CANE RUSH PREPARATIONS PRACTICALLY COMPLETED

List of Officials and Conditions of Rush Announced—Must Weigh In.

Dr. Cooke announced the conditions under which the cane rush will be held yesterday and a list of upper-class men who will take charge of the rush has been practically completed.

On account of Cadet drill at the time of the cane rush the drill has been changed from 1:00 to 1:30 on Saturday.

Attempts are being made to have the Medic and the Academic rush at the same time, to have one o'clock classes excused and to have the whole event staged on Northrop Field to allow everybody to see it.

All those who wish to try out for any event should report this afternoon between 3 and 4 o'clock at the Armory to meet the committees of their respective classes.

The following is the list of officers: Ralph Stokes, announcer.

Jim Walker, Harry Powers and Charles Knox, chief of marshals.

W. K. Foster, score keeper.

Henry Doermann and Tom Crocker, counters.

Emil Aker and McKean, rush officials.

The sophomore committee consists of Ralph Johnson, E. H. Cords and Louis Iverson. So far no freshman committee has been formed.

The cane rush rules follow:

Only bona-fide freshmen and sophomores shall be allowed to compete. Freshmen are those students taking first year work who have not matriculated at the University during any year previous to the one in which the rush is held. Sophomores are those students taking second year work who have not matriculated at the University more than once previous to the year in which the rush is held. Students from any department are eligible to represent their class subject to the above rules.

The rush shall consist of two halves of not more than five minutes each, with not more than ten minutes rest between halves. In case of a tie there shall be an extra rush of three minutes duration. The class scoring the higher total number of hands wins the event.

The boxing shall consist of three events, viz., light, middle and heavy weight.

Participants in the light weight events must weigh not more than 135 pounds; participants in the middle weight not more than 159 lbs. Heavyweights may box at any weight.

The wrestling events shall consist of four events, viz., special, light, middle and heavyweight. Participants in the special weight, not more than 125; in light weight, not more than 140; in middle weight, not more than 165; in heavy weight, over 165 lbs.

Entrants for both boxing and wrestling must weigh in at the gymnasium office not later than Saturday, October 14th, at 12 o'clock noon.

The boxing shall consist of three of three rounds, each round not to exceed two minutes in duration, with one minute rest between rounds.

The wrestling events shall be the continued on page 3.

FIRST AND SECOND YEAR DEBATE TEAMS CHOSEN

Sophomore Team Same As Last Year—To Compete For \$100 Prize.

Members of the freshman and sophomore debate teams were chosen yesterday by the debate department. The sophomores will be represented by Donald Pomeroy, Ruel Wiji, and Chas. Evans, and Hymen Mendowitz as alternate. This team represented its class last year.

The freshmen will be represented by Carl Palnter, Dean Campbell and Earl Hasset. All three men have debated in the high schools, Painter and Campbell having represented Minneapolis Central and West High, respectively.

The tryout question was: "Resolved that the Federal Government should establish a parcels post." This question will probably be used in the final contest which comes in the latter part of December. The Maurice L. Rothschild prize of one hundred dollars, which will be awarded to the winning team, will be divided among its members.

According to the debate and oratory department, the class of material that tried out, speaks well for Minnesota's debate prospects. About twenty-five men tried for the freshman and sophomore teams and it was difficult to pick the best. The two teams will meet some time in the near future to decide the sides they are to take.

MORE THURSDAY DANCES

Dick Grant Will Soon Have More Thursday Dances—Paint Must Dry.

Dr. Richard Grant expects to start Thursday night dances similar to those run under his direction last year early next week or near the end of the month. The reason for not starting them sooner is that the new coats of paint in the Armory are not yet dry.

"The reason that a larger number of people did not come last year except on special occasions was the fact that the dances were advertised in the down-town papers as competitors with those of a prominent downtown dance hall, when such was far from being true," said Dr. Grant yesterday.

Last year Coach Grant interested a number of track men in the dances but was sometimes forced to pay a deficit when a large enough crowd did not attend.

President Emeritus Northrop praised these very highly last year and recalled to the minds of the older students and younger graduates the dances of a like nature which used to be given.

Anybody caught stealing a Daily from the postoffice will be dealt with by the University authorities.

"GIRL IN THE MOON" SOON TO BE PRODUCED

Edgar Allen's Minnesota Opera Will Be Coached By Miss Malcolm.

"The Girl in the Moon," a college operetta, composed by Edgar Allen, will be staged in the near future by the Men's Union in one of the over-town theaters. The operetta will be coached by Miss Malcolm, who was coach for the "Prof. and the Princess," and managed by Tom Crocker, president of the Masquers.

Time for tryouts will be announced in a few days.

