GIVING GOOD INTENTIONS DEFINITENESS

The Buck Private's job, as outlined by the University "Y," gives the "Better Minnesota" movement a definiteness and concreteness which it has long lacked. The following are hunches that could well be followed, not only by "Y" men, but by every Minnesotan who prides himself on being a "Better-Minnesota" man. In the past those who have worked for a "Better Minnesota" have had nothing tangible in mind except "Keep off the grass" and "Don't smoke on the old campus." "Better Minnesota" means more than that. It is no negative thing, but a constructive program. A better Minnesota and better Minnesota men should be the result of taking an active stand for clean and honest politics. Taking an active stand for clean and honest athletics. Taking an active opposition to gambling on athletics and politics. Taking an active opposition to profanity and smutty story telling in University buildings, on the campus, in fraternity and rooming houses. Taking an active stand for absolute honesty in speech, in financial matters, in examinations and preparations of themes. Cultivation of sense of right and wrong and of courage to stand for the right. Personal observance of regular church attendance. Personal observance of regular and systematic Bible study. Encouragement of church attendance and Bible study by friends and associates in fraternity and rooming houses. Maintenance of a chivalrous attitude toward women. (Careful thought and attention to this will involve decisions as to certain kinds of dancing, spooning, invitations to doubtful shows and restaurants.) Support of the constructive elements and agencies in University life e. g., The Daily, Conventions, traditions, class and college organizations. Contribution to the student work in the foreign field and to the local work of this association. Maintenance of friendly relations with one or more students from other countries. Enlistments for community service, e. g., Americanization, Boys' Club leadership, Scout troops, Big Brother work, etc. Members of the Minnesota Daily editorial staff get their jobs on a competitive basis. Reporters are moved up and down the staff at stated intervals as their work on the Daily warrants. Staff seniority is disregarded and the persons who are doing the work are ranked without regard to their class numerals.

THE CHICAGO PLAN
 In a recent issue of the University of Chicago Daily, a plan was proposed whereby greater friendliness would be brought about among members of the student body. The idea is so simple that it is queer that we have not used it here in Minnesota in the years past. It is proposed that every member of a class consider himself introduced to every other member of that class. With the exception of the formal introduction they are, for the members of a class know the names of their classmates, they listen to an expression of their ideas, they are all perplexed by the same problems, in fact,

The Editorial Circuit

have many things in common, and yet in many cases do not speak to each other when they meet on the campus.
 A cheery "Hello" brightens the walk between classes, a companion as you walk downtown or back will make the walk shorter, and perhaps the actual discussion of the points brought out in the classrooms will be beneficial from a scholastic standpoint.
 Let's all try to speak to all our classmates today to see if it won't make the day a little brighter for us and perhaps cheer up someone that needs a little brotherly sympathy.
 Judging from the accustomed mode of travel that college men adopt when they "follow the team," Iowa City barbers will probably be mixing coal dust and massage cream next week—Daily Iowan.

The Editorial Circuit

Some people entertain thoughts when they should give a reception.
 We are afraid the nations at the disarmament conference will follow the example of the man who decided to quit wearing an overcoat and put on a wool undershirt the next day—Ohio State Lantern.

Minnesota 20 Years Ago

Organization of a local branch of the Intercollegiate Prohibition Association was attempted by the national president of the society. The purpose of the club is "to promote broad study of the questions relating to the liquor traffic."
 On the gridiron covered with ice and snow, the Minnesota squad defeated the Haskell Indian college, 28 to 0. Michigan defeated the Carlisle Indian school, 22 to 0. Jane Addams, of Hull House, lectured on "Tolstoi and His Social Theories."
 Opsahl's photographs spoke for themselves. The Phi Gams gave an informal dance.

BASKET BALL

"Basketball enthusiasts are beginning to talk over prospects for the coming year. Men who intend to try out for the team have begun active training preparatory to the hard work before them. For two years Minnesota has held the Western college championship in this branch of athletics.
 Among those which the home team will meet this year is the strong team from Yale University. Yale is negotiating for a game to be played in Minneapolis early in the winter."

DENTAL COLLEGE

"When the Medical department of the University of Minnesota was founded in 1888, the college of Dentistry was one of the four colleges in the department. Enrollment this year is 107. The entrance requirements are higher than those of any other college in the United States. Diplomas from first grade high schools only are accepted, while Chicago requires only a grammar school education."

