**R. O. T. C. District Heads Visiting "U"**

Major C. H. Muller, head of the R. O. T. C. of the Seventh Corps area, with headquarters at Fort Crook, Nebraska, is at the university inspecting Minnesota's R. O. T. C. unit. Every branch of the R. O. T. C., including the instructing personnel, is receiving a general inspection. Major Muller declined to make any comment on the work of the university corps.  
 Major Paul Evans of the office of the Chief Signal Officer, Washington, D. C., is on the campus looking over the university facilities for training a signal corps, and to note the progress of the work in Minnesota's signal unit.

**Members of Faculty to Give First Recital**

The first faculty recital which will be given by Karl Scheurer, violin, and Carlyle Scott, piano, will be given tonight at 8:15 in the Little Theater. The program will be as follows: Sonata, A Minor, Handel; La Folia, Variations Searieuse, Correlli; Sonatina, G Minor, Schubert; Sonata, A Major, Brahms.  
 The faculty and students are invited. No admission will be charged.

**"U" Professor Doing Much Research Work**

Dr. E. L. Newcomb, professor of Pharmacognosy in the College of Pharmacy, is doing a large amount of research work in connection with the revision of the United States Pharmacopoeia as chairman of the sub-committee on Gruffs and Tailings of the Committee of Revision, U. S. P. X. Dr. Newcomb is making ash and solubility determinations of the following drugs: Hydragris, Stramonium, Licorice, Gentian, Columba, Buchu, Cardamon, Agar, Aspidium. Between 50 and 60 determinations are made in the case of each of these drugs.  
 In addition to this important research work, Dr. Newcomb is writing a number of monographs on drugs to be made official in the next pharmacopoeial revision.

**Club Heads Should Leave Address at P.O.**

All societies, organizations, sororities, fraternities are requested to leave the name of their secretary or president at the Post Office window so that any mail can be forwarded to them.

**Barlow to Address Women Journalists**

Prof. Renel Barlow, head of the department of Journalism, will speak on the "Place of Women in Journalism" to the members of Theta Sigma Phi, women's journalistic sorority, at 4:30 this afternoon, in the Jean Martin Brown Room at Shevlin Hall. The alumnae chapter of Theta-Sigma Phi, of which Mrs. W. E. Cushman is president, will be honor guests at the meeting and the speech will follow. Lucille Collins, who handled the publicity for the Palmer campaign, will be among the guests.

**Students Report on Charges of Absence**

Each day several students are reporting to Dean Shumway on charges of unnecessary and prolonged absence from classes. Many of these charges are unfounded as a large number of students have changed their courses without Dean Shumway's knowledge. Students are summoned after one week of consecutive absences.

**Initial Meeting of Tau Shonka Tomorrow**

The initial meeting of Tau Shonka will be held at the Phi Sigma Kappa house tomorrow evening. Officers are to be elected for the ensuing year and plans and objects of the organization are to be discussed. Sophomore fraternity men are again reminded that their presence is requested.

**Artillery Club to be Organized by R.O.T.C.**

Members of the R. O. T. C. who went to Fortress Monroe this summer, will meet at 7:30 Wednesday evening, Nov. 10, in the game room, Minnesota Union, for the purpose of adopting a constitution and election of officers for the proposed Artillery club.

**HOMECOMING DAY PLANS PERFECTED**

(Continued from Page 1)

**Tag Day Contest**

On Tag Day, there will be a contest between all campus organizations to see which can sell the most tags. To the winner a big silver loving cup will be given.  
 "The fraternity or sorority which is of most value to Minnesota is not the one with the most money or the best athletes, or the best scholars, but the one which is capable of working hardest for the school," said Fred Osanna, general chairman of "Better Minnesota" week, yesterday. "The cup will be one that any organization might be proud of, and should be valued as the highest tribute which the school can pay to those who are doing most for her good."

**Pepfest Friday**

On Wednesday, Thursday and Friday big convocations will be held in the Armory, which will be specially decorated in honor of "Better Minnesota" and Homecoming. Following the Friday convocation a pepfest will be conducted by the Rooter club. Dr. Williams will talk and the team will appear. After this a big dance for the alumni will be staged in the armory.

**Parade Saturday Morning**

Saturday morning at 10:30 the biggest parade the university has ever attempted will take place downtown. In the reviewing stand will be Governor Burquist, the mayors of St. Paul and Minneapolis, and President Coffman. All the sororities and fraternities will have floats, the Daily and the Gopher will be represented, the Rooters club led by Bill Freng, and the R. O. T. C. led by the band will take part.

**Enthusiasm Shown**

"The whole university has shown an unbelievable amount of enthusiasm for "Better Minnesota." We ought to put on a revival of Minnesota spirit and traditions that will last until time for the next "Better Minnesota" week," Sheldon F. Reese, business director of the movement, said yesterday.