The scene is laid on the campus and at the cadet camp. Some of the music was in last year's class play and it was impossible to produce "The Girl in the Moon" last year because of the strict enforcement of the eligibility rules which prevented most of the many who tried for parts from getting them.

200 BECOME Y. W. GIRLS

Simple Ceremony Symbolizes Elevation of Self—Conducts Ceremonies.

More than one hundred freshman girls were admitted to membership of the Y. W. C. A. last night, by simple, but impressive ceremony. Two by two the girls marched into a parkened room, each one carrying a lighted candle, a symbol of self. There the girls of the cabinet awaited them, stretching a latticed arch of ribbons under which the procession of freshmen marched. Eva Lane, president of the Y. W. C. A., spoke briefly on the elimination of self, whereupon the candles of self were blown out, and the room was flooded with light from above.

After the ceremony, the freshmen were taken down to the banquet by the upper-class girls. Between courses, and after the banquet, the girls sang Minnesota songs, toasts, and Geneva music and the thirty sophomore girls who had waited on the tables, sang an original song of welcome to the freshmen.

Toasts were responded to by Miss Bruchholz, Muriel Thayer, Emily Simmons, Truma Brockway and Mrs. Byars. Miss Comstock presided as toast-mistress.

Among the guests were Mrs. Vincent, Mrs. Northrop, Mrs. Gilfillan, Mrs. Wilde, and many other women well known in University circles.

DENT LAB ON RIVER BANK

Crowded Condition of Millard Hall Makes It Necessary—Number Increasing.

Because of the overcrowding in Millard Hall a number of dental students are doing their prosthetic work on benches of the river bank. This is an innovation in laboratory work and as long as the weather permits there will be an increase in the number of students who will try this experiment.

PROF. NACHTRIEB WANTS BIG CROWD AT CHAPEL

All Inauguration Plans Will Be Explained—Need More Enthusiasm.

As announced at the last mass meeting there will be an enthusiasm meeting today at chapel for the purpose of explaining the plans for President Vincent's inauguration and the celebration to be held on its eve. The meeting will be in charge of Professor Nachtrieb, the chairman of the committee in charge of the arrangements.

Professor Nachtrieb urges everybody to come to this meeting, the only one of its kind at Minnesota for many years past and to come. All arrangements will be explained and some stirring speakers will try to speak in the usual thrilling and amusing mass-meeting way.

Although the ticket sale has been very pleasing it has not fulfilled the expectations of the more sanguine members of the committee. This is especially true of the Academic college, according to the report received up to the present time. According to Mr. Nachtrieb, this is not the fault of the people who are trying to sell the tickets, but is rather due to the lack of a strong and enthusiastic attitude toward the celebration (and it is for this reason that he desires a large attendance at the meeting).

INSTRUCTIONS ISSUED FOR INAUGURAL PROCESSION

Procession To Be Divided Into Two Section—Butts Is Head Marshal.

Under the direction of Chief Marshal Major Butts and his assistants, Dr. L. J. Cooke and under-section Marshals E. A. Cook, of the Rhetoric department and Professor E. E. Nicholson, the inaugural procession will be formed into two parts; the faculties and the delegates, regents and speakers.

According to instruction issued yesterday, the faculty will assemble at half past one in the Law Building in the following order: Instructors, assistant professors, associate professors and deans in the inverse order of the founding of their respective colleges. This part of the procession will march from the Law Building until the end of the procession has passed the Shevlin walk. The delegates' section will then follow, proceeding to the Armory between files of cadets.

Section two will form at 1:45 in the Library in the following order: Donors and special guests, delegates from learned societies in inverse order of their founding, delegates from colleges in same order, regents and former regents, speakers and the President Emeritus with the President.

Tickets for the Inauguration Parade may be obtained this afternoon, Saturday, Monday and Tuesday in Professor Nachtrieb's office in the basement of Pillsbury Hall.

The committee on the student and alumni torchlight parade has put the plans in definite shape, and is now waiting for the students to sign up for their places in the line. Only a comparatively small number of University students have an opportunity to participate in an inaugural celebration. The rarity of the occasion should be something of an incentive.

The University of Minnesota, moreover, is one of the biggest and best universities in the country, and the ceremonies with which this institution will greet the president will undoubtedly be more impressive than anything of its kind.

But the deepest concern which the Minnesota students should feel, is that for their own university and their own president. The president has started a new era of student responsibility and government. For this they should show him Tuesday, of the magnitude of their united force.

There would be something singularly humiliating and degrading for the students here to swallow if they could not boast of a record breaking turnout next Tuesday. However, from all indications, there will be no such bitter pill. The students have been slower than the committee desired, but by Tuesday morning there will surely be but a few who have not signed up for a place. The opportunity presented to us of being a unit in this coming festival, is alluring. The presence of the old "grads" will make our desire for participation the keener.

