HANDSOME TAGGERS SEEK GOPHER SUBSCRIPTIONS

One Hundred Attractive Juniors Conduct Campaign to Swell Class Book Circulation.

Edgar Zelle and Marion Schaller Direct Operations—Subscribers adorned with Red Tickets.

Fifty fascinating junior girls, and as many irresistible junior men will today conduct a whirlwind campaign for subscriptions to their class book, the 1913 Gopher. They will be stationed in the post office and the principal university buildings, and will tag all subscribers to the junior annual with a brilliant red ticket.

The force of taggers will begin operations at eight o'clock this morning and the work will close with a general onslaught upon the noon-hour crowds after chapel. Edgar Zelle, business manager of the Gopher, is directing the campaign, assisted by Marion Schaller. An extra force of employees was yesterday engaged at the Index Press to get the thousands of tags ready in time, and the whole university mail service was yesterday demoralized by the flood of communications thrown into the hands of Postmaster Poucher relative to the conduct of the work.

The Gopher will go to press early in March, and according to Bill Hodson the managing editor, will be out in time, the first of May. All students approached will be asked simply to sign for the book, and no collections will be made until the time of delivery.

The following members of the Junior class will solicit subscriptions today:

H. J. Linstrom, Art Erdahl, J. J. Lautell, Ray Brown, H. V. Villars, Henry J. Burgstahler, J. Stadig, O. S. Owen, A. R. Shiely, F. L. Boutell, L. McHugh, H. Matchett, Carl W. Smith, Donald Gilbert, S. Bolstad, C. Harlow Pratt, Will Anderson, Harry Warner, Carroll Nelson, Oscar Hauge, C. D. Shaughnessy, Loy Mollumby, John Jenswold, L. F. Fagerstrom, Clinton Rhenke, Cecil Jones, Henry Doernann, Frank Quinn, Mary King, Lillian Nippert, Charlotte Stockwell, Louise Jones, Kate Martin, Eunice McGilvra, Mary Kolars, Mary Frazer, Anne Ferguson, Ruth Hanson, Freda Rice, Margaret Nachtrieb, Eugenia Enches, Alice Allen, Corrinne Bliss, Helen Cates, Martica Byrnes, Mary Bryant, Rosalie Wien, Dorothy Brown, Winnifred Tussell, Marian Greaves, Doris Curtis, Lucia Lauritzen.

Senior Committee Appointments.

Marc Frazer, president of the senior class has appointed the following committee to take charge of the senior basketball team in the girl's all-university tournament which takes place early in March, Truma Brockway, Lester Door, Ingvald Jessness, Helena Fitzsimmons, and Ruby Kneebone. Grace Gansle was appointed chairman of the picture committee.

BLUE SLIPS SENT OUT.

Academic College Leads in Flunks and Cons.

More blue slips were sent out to the students of the Academic college this year than to all the other colleges combined. The number of incompletes was unusually small, being but 292. The conditions and failures about balanced each other. There were 592 "cons" and 549 "flunks." These figures were given out by Registrar Pierce yesterday.

If one slip were given to each student in the Academic school, there would be enough to go around, and a few left over. These notices, however, were distributed among only 612 students, so that the average was about two and one-half to each. This number of failures and conditions is about on an average with that of preceding semesters, and the number dismissed from the university on account of delinquency will not be greater than that of former years.

OLD PSALMS TO BE SUNG

Woman's League to Portray Ancient Service By Songs and Costumes.

The concert which the Women's League has planned to give March first in chapel will be in the form of an old-fashioned psalm service. Not only will the quaint costumes of the singers carry out the idea of the eighteenth century but also the songs which they will sing. The suggestion will be still further seen in the Priscilla costumes of the ushers. The talent will represent the best around college. Those who take part will be Mildred Langtry, Miles McNally, Mildred Borom, Mildred Loomis, Wilma Reed, Harold Van Duzee, and a chorus composed of twenty girls and ten boys. The program, which is in two parts, will include nine numbers each.

The program is in charge of Kate Martin, Alice Colter and Valeria Ladd. The tickets will be twenty-five cents.

SECOND SUNLIGHT DANCE.

Womans League Plans Another Party in Early Spring.

At the meeting of the council of the Woman's League held yesterday noon it was decided to have a Sunlight Dance in the early spring, and another party of a different nature in April. The League's parties have always been a great success and it is hoped that the girls who have not joined and those who have not paid their dues will do so at once, so that they may enjoy the entertainments.