The University of Minnesota OFFICIAL STUDENT BULLETIN

VOL. I WEDNESDAY, NOVEMBER 2, 1921 NO. 26

The Official Student Bulletin, run in each issue, is designed to provide for the student body a universal bulletin board. Leaders of campus organizations are sponsoring the plan, and will hold members of their organization responsible for all notices published in the Official Student Bulletin, further notice being considered unnecessary.
 Copy for the Official Student Bulletin must be brought to the Minnesota Daily office not later than 5:00 o'clock on the day preceding the date of publication.
The Minnesota Dames—The Minnesota Dames will meet Thursday, Nov. 3, at 2:30 p. m. in the assembly room of Shevlin hall. All students' wives are cordially invited to attend.
Mortar and Ball—The regular meeting of Mortar and Ball will be held Wednesday noon in room 206 of the Union.
Scribblers' Club—The Scribblers' club will meet Thursday, Nov. 3, in the Fireplace room of the Union at 7:30 p. m. Visitors welcome.

Notice to Women Students—Will all students who are partially or totally self-supporting, with the exception of those who secured their positions through this office, kindly send their names to the office of the Dean of Women. State nature and place of employment.—JESSIE S. LADD, Dean.
Spanish Club—El Centro Espanol will hold a meeting at 7:45 Wednesday evening in the reception room of the Minnesota Union. A chalk talk by Mr. Montgomery, a lecture by Senor Torres Riosoco on South American life and customs, Spanish music and refreshments will make up the program.
Ski Club—Coach Roemer announces that the Gopher Ski club will hold a meeting Wednesday, Nov. 2, in the band room of the Armory at 5:00 p. m. All men interested are requested to be there on time.
Freshman Meeting—Freshmen! All out Friday at 12:15 in the Little Theater to decide on the Homecoming bag rush with the soph. It is imperative that every freshman be present.—FRANKLIN D. GRAY, President.
 Are you married? If so, tell your wife to come to the meeting of the Minnesota Dames, an organization of wives of University students, which will be held in Shevlin hall at 2:30 p. m. Thursday afternoon. A program is being arranged for and a business meeting will be held.
 There have been various rumors. Rolly Williams, the Badger quarterback, kept the stands in a continual uproar with his spectacular runs down the muddy field. In the last quarter when Gopher fans were prying that the Cardinals had chalked up their last score, Captain Sundt, Badger back, intercepted a forward and ran from his 45-yard line for a final touchdown.

POWERS 20th ANNIVERSARY SALE

These Beautiful Winter Coats With Trimmings of Genuine Furs are the Talk of the Anniversary Sale \$73.00

It's quite right they should be, for never before have we shown such combinations of beautiful material, genuine furs and excellent workmanship through and through, for so small a price, —at least not this early in the season.
 Late reports from the east announce the third advance in fur prices since we bought these coats—so that you could hardly buy the fur collars alone for the price of the whole coat—and it would be simply impossible for us to duplicate them today to sell at \$73.00.
 The yare of marvella, pollyanna, pavelaine, and normandy—in soft browns, navy, black, beaver and Sorrento. Genuine furs make the collars, such as fox, wolf, beaver or squirrel. Linings are among the best guaranteed silks to be had. All are interlined.
 Sizes for misses and women. Coat Section—Second Floor

Dresses at \$22.50

Canton crepes, Roshanara crepes, crepe back satins and lovely fine tricotines in such an assortment of styles for all types of figures, one can scarcely choose the loveliest. They are wonderful dresses for a very small price.
 Dress Section—Second Floor.

The Gail Speaks the Truth

(We saw her)
 I'm quite a stalwart maiden,
 I'm not afraid of much.
 At least not storms and cyclones,
 Or burglars or such.
 A rain storm doesn't phase me,
 A blizzard, I think fun,
 A fire fifteen feet away.
 Would never make me run,
 A dark, still street at midnight,
 No horrors holds for me.
 I'm known for lots of courage,
 And my complacency.
 But gee, I gotta tell ya,
 Today I had my fall,
 I saw a mouse in Folwell,
 Right near me,
 In the hall, ye gods!!!!!! Shaky.

Dr. Gada, who is a medical authority and editor in Norway has been connected for years with the University of Christiania, and is especially interested in the exchange of students and professors in American and Norwegian institutions.

