This third edition of the University of Minnesota "M" Club Directory, published initially in 1949, is compiled and edited by the Department of Intercollegiate Athletics in recognition of contributions to a great athletic tradition made by our student-athletes, and also in appreciation of continuing interest and invaluable services to the Department and its intercollegiate athletics program in the years following completion of collegiate eligibility.

It is impossible to keep information of the nature contained herein 100 per cent up to date, but your continuing cooperation in helping the "M" office in Room 208 Cooke Hall to do so will be greatly appreciated.

We hope this publication will serve many valuable purposes, including that of assisting all members of the Order of the "M" to maintain contact with their fellow members, and, hopefully, to help develop a more closely-knit organization.

Supplemental inserts of new "M" men and those deceased will be sent to you annually each summer. We invite your attention to the "No Record" section. This section is composed of incorrect or unknown addresses and those individuals who did not return the reply card last February. We invite your help in forwarding information to bring our files up to date.

All worthwhile organizations must have a substantial purpose for vital existence and perpetuation. The officers and board of the "M" Club join with me in thanking each of you for playing such an active and important role in backing and promoting a healthy program of intercollegiate athletics at our University of Minnesota.

Minnesota Sigma Delta Psi Members

Sigma Delta Psi is a national honorary athletic fraternity which has over 120 chapters throughout the United States. The purpose of the fraternity is to promote the physical, mental and moral development of college men. Male students qualify for membership by successfully passing requirements for fifteen tests which include the 100 yard dash, low hurdles, high jump, broad jump, shot put, mile run, rope climb, baseball throw, football punt, 100 yard swim, handstand, handspring, fence vault, posture and scholarship.

Beta Chapter was organized at the University of Minnesota in 1912 by Dr. Louis J. Cooke. The following individuals have attained membership through the local chapter:
