

DULUTH--Edwin Tyren, Palisade, son of Mr. and Mrs. Edwin Tyren, Palisade, UMD junior majoring in music, has achieved "advanced standing", highest music performance award obtainable at UMD.

Students receiving the recognition must pass an examination audited by the entire music faculty. Compositions of various styles and periods, performance of a self-prepared work and various requirements in technique and reading music at sight are involved.

For his examination Mr. Tyren performed on the tuba a transcription of a Corelli violin work.

He is a graduate of Aitkin Public School, where he was president of both band and chorus, a member of the Audio-visual club and the student council.

At UMD he is active in band, chorus and orchestra, is historian of Phi Mu Alpha, president of the Buckhorns, music society, and a member of the Lutheran Student Association. He plans to teach public school music upon graduation.

Only persons achieving advanced standing are eligible to appear in junior or senior solo recitals at UMD.