Scroll and Key society, of the University, entertained all Jewish girls on the campus at a Hallowe'en tea on Monday afternoon in Shevlin hall from 4:00 to 6:00 p. m.

Phi Upsilon Omicron.
Alpha chapter of Phi Upsilon Omicron, national honorary Economics sorority, will entertain its alumni at an annual banquet given in the Andrews hotel, Minneapolis, on Friday evening, Nov. 4.

Seventy-five members are expected to attend the affair, given every year during M. E. A. and Homecoming. With Florence Hastedt as toast-mistress, Miss Nola Treat, assistant professor of institutional management in the Home Economics department, will speak as an honorary member; Dr. Frances Ford, of the Mayo clinic, and Miss Ruth Snell, of the Home Economics department of the St. Paul high schools, for the alumni; and Lucille Grondahl for the active chapter.

The sorority, first organized at Minnesota in 1912, now has chapters in the Universities of Montana, Idaho, North Dakota, Ohio, Ohio State, Kansas, and Wyoming, with a projected chapter at the University of Kentucky applying for admission. Elections are made from the upper two-fifths of each class on the basis of scholarship and leadership.

Kappa Kappa Lambda.
Ten charter members of the Lutheran society met last night to organize Kappa Kappa Lambda. The purpose of this organization is to foster friendliness among the Lutheran girls. This organization will consist of about 20 members. Plans are being made for a party next week.

Scribblers.
Scribblers' meeting, scheduled for Thursday, Nov. 3, will be postponed until Nov. 17.

Chicago, Nov. 1.—The general public is going to stand a slim chance to see the battle between the University of Chicago and Ohio State university on Stagg field Saturday. With every possible nook of the field filled with seats, it is figured that nearly 30,000 can be accommodated by crowding around the sidelines, and over 25,000 tickets already have been sold.

Nutrition Experts Meet on Ag Campus

Central States Send Representatives to Gathering.

State Extension Specialists in Nutrition from the central states section are meeting this week on the Agricultural campus. Among the representatives from twelve states present are several experts of note. Miss Florence Ward, Miss Miriam Birds-eye, and Miss Alice Harris of Washington, D. C., will address the conference. Minnesota is represented on the program by Miss Julia Newton, chief of extension work for women; Miss Mildred Weigley, chief of the division of Home Economics and Mr. F. W. Peck, director of agricultural extension.

The purpose of the conference is to organize the work more closely, and to discuss the subject matter of the field. The University of Minnesota was chosen as the place for the conference because of the importance put on nutrition by its various departments. Among the speakers will be Dr. Katherine Blunt, of the University of Chicago, long recognized as an authority in nutritional research; Dr. Caroline Hedger from the Elizabeth McCormick Memorial Fund of Chicago; Mrs. Louise Campbell, home demonstration leader in Michigan.

Cadets Will Wear New Drill Service Stripes

Service stripes for drill students were elected by the cadets at elections in the various companies of the R. O. T. C. yesterday. The maroon and gold "M" and the gold star worn last year will also be worn this year. A blue stripe for every year of R. O. T. C. work completed may be worn on the left sleeve. A stripe may also be worn for each summer's work at a camp. The gold star will be worn on the left sleeve, in the same position as before.

Frosh Meet to Frame Interclass Bag Rush

In a meeting at noon yesterday in the Little Theatre, academic freshmen decided to take part in the interclass bag rush to be staged next Saturday. Several men volunteered their services, but because of the small attendance it was decided to hold another meeting at noon Friday to choose members of the team.

Sigma Beta Will Hear Business Talk Nov. 3

Sigma Beta Gamma, women's business organization, will meet Thursday at 7 p. m. in room 102, School of Business, at which time W. D. Wigent, manager of the Gregg Publishing Co., will speak on "Opportunities for the College Graduate in Commercial Teaching in High Schools." Supper will be served at 5:45 p. m. All those wishing to attend will please notify Beatrice Skok, P. O. 541 in the private dining room at Shevlin.

Spanish Club Plans Future Activities

El Centro Espanol will very shortly launch a beauty contest, which will be followed in rapid succession by a carnival, Spanish plays and skits, and several dances.

At the regular meetings addresses will be given by members from Spain, Chile, Porto Rico, and Mexico. Prizes will be offered for essays and short stories dealing with the Romance countries.