The chairman of the membership committee, in her report, stated that a number of girls who have joined the League have not paid their dues. It was arranged that dues could be paid in Miss Comstock's office between eleven and twelve o'clock every day this week except Saturday, and to Louise Sumner, the chairman of the committee.

RELIEF MAP FOR UNIVERSITY

Gift of Great Northern Added to Geology Museum.

The University was recently given a clay model relief map of Glacier National Park, Uncle Sam's new playground in northwestern Montana, by the Great Northern Railway. The map is drawn to a scale and covers an area of about sixty by forty-eight miles and an altitude of three to four miles. It is now on exhibition in the Library reading room where it can be seen by all students.

After it has been on exhibition there for a short time, it will be turned over to the Geology department.

Former President Choice of Majority of 1037 Voters in Election Yesterday.

ELECTION FEATURED BY EQUAL SUFFRAGE.

Wilson and LaFollette Tied for Second With President Taft in Fourth Place.

Colonel Theodore Roosevelt was the leading choice of the students of the university for the next president of the United States in the straw vote taken yesterday under the auspices of the Good Government club. Woodrow Wilson and Robert La Follette were tied for second place. President Taft received 181 votes, running fourth in the race.

Students to the number of 1037 registered their votes for first and second choice for president at the polls in the various colleges from 7:45 a. m. to 3:30 p. m. The returns from the night law students had not been learned at a late hour last night.

A feature of the election was the equal suffrage which prevailed. The women of the university availed themselves of the opportunity to vote by casting 192 ballots, Mr. Roosevelt, and Mr. Wilson being their first and second choice respectively.

The tabulated results of the straw vote are as follows:

Men's ballots	1st	2nd
Roosevelt	258	164
La Follette	175	188
Wilson	159	189
Taft	105	159
Bryan	59	62
Harmon	13	5
Debs	20	10
Totals	789	777
Women's Ballots.	1st	2nd
Roosevelt	60	31
Wilson	50	52
La Follette	34	46
Taft	22	15
Bryan	19	14
Harmon	1	0
Debs	1	2
Totals	187	160

In addition to the above figures there were 61 scattering votes not to exceed five for various other candidates. Folk was the second choice of 7, Cummins of 10, Clark 3, Hughes 3, Beveridge 2, and no other received more than two.

Several students yesterday took occasion to signify their recognition of leaders right here on the campus. Among the names of Minnesota people suggested for the presidency were Dr. Northrop, Dean Comstock, Dean Shenehon, Bill Hodson, and Dave West. Some ardent baseball fan voted for Ty Cobb, with Rube Waddell as second choice. Emma Goldman also received one vote.

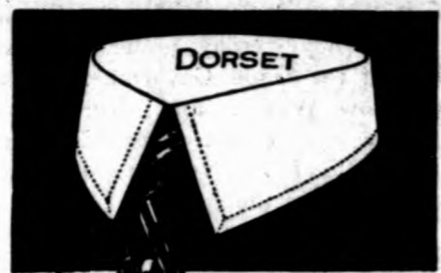

An interesting situation came to light in counting the women's ballots. The name Bryan was spelled Brian, Bryant, Briant, and O'Brien, and La Follette and Roosevelt suffered a worse fate.

THE CHAPEL HABIT.

Many interesting talks and lots of
good music are going to waste at the
chapel assemblies, as far as most of
the students are concerned. Changes
have been made in the system and
fraternity rows have been broken up,
so perhaps many of the older attrac-
tions to chapel goers are lost. But
on the other hand, interesting and
profitable lectures are scheduled with
more regularity and all attractions
have not disappeared.

One of the features of the new
system, is the series of vocational
lectures which have been arranged.
These are interesting in themselves,
and are not limited to those who
wish to follow certain vocations
when they leave school. The men who
have been chosen to give the address-
es are for the most part, important
members of their community and
worth listening to.

It is too bad that the students neg-
lect these lectures as they do. And
there are many other things of in-
terest in the chapel exercises. Chap-
el customs have changed, no doubt,
but the chapel habit is a good one to
have.

TOWLSON WILL SPEAK HERE.

Y. M. C. A. Secretary to Address
Engineer's Society Today.

Mr. Charles R. Towlson of the In-
dustrial department of the Y. M. C.
A. in the state of New York will
deliver a lecture to the Engineer's
Society today at 12 o'clock. The
lecture will be given in the lecture
room of the Physics Building. He is
the secretary of his department in
the state of New York and has a
wide fund of knowledge regarding
the industrial problems of the present
day.

