRIDAY JUNE 2ND

Varsity And St. Paul Y. M. C. A. To Hold Tournament During Conference Track Meet.

One of the big features of the Conference meet will be the return meet of the swimming team with the St. Paul Y. M. C. A. Friday evening, June 2. This tournament promises to offer something exciting in the swimming line. The visiting athletes representing the various institutions of the conference will be the guests of honor. A small admission fee of twenty-five cents will be charged all others. The events contested will be the various plunges, dashes, relay, with a water polo game as the climax of the evenings sport.

The team has been invited to compete with the Shattuck Military school at Faribault. This invitation has been accepted and this will in all probability be the early part of next week.

The members of the swimming team are bending every effort to place swimming in an equal rank with the other sports. It is hoped that with renewed interest next fall this branch of athletics will be recognized in a manner which it deserves.

* All men who ran in the cross country championship last fall
* will meet in the football room
* in the Armory, Friday at 11:45
* to elect a captain for next fall.

WOULD MERGE DEPARTMENTS

President At Engineers' Banquet Explains Intention Of Joining The Entire University.

President Vincent delivered an address at the banquet of the faculty and alumni of the engineering college, Wednesday evening, in which he expressed his intention of merging the various departments of the university for the welfare of the whole.

"Culture," said Dr. Vincent, is not a single thing, it stands for a theory in life. There is no reason why men of the modern professions should not be cultured men; men who have a definite philosophy of life and who are freed from the narrow paths by their studies."

Dean Shenehon was toastmaster and in introducing Dr. Vincent spoke of him as, "a man of splendid vigor and personality, a skillful administrator and an insurgent orator."

Dr. Burton announces that all papers prepared for his courses during the year, if not called for, will be destroyed during the summer.