**Officers Named**

Fred A. Ossana is general chairman of the "Better Minnesota" committee and William A. P. Graham is vice-chairman. Sheldon F. Reese is business director, and Harold E. Briggs has charge of publicity. Women's activities will be directed by Mable Prothers, assisted by Isobel Rising. Bergliot Nissen will have charge of the Women's Self Government association activities. The parade will be managed by Kingsley Day, assisted by Frank Tupa. Dorence Ryerse is chairman for the Tag Day activities, and will be aided by Raymond Tremain. Edward Jager will be in charge of decorations.

**48 Students Taking Journalism Courses**

Forty-eight students are enrolled in the Journalism department this year, compared with 33 students last year. Thirty-four are now taking reporting, nine editing, and five editorial writing.  
 The courses offered this year are more extensive than those of last year. Editing is now a two-quarter course, instead of one. Editorial writing, newspaper problems, and practical newspaper work are also being offered.  
 Room 2, Folwell, next to the Journalism office is being used as a classroom and laboratory. The department's office has been moved from room 320 to room 1.

**Greek Club Has Business Meeting**

The Greek Club held its first meeting of the year Friday evening, October 29, at the home of Dr. C. A. Savage, 216 Doswell avenue, St. Paul. The meeting was one of entertainment and business.  
 Dr. John C. Hutchinson, professor Emeritus, told of his experiences in Greece, and explained lantern slides on ancient Greek architecture and life.

## SWEITZER RUNS BRILLIANT RACE AS GOPHERS WIN

Minnesota Pulls Surprise Win Scoring 26 Points to Badgers' 29.

### CAPTAIN MOON IS THIRD MAN ACROSS

Winter Runs Plucky Race With Injured Leg; Dayton Stars for Wisconsin.

Minnesota's cross country sextette scored a neat victory over the Badger harriers over the home course last Saturday, corraling the low and winning end of a 26 to 29 score. The triumph was somewhat of a surprise and doubly sweet to the Gophers as it was the first win in three starts and it upset the heralded Badger aggregation.

Few prettier races have been witnessed in Minneapolis than Merle Sweitzer's exhibition last Saturday morning. The regular Gopher miler, running his first race with the cross-country men, was the first man across the line after a brilliant spurt across the parade.

His time was remarkable fast, 26 minutes, 29 second, for the 5-mile course.

#### How They Finished.

- |              |            |
|--------------|------------|
| Minnesota—   | —Wisconsin |
| 1—Sweitzer   | 2—Dayton   |
| 3—Moon       | 4—Wade     |
| 5—Hooverstad | 6—Dennis   |
| 7—Leider     | 8—Brothers |
| 10—Gaumitz   | 9—Noble    |

"Sweitz" was content to view the heels of Dayton and Wade for four miles of the five mile jaunt. As the runners rounded the armory to begin the final dash about the campus, the Gopher runner was sixty yards in the rear but going strong.

Forging to the front, passing first Wade and then Dayton, Sweitzer breezed across the line near the Soldiers' monument, to the great joy of some 2,000 rooters who lined the course. It was a clear case of winning a race by outscraping an opponent. Dayton ran a game race, but the final pace was too steep for him, and he had to be content with second place.

#### Moon Takes Third

Ken Moon, captain of the winners, made a desperate effort to pass Dayton, but began his spurt too late and finished a close third. Wade was the second Badger runner, in and Andy Hooverstad copped fifth for the Gophers. Dennis added six points to the Wisconsin score and Leider placed seventh.

Two other Cardinal runners grabbed eighth and ninth places, nosing out Gaumitz, the fifth Gopher runner.

#### Winter Has Grit

Besides Sweitzer's beautiful race, W. R. Winter's plucky performance was the feature of the event. Winter obeyed orders and started the race, in spite of two torn ligaments which had been bothering him all the past week. He stuck with the bunch for a mile and a half, grimly holding the pace, and trying to forget the intense pain of every stride. Winter finally gave in and is on crutches for the game fight he put up.

#### Iowa Next

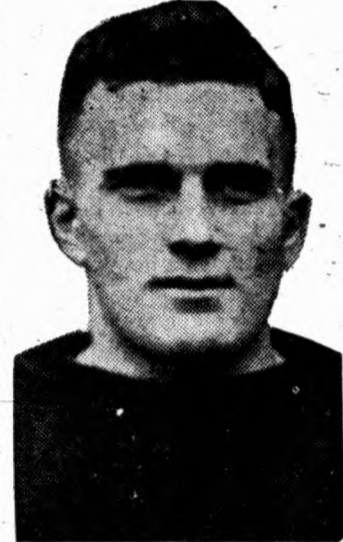

Coach Frank, back from Iowa where he viewed the Hawkeye football team in action last Saturday, was highly elated over the Minnesota victory. He stated that the team had worked hard and deserved to win. The Gopher distance squad resumed work yesterday in preparation for the run with Iowa at Iowa City next Saturday morning.