DICK GRANT WILL LECTURE

Will Discuss Bible and Training
With Track and Other Men
At Noon.

Dick Grant's Bible class for track men will begin to meet with him next week. It is the purpose of this class to study the Bible and social reform. They aim to study the high principles and ideals that other men have followed and try to apply these things to their own lives. Coach Grant says, "A man who has led a pure, clean, Christian life will be the best athlete. The study of the highest themes in individual life gives a great fraternal spirit. This is absolutely necessary in a winning team." This class meets during the lunch hour at least once a week and is not exclusively for track candidates. Once a week Coach Grant intends to lecture on training and personal hygiene.

GIRLS TO USE DIAMOND

Miss Butner's Petition For Use of Diamond For Hockey and Archery Granted.

Through the persistent efforts of Fred Lydeman, law representative, Miss Butner's petition asking for the use of the baseball diamond for girls was favorably passed upon by the Athletic Board of Control, yesterday afternoon. The baseball diamond will be used as a field upon which the girls may practice archery and play hockey. These two branches of athletic sport are innovations at Minnesota and are expected to be very popular among the girls. They will be allowed to use the field until two o'clock every afternoon, as long as they do not interfere with the practice of the football, track or lacrosse teams.

MOULTON TO LEAD VESPERS

Richard G. Moulton, Pioneer In Bible Literature to Speak.

Richard G. Moulton the author of the Modern Readers' Bible and probably the greatest living bible student has been secured to lead the weekly vesper service at the University chapel Sunday afternoon at four.

Mr. Moulton is also the professor of biblical literature and English at the University of Chicago and is well known all over the west as a brilliant and engaging talker. Besides the Readers' Bible which has made him so famous, Mr. Moulton has published "The Literary Interpretation of the Bible" which is one of the best known pieces of literature on the Bible today.

Class Election Dates Set.

At a meeting of the Student's Council yesterday afternoon the dates for the class elections were set. They are as follows: Junior class, Thursday, October 19th, at 1:45 o'clock; sophomore, Friday, Oct. 20th, at the same hour, and the freshman election on Monday, Oct. 23rd, at 1:45. All candidates for office must announce themselves at least four days before the elections.

SHEVLIN HELPS GIVE TEAM STIFF PRACTISE

All Players Coached By Specialists—Man On Hospital List.

With Tom Shevlin coaching the ends, Springer Brooks the other line men and Johnny McGovern the backfield, the grueling pace set by Dr. Williams in the early part of the week was continued last night. The men were not dismissed until an hour's scrimmage had been played.

Tom Shevlin was out last night assisting the Gopher coach. Shevlin, who was Yale's most famous end, has been on the field several times this year and is giving the linemen, especially the ends, very minute attention. He knows more about the way the wing positions should be played than any man in the country, and his help is appreciated by every member of the squad, as well as by Dr. Williams.

Johnny McGovern, who will be a fixture among Dr. Williams' assistants for the remainder of the season, and Springer Brooks, of the Yale alumni coaching staff, were again out in uniform. McGovern gave his attention to the backfield, particularly the quarter. Frequently he would jump in and run the team for several plays, showing the men how the plays should work. When asked what he thought of the team, Johnny said: "I think that Dr. Williams is getting along nicely. The new men are green and have a lot to learn, but I believe we will have a strong team before the big games are played."

Springer Brooks was giving his attention to the linemen, assisting Tom Shevlin. The line is not very strong yet, but the coaches all declare that this is due entirely to inexperience. The line is practically a new line, and with practice should develop into a strong charging machine.

Last night's practice was marred by another accident, Hanson spraining his ankle. He had to be taken out, making the fourth man put on the sidelines. Rosenwald is still out of the game, Shaugnessy, Lawler and Harrison completing the hospital list. Hanson's injury is not as serious as the others and will be back in the game in a day or two.

Most Stars Enter Second Round—Finals Start Early Next Week.

Some of the better and many of the poorer players have been eliminated in the first round of the tennis tournament, although in most cases the matches were hard fought. So far Armstrong is the only name in the third round column. The winners are Kuginoto, Howell, Lampert, Souther, Prof. Northrop, Registrar Pierce, Selverts, Stellwagen, Poucher, Hodgeman, Doermann, Eidenmiller, Fitzpatrick, South and Dahleen. Armstrong and Stellwagen and Pettijohn and Edwards have progressed to the second round in the doubles tournament.

Those not playing their second round matches will be considered to have defaulted. The finals will be held early next week.