Medic Social Service Workers Visit Clinics

Students enrolled in the recently established Medical Social Service course are showing an unusual interest in the work, according to Dr. Catherine Brannick, who is giving the course.

The purpose of the course is to emphasize the close relationship existing between social and medical work. Work in the course is made attractive and practical by field practice in the public hospitals and clinics of Minneapolis.

Rioseco to Speak at Espanol Club Tonight

Senor Terres Rioseco will speak to El Centro Espanol, tonight at 8:00 p. m. in the reception room of the Minnesota Union, on South American manners and customs. Senor Rioseco is a native of Chile and as such will be able to explain with authority and vividness what those manners and customs are.

Michigan Install New Radio Set

Michigan comes in loud by radio now, following the installation of a new set. It is a great improvement and our station had very little difficulty last Saturday in receiving reports on the football game.

Although previously planned to place it in a sub-basement and drop a vertical antenna, this idea has been abandoned due to the desire of the signal corps outfit to be nearby. The old location in the engineering building is being used. Just now efforts are being made to adjust the apparatus, and within a short time 9XM should be operating without a hitch. The 1 to 15 kilowatt installation will probably be discarded for a low power spark transmitter and a continuous wave set. Some licensed first class commercial operators have been secured by the University to handle the set.

Following the fashion of the Minnesota-Indiana game, tin palms were passed between halves for the construction of a memorial building. The girl "W" winners, clad in Cardinal caps and big white sweaters, solicited the money, proclaiming on large banners, "We are for the Memorial Union." There were the usual between half stunts, headlining a duel between Minnesota and Wisconsin knights for the capture of the Cardinal castle and its fair Badger occupant.

Race Starts at 11:00.

Eleven o'clock Saturday is scheduled as the start of the Hawkeye-Gopher meet. The five-mile course begins in front of the Armory at Church and University, and thence goes through the campus by way of the medical buildings and out on the River Road to the city limits. The return will be made over Harvard street bridge, past the Armory again to the N. P. tracks, around Shevlin hall, past the Library, and the finish will be across the Parade grounds, terminating at the monument.

GOPHER SPORTS

McCreery to Play Against Iowans

GOPHER SQUAD PREPARED TO GIVE HAWKEYES HARD BATTLE

Grose Will Probably Play at Halfback with Martineau as His Running Mate—Brown to Be at Pilot Job in Saturday's Contest

FIGHTING FULLBACK STAR OF BADGER GAME, RELEASED FROM HEALTH SERVICE YESTERDAY

Devine and Locke, Hawkeye Stars, Are to Be Feared by Gopher Linemen—Belding, All-Western End, Will Also Be in Iowa Line-up

By Leon Luscher
According to the latest advices from the University health service and from attending physicians, Otis McCreery will be able to play against Iowa Saturday. This news coming on top of reports that "Mac's" condition was such that he would be unable to play will be welcomed by Gopher followers and gives a decided boost to Gopher stock in the coming contest.

Otis' injury, almost an exact duplicate of Arnie Oss' twisted knee, was thought at first to be so serious that he would be unable to wear the Maroon and Gold again this year. It healed more quickly than was expected and should it continue to mend as rapidly as it has so far he will be in there battering the Iowans as he did the Badgers. McCreery left the hospital yesterday noon, and expects to be playing before the end of the week.

Gilstad Will Play
This will mean that the Gophers will present a decidedly stronger backfield to the Hawkeyes than was first thought possible. With McCreery and Gilstad both available, the fullback job appears to be well taken care of. Gilstad, although still suffering from his injured hip, is able to put up a real game of football for a while until the injured member gives out and Mac insists that he is able to go the rest of the way at top speed.

It is expected that Fred Grose will be in at half back in place of Bailey provided his hand permits. Bailey's work in the Wisconsin game was not entirely satisfactory. Grose is the shiffter of the two men and also puts up a better defensive game. Grose will be remembered for his splendid showing against Indiana.

Brown, although still bothered with his injured hip will be able to start at quarterback, and Earl Martineau, sterling Gopher half will be back at his old position at right half. This will mean that the backfield that faces Iowa will be, Gilstad and McCreery, fullback; Brown, quarterback; and Martineau and Grose at the halves.

Larkin Shifted to End
Another change that has been found necessary is at right end. This position has been bothering all year and it is still far from what it should be. In all probability George Larkin, who has been alternating with Trig Johnson at right tackle will get the call. If Larkin is taken over from tackle and Trig is not in fit condition to play, Copeland will in all probability start at the vacant tackle.