A series of weekly boxing bouts will be conducted in Little Theatre, with the first scheduled for tomorrow night at 7:30 p. m. The contests are being managed by Frank Gilman, with the purpose of seeking out material for the regular University tournament which comes later in the year.

#### TICKETS FOR IOWA GAME

Tickets for the Iowa game at Iowa City next Saturday are on sale at the Athletic office in the Armory. Only a limited number of tickets have been turned over to Gopher supporters so an early action is the only way to insure chances of seeing the Iowa-Minnesota game. The sale will continue until Wednesday noon and the tickets cost two dollars and a half.

## Oss Displays "All-American" Caliber

Arnie Oss.

Arnie Oss, star Minnesota halfback, displayed true "All-American" caliber in the Badger game last Saturday. In every play, ripping off a lion's share of Minnesota's yardage and tackling sure and hard, Oss grabbed a permanent pedestal in Minnesota's Hall of Fame.

## DAVEY'S DROP KICK DEFEATS GOPHERS

Continued from Page 1

Repeatedly he broke through the Cardinal interference and downed the runner. On the punts, he was invariably the first man down, and on three occasions, dropped the man in his tracks. He returned punts, and intercepted passes which took the ball out of danger when under the shadow of his own goal post.

His offensive work was not as distinguished, because he did not have the necessary interference. However, he gained 102 yards of the 206 yards which are credited to Minnesota. He was the only one who could make any headway against the Badger defense. On one occasion he carried the ball six consecutive times for 38 yards. Four times either hurt or absolutely exhausted, he stretched himself upon the turf, but also four times he arose and faced the Wisconsin horde.

#### Badgers Start Fast

The first quarter was all Wisconsin's. They seemed to gain at will through the Gopher line, but were stopped before they came within striking distance of the goal. The second quarter found the Gophers fighting for every inch, and advantages were divided.

In the third quarter, Minnesota began a march down the field only to lose the ball on the 22 yard line on downs. Wisconsin then opened up the passes, and with Williams romping around the ends, they placed the ball on the Minnesota 12 yard line. At this point, Davey chalked up the only score of the game, a pretty field goal. The outcome was still uncertain during the remainder of the game and both teams battled for a touchdown.

#### Clean Game

The game was unusually clean. There were no penalties in the first half, and only two in the last half. Wisconsin received 15 yards for holding, and Minnesota got 5 for offside. In scrimmage, Wisconsin gained 267 yards and 18 first downs, and Minnesota made 206 yards with 10 first downs. Wisconsin averaged 38 yards on their punts, while the Gophers averaged but 33 yards.

## SQUIBS ON THE GAME

By HECK

Let's be optimistic! We smeared them by points in the cross country run and they smeared us by 3 counters in the matinee event, so honors for the day were split 50-50. That's one way of looking at it anyway.

#### Page Mr. Camp!

Walter, grab the next train for Iowa City. We've got a young gent out here in the wilds of the Northwest who might interest you. He doesn't wear a Princeton, Yale, or Harvard jersey, but he is a football player and that is what your all-American team is reputed to contain.

His name is Arnold Locomotive Jaguar Haley's Comet Oss, T. N. T. For further information about this man, we suggest that you communicate with Mr. John Richards, Madison, Wis.

Bearded alumni, seated with the team on the sidelines last Saturday, arose in one accord and hailed Arnie Oss as the greatest defensive back who ever squirmed into a Maroon and Gold jersey.

It's high time we amend the rule "Three times and out." We saw Arnie on his back as many as four times last Saturday but out—no, Brother, not on your last year's fee statement.

Atta boy Freddie. When Enke went in at center, quarterback Barr shot just one play in his direction and then shifted the course of events to other channels. Elliott might just as well have put his head down and charged the great wall of China as to assail the domain of Freddie last week end.

The most remarkable change in temperature ever known occurred at Northrop Field last week. When Stark, Badger guard, picked up a fumble and blithely raced for a touchdown, the temperature of the Gopher stands went down to no degrees Fahrenheit. A moment later when Referee Masker waved him back, the old mercury hopped up to 1,000,000,000 degrees centigrade.

Mr. Teberg, your future is determined. Start a doughnut kitchen. If you can punch holes in doughnuts half as efficiently as you did in the Badger line last Saturday, you'll be taking dinner with John D. Rockefeller in another ten years.

Eddie Ruben felt about as much at home on the sidelines as William Jennings Bryan would at the National Hotel.

## Campus Activities, News and Advertising

There is a difference between a news article and an advertisement. A news article is simply a story, an ad is a story with a punch. The purpose of an ad is to influence, not merely to inform. It must therefore be short, simple, direct, persuasive. It must put something across.

Campus activities can use the advertising columns of the Daily to excellent advantage. If the support of the student body is desired for some event, as such support usually is, bid for it in an advertisement. Many an excellent affair has been a failure because a news story could not make people want to attend, where an advertisement would have turned the trick.
