### KEY RETURNERS:

JODY EDER: Senior, Lake Elmo, MN

One of the top runners in Minnesota track and field history, Eder is a six-time All-American (four in track, two in cross country). She holds ten individual school records in the middle distances (seven in indoor track, three outdoors). Eder was 11th in the nation in 1500 meter run last spring at the NCAA Outdoor Nationals. She placed 3rd in the 1500 meters and 6th in the 3000 meters at the 1984 Big Ten Outdoor Championships.

STEPH STOLTMAN: Junior, Minnetonka, MN

Stoltman is coming on as one of the top hurdlers in the Big Ten. She scored in the hurdles at the Big Ten Outdoor Championships in both of her first two seasons. Last season she was fourth in the 400 meter hurdles and seventh in the 100 meter hurdles at 1985 conference championships. In the 1986 Big Ten Indoor Championships she took fifth in the 55-meter hurdles. She is the school record-holder in the 100 meter hurdles (:14.34).

LISA JOHNSON: Sophomore, LaCrescent, MN

Johnson surprised the experts at the Big Ten Outdoor Championships last year by finishing fourth in a tough 800 meter field with a personal best of 2:10.76. Johnson had a strong 1986 indoor season which ended with a fourth-place finish in the 880-yard run at the Big Ten Indoor Championships.

UNIVERSITY OF MINNESOTA  
1985-86 OUTDOOR TRACK AND FIELD OUTLOOK

Led by a new coach who refuses to settle for anything less than improvement, the 1986 Minnesota women's outdoor track and field team heads into the outdoor season hoping to improve upon last year's sixth-place finish at the Big Ten Outdoor Championships. Gary Wilson, in his first full year as women's track coach is very optimistic about the outdoor season despite a disappointing ninth-place finish at the 1986 Big Ten Indoor Championships. "We're always wanting to improve upon what we've done," said Wilson. "We can't be complacent about our finish last year or this winter. Instead we always have to keep improving."

Although there are 12 letterwinners returning to this year's Gopher squad, there's still plenty of youth on the Gophers' roster. Eleven freshmen and 12 sophomores make the Gophers a talented but inexperienced contender. Despite their youth the Gophers do have several returning veterans including six-time All-American Jody Eder of Lake Elmo, Minn. Eder placed 11th in the 1500-meters at last year's national championships with a time of 4:24.5. Coming off a good 1986 indoor season, Eder will be definite contender at this year's Big Ten's and possibly even the nationals. Other key returners include hurdler Steph Stoltman, pentathlon Jo Arvesen and distance runners Stacy Bant and Lisa Johnson.

The experience of Eder, Bant and Johnson should once again make the MIDDLE DISTANCES the Gophers' strongest events. Eder leads that trio, having won All-American honors in track for the last three seasons. Bant, of Racine, Wisc., should also be strong for the Gophers. The two seniors, in their final year of eligibility, would both like to end their college careers on a good note. Johnson and freshmen Eileen Donaghy are also vital cogs in the Gophers wheel of distance runners.

Junior Steph Stoltman should prove to be one of the top HURDLERS in the Big Ten again this season. Stoltman had a super indoor season this year. In her last four indoor 55-meter hurdle races, Stoltman has set a personal best in each race. Stoltman's last personal best of 8.2 was good enough to place her fourth at the Big Ten Indoor Championships. Stoltman will compete in both the 100-meter and 400-meter hurdles again this season.

In the SPRINTS this year, the Gophers should be a little better than last season. Junior Char Wetzel, a healthy Lisa Walton and the addition of freshman Michele Brown could make the Gophers competitive in this area. Gopher RELAY teams could also surprise some people. The Gophers best relay runners include Stoltman, Wetzel, Arvesen, Eder, Beth Lindblad and Lisa Pruitt, all of which are very experienced runners.

Minnesota also expects to score some points in field events. Junior Leslie Smith and freshman Shirley Molitor are Gopher favorites in both the SHOTPUT and DISCUS. Faduzia Hasni of Tunisia and Pruitt should fare well in the LONG JUMPS as should Arvesen and Lindblad who will also carry the HEPTATHLON hopes for the Gophers.

The Gophers open their outdoor season on March 29 at the Rice Invitational in Houston, Texas. They then come home to host the Minnesota Invitational on April 5 before going on the road for four weekend meets, including the Wisconsin Open (Madison, Wisc.) on April 10 and the Drake Relays (Des Moines, Ia.) on April 26. Minnesota finally returns home to host another Minnesota Invitational on May 10. The Big Ten Championships are slated for May 23 in Madison, Wisc. and the NCAA Outdoor National Championships are June 7 in Indianapolis, Indiana.

**Head Coach  
Gary Wilson**

After building a Division III powerhouse at the University of Wisconsin-LaCrosse, Gary Wilson comes to Minnesota this season as the new head coach of both the Gopher cross country and track and field teams. Wilson brings a winning tradition to Minnesota, as he coached the UW-LaCrosse women's teams to three consecutive national track and field championships and one national cross country championship.