Larkin is not entirely new at the end position. He held down the wing his freshman year on the S. A. T. C. team and all who saw "Birdie" play against the Municipal Pier team are satisfied that he will be able to fill the gap at right end as it should be filled. With Cole and Larkin at the ends, it would seem that the outposts were well taken care of.

Rest of Line Same
Toberg, Tierney, McLauri and Aas will remain at their old positions. All came through the Wisconsin game in tip-top shape and are rarin' to get at the Hawkeyes. Tierney, after his splendid showing at Madison will be watched especially close in regard to a position on the All-Conference eleven.

To stop Devine and Locke, to camp on the heel of Belding, All-Western end, and to break through a veteran forward wall, is the mammoth job the Gophers have mapped out for them next Saturday. Coach Jones will arrive in Minneapolis Thursday with a large squad, confident with his clean 1921 record that he will be able to make it four straight over the Gophers. It was a team generally conceded to be the strongest in the Conference until Wisconsin started tearing things up. If Iowa is to be defeated this year, it appears that Minnesota is the team that has to do it.

HARRIERS WILL HOLD BANQUETS NOVEMBER 15

Team to Leave for Bloomington Indiana November 16 for Conference Meet

SQUAD LIMBERS UP IN LONG HIKE

All Men Are Eligible for Coming Meet With the Hawkeyes Saturday Morn
The track and cross-country squads will have a get-together dinner at the Minnesota Union Tuesday evening, Nov. 15, at 6:30 p. m., when members and their friends will meet for a general good time. Incidentally the affair will be in the line of a farewell reception for the boys who will leave the following day for Bloomington to take part in the conference cross-country meet at Indiana University.

The dinner will be on the same informal basis as the one held a short time ago, and various members of the squads and others will speak on pertinent subjects. To avoid the confusion resulting at the last meeting, those who wish to attend, are requested to hand their names to Merle Sweitzer, captain of the cross-country squad by Monday.

A long hike was taken by the cross-country squad yesterday afternoon to get the kinks out of their legs and warm up after several days of inactivity. Another hike will be in order this afternoon, and before Saturday the hares will be in their pink and aching to get at the Hawkeyes who will run against the Gophers on the morning of Homecoming in what promises to be the superlative of thrilling cross-country sprinting.

Squad Members are Eligible
Coach Leonard Frank said that the boys are all eligible for the contest and that no difficulties need be looked for from that quarter. This leaves the track clear for earnest preparation for Iowa and if work and fight at 11 o'clock Saturday will avail, the Gophers will without doubt emerge victorious in a hard fought race.

practice schedule, leaving the eleven only half an hour of daylight work before it is necessary to turn on the calcium globes.

All of the cripples who were kept out of the easy tilt with Colorado Saturday were in uniform and able to run through signals and it is hoped they will be in shape for the important game with the Buckeyes. King, center, Hurlbert, halfback, and Thomas, fullback, were all greatly improved after a rest over the week-end.

The Buckeyes are feared more than any other team on the Maroon schedule for the Wilce forward passing has done a lot of deadly work in past seasons, after the Buckeyes seemed beaten.

NORTHWESTERN.
Chicago, Nov. 1.—Coach McDewitt ran his Purple squad through a light signal practice yesterday afternoon, perfecting the team in the plays which worked so successfully against DePauw and which the Purple probably will use when it meets Purdue at LaFayette Saturday.

The Northwestern mentor had considerable trouble at the beginning of the season in finding a man for the quarterback position, but he now has two capable pilots on his squad. Blumenthal won his spurs in the Minnesota game and he is considered the regular quarter.

Hombe, one of the late recruits from the downtown schools, proved himself an able general last Saturday. He is a speedy open field runner and a strong defensive player. He was injured in the DePauw game, but it is expected he will be able to play against the Boilermakers.

INDIANA.
Bloomington, Ind., Nov. 1.—Indiana practice was omitted yesterday on account of the wet condition of the field, but work will start in earnest tomorrow for the Iowa game. Every man came out of the Notre Dame contest in good shape except Right End Frank Hanney, who had his fractured shoulder re-injured, and Center Cox, who has a badly sprained ankle. Neither will be in the lineup this week.