Mr. Towlson comes to Minnesota
on his trip home from a tour of the
lumbering and mining camps of
northern Michigan, Wisconsin, and
Minnesota. The subject of his lec-
ture will be "The Engineer and the
Industrial Problem." At 6 o'clock
Mr. Towlson will meet a number of
the engineers around the supper-
table in the Y. M. C. A. rooms where
he will further discuss the subject.
Later in the evening at 7:00 o'clock,
he will address the regular meeting
of the Y. M. C. A. using for his
subject, "The Industrial Problems of
Today."

The University of Washington is
planning to send a baseball team to
Japan next summer.

If you want to know how to make all your next year's expenses in college by working three months in the summer time, see H. L. Baldwin from three to six every afternoon at Burgans Real estate office, 1325 Fourth st. S. E., both phones, or call up the Baldwin Publishing company down town office, Center 3111, and make an appointment.

We believe that there was no student of the University of Minn. last summer who worked three months at any kind of work that made as much money as Mr. Bruder, Mr. Zelle, Mr. Francis, Mr. Sheppard, Mr. Utne or any one of a dozen men who sold Our National Government from the U. of Minn. last summer.

This summer is campaign year and we expect the largest sales on this book ever made. A special car of students from the U. of Minn., will leave here commencement week for points in Iowa and Illinois and if you want field with this bunch all Minnesota men, you should not wait but apply at once. Mr. Utne and Mr. Zelle already have field in Illinois and the last seasons men are applying for good fields now. Do not delay if you want to go with this car of students. Dr. Northrop says, "Our National Government is a book worth buying."

California—A big track massmeeting was held Saturday at which Coach Christie predicted a championship team for the Berkeley institution. Hard training is planned to begin this week, as the season is several weeks shorter than last year.

GOPHERS LOOK FOR VICTORY

With Wanless in Game Quint Expects to go up a Peg Thursday Night.

	W	L	P	C
Wisconsin	7	0	1,000	
Purdue	8	0	1,000	
Chicago	4	3	.571	
Minnesota	3	3	.500	
Indiana	1	4	.200	
Illinois	1	6	.143	
Iowa	0	3	.000	
Northwestern	0	5	.000	

Hopes for victory in the game with Chicago, Thursday evening are running high owing to the announcement that Wanless will be in the game. The return of the former guard has boosted Minnesota stock wonderfully. With such substitutes as Johnson and Giltinan, the Gophers should present a strong front in the remaining games.

Chicago after her victory over Indiana, now leads Minnesota by one game. Although the Maroons were handicapped in the early part of the season by a lack of fast material, the team that is coming to Minnesota will be the fastest seen here this year. Coach Page, who has so many times met the Gophers on the athletic field, is coming here with high hopes, and a mighty clever quint.

Chicago will enter this game without their star man, Mollander, who has sustained a sprained ankle which may keep him out of the game the rest of the season. This combined with the return of Wanless should give the Gophers the edge in the contest.

RIFLE TEAM WINS AGAIN.

Varsity Marksmen Defeat Nebraska By High Score.

The Nebraska Rifle team was decisively defeated by the University marksmen in Monday's contest. Minnesota made an aggregate score of 946, a new record for the team, while Nebraska made 961 points, a new record for the Cornhuskers. The feature of the match was the remarkable shooting of the second five, which made a total of 903 points, enough to win easily from the opponents. Iowa at present leads the league race, with the Gophers a close second. Iowa shot 944 in her last match. The Minnesota team will meet St. Thomas college the latter part of the week.

A Committee to Supervise Extension Work Formed—Site for School—Duluth Recommended.

The executive committee of the University held a meeting in the President's Office yesterday and as a result a council committee will be formed to coordinate all extension activities of the University. The committee will recommend the purchase of the Greyson site near Duluth for the new experimental farm and school.

Mr. Edwin H. Hewett, consulting architect for the board will give a series of lectures each year in the engineering college.

POPULAR ART LECTURES.

Miss Clopath's Course May be Given To Public.

Miss Clopath's Art Lecture Course for this semester, has proven unusually popular. Many people outside of the university, have inquired whether the course was open to the public. In view of this public demand, Miss Clopath is considering re-offering the course, which consists of lectures on art subjects.