Wilson coached the UW-LaCrosse women's cross country team for eight years, from 1977-1984. He produced 10 All-Americans during that period and won the the NCAA Division III cross country team championship in 1983. UW-LaCrosse was the Division III runner-up in 1982 and 1984, and the school finished in the top five at the cross country nationals in six of Wilson's eight seasons.

In Wilson's four seasons as head coach of the UW-LaCrosse women's track and field team, the school won three national titles and finished third once. UW-LaCrosse captured the AIAW Division III Outdoor Track and Field Championship in 1982, and the NCAA Division III Outdoor Track and Field Championships in 1983 and 1984. Wilson coached 33 track and field All-Americans in just four seasons, including 14 All-Americans on the 1985 UW-LaCrosse squad that placed third at nationals. Along with coaching the UW-LaCrosse women's teams, Wilson was the head coach of the school's men's track and field team for seven seasons between 1976-1983, producing 25 NAIA All-Americans.

Wilson was named the NCAA Division III Coach-of-the-Year in 1983 and 1984, and as a Runners World all-star coach in 1984. He has served as a member of The Athletics Congress (TAC) Coaching Certification Committee, and as a member of the AIAW national and regional cross country committees. Wilson also has operated several successful runner's camps and coaching clinics, and he has written numerous articles for publication on the subject of coaching.

Prior to coaching at UW-LaCrosse, Wilson was an assistant men's track and field coach at Westchester State College in Pennsylvania in 1975. He also served as the athletic director and chairman of the the physical education department at Hannibal Central High School in upstate New York in 1973-74. While at Hannibal, Wilson also coached boys' cross country, basketball and track and field from 1968-1974.

Originally from Lyndonville, New York, Wilson received his B.S. (1968) and M.S. (1974) degrees in physical education from the State University of New York at Cortland. Wilson competed in cross country, and indoor and outdoor track while an undergraduate -- and captained all three teams as a senior -- at Cortland State. Gary and his wife, Suzy, have three children: Ben, 5, Laura, 3, and Adam, 6 months.

**Assistant Coaches  
Lynne Anderson**

Coming off one of her most successful coaching seasons, throwing coach Lynne Anderson returns as a Minnesota track and field assistant for her sixth year. Anderson helped Minnesota pick up its first All-American honor in the throws last season when her pupil, Becky Fettig, finished eighth at the NCAA Outdoor Championships. Under Anderson's guidance, Fettig also won the discus at the Big Ten Championships (for the second time in three years) and at the Drake Relays.

Anderson is an Olympian in her own right, as a member of the 1976 and 1980 U.S. Olympic teams. The Eugene, Oregon native formerly held the American discus record and threw collegiately for the University of Oregon. Her husband, Colin, was also a member of the 1980 U.S. Olympic team following an outstanding career at the University of Minnesota.

## Lisa Boxwell

Former Gopher Lisa (Hansen) Boxwell, who works with the hurdlers, begins her fourth season as a track assistant at Minnesota. Boxwell was a key to the Gophers' success in the hurdles at the Big Ten Outdoor Championships last spring -- Minnesota placed three runners in the top seven of the 400 meter hurdles and two in the top seven of the 100 meter hurdles.

Boxwell spent three years (1979-81) with the Minnesota track squad under her maiden name, Lisa Hansen. She set school records in three events -- the 60 yard hurdles, the 60 meter hurdles and the 100 meter hurdles. Boxwell competed in the 60 meter hurdles at the AIAW National Indoor Championships in 1981 and scored points at the Big Ten Championships in the 60 and 100 meter hurdles in 1981.

## Kirk Elias

Kirk Elias joins the Gopher track and field coaching staff this season as an assistant under first-year coach Gary Wilson. Elias, who has extensive coaching experience in Minnesota and Wisconsin, will work with the sprinters and the jumpers.

Elias was the head women's cross country and track and field coach at the University of Wisconsin-Eau Claire from 1981-83. Both years, his track and field and cross country teams placed in the top ten at small college nationals. Elias coached a total of 14 All-Americans at UW-Eau Claire.

Most recently, Elias has been the head coach of the Minneapolis-based Club Sota men's and women's running clubs since April 1984. Elias also was the head coach for the girls' track and field team at Armstrong High School in Plymouth, and he has served as an assistant coach at the College of St. Thomas in St. Paul.

## Vanessa Seljeskog

Minnesota-native Venessa Seljeskog joins Gary Wilson this fall as an assistant coach to the Gophers' cross country team. She also will serve as an assistant coach to the track and field team.

Seljeskog comes to Minnesota with a strong coaching background. Most recently, she was a track and cross country assistant at the University of California-Berkeley. Prior to that, she was the head coach of the girls' track and field team at Park Center High School in Brooklyn Park.

Seljeskog was a three-time Minneapolis City Champion in the 880 yard run from 1972-74 while at Minneapolis Washburn High School. She attended Arizona State University briefly, before running track at St. Olaf College in Northfield. She graduated from St. Olaf in 1978 and earned master's degrees from St. Thomas College in St. Paul in 1983 and from the University of Minnesota in June 1985.