OHIO STATE.
Columbus, Ohio, Nov. 1.—Coach

Grapplers to Start at Mat Work Today

Coach Gilman will meet a' those who are interested in wrestling at the wrestling room in the Armory at 5:00 today. Gilman urges that all aspirants for the team get out early, as early training is the thing that counts. Many men are out now and it is expected that there will be a large squad trying out for the team. Wrestling is coming to be one of the larger sports at Minnesota and like former years the team will again take several trips this season.

COOKE ELATED OVER PROSPECT FOR CRACK TEAM

Becker and Gross Will Probably Hold Down Berths on Varsity, Quint This Coming

Farcy Expected to Make Con-Year. Claydon, Former Shattuck Captain Is Also Showing Well in Scramble For Places on Gopher Squad.

Doc Cooke was well pleased with last night's basketball practice. The men are becoming used to the floor and the forwards are beginning to find the basket with regularity.

Now men are coming out daily, and the uncertainty of who will comprise the first squad is making the men work at top speed. Captain Kearney seems to be the only one sure of his position and it is doubtful whether the opening of the season will find him at his old position of running guard. The other letter men back this year are Hultgren and Forsell and they will have to show rare form in order to keep their places on the team.

Becker Shows Well.
Becker, center candidate, is showing up well in practice and if he manages to keep eligible will make himself heard before the season is very far advanced. Claydon comes from Shattuck with the reputation of being a dead shot. He was captain of the Shattuck team in 1919. Louis Gross is still holding down the starting

Swimming Places Hotly Contested

Farcy Expected to Make Conference Honors in Breast Stroke This Season

"Swimming is in its infancy at Minnesota and like any other infant, needs support," said coach Thorpe yesterday. "The students who know how to swim but do not are luke warm, not 100 per cent loyal to Minnesota. Knowing and doing are closely allied. A knower who is not a doer is not a loyal student."

Among the new candidates for the varsity team are some men of great promise. Farcy who has done the hundred breast stroke within two seconds of the world's record, is expected to hang up a new conference record this year. For the back stroke Collins and Ham are in the running for a place. The forty and relay will be the most hotly contested places of all, since there are fully six men who can do the forty in 20 flat, candidates for a single vacancy left by the graduation of Ray Swanson.

Hockey Men Will Play at Madison

Attempts are being made to schedule a series of hockey games with Wisconsin. Plans are for two games to be played at Madison, and two games to be played here. The first game is to come after the Christmas holidays.

Hockey enthusiasts, while at Madison Saturday, tried to make arrangements for the contests. Nothing, however, was definitely decided.

Hockey as a major sport in university athletics is the hope of several of the puck-chasers. It is hoped that a meeting of the Athletic Board will be held and the question formally decided sometime within the next two weeks.

Wilce sent the Ohio State team through a stiff signal drill and scrimmage for the start of the last week of the drive for the Chicago game. The practice was devoted mainly to forward passing and kicking. The freshmen, using Chicago formations and plays, drove through the varsity line. Blair was inserted in the backfield and it is probable he will start Saturday. He took Taylor's half, Taylor being moved to fullback and Honaker taking the sidelines.

MICHIGAN.
Ann Arbor, Mich., Nov. 1.—Fresh from the victory over Illinois on Saturday, the Michigan football squad was sent through only the lightest of exercise yesterday afternoon. All of the men came through the scrap in fine shape with the exception of Roby who tore a ligament in his knee. Roby expects to return to the squad before the end of the week. As Michigan is idle next Saturday, Coach Yost has two weeks in which to prime his Wolverine eleven for the Wisconsin game on Nov. 12. Arc lights have been installed around Ferry field which will permit Yost to drill his team after darkness.

THE H. & B. PORE CLEANSER IS A NEW SCIENTIFIC AID TO A CLEAR COMPLEXION
ARE you embarrassed by having coarse pores, blackheads and an oily skin? IF SO—
Price, \$3.50
Don't hide a poor complexion. Overcome the defects. The resort to cosmetics to cover up complexion defects is a hopeless task. One of the best assets that a person can have is a beautiful skin and complexion. It is easy to have this if one will only spend a little time using the H. & B. Pore Cleanser. Formation of secretion in the pores is natural and if the black specks and foreign deposits that accumulate are not properly removed, in time they become chronic and form into blackheads and other blemishes. If a blackhead is removed by squeezing it will not only cause a red blotch but destructs other pores causing blemishes to appear.
