ACKNOWLEDGMENTS

The writer expresses sincere appreciation to Lois Mann, extension specialist, Community Resource Development, for help in developing this study, for counsel in developing the questionnaire, and for providing resource materials for the manuscript.

Thanks are extended to Dan C. Holtz, executive secretary of the Minnesota Association of Township Officers, and the Board of Directors of MATO for providing the mailing list of all township super-

visors in the eight-county study area. Also, thanks to supervisors who answered the questionnaire and provided data for the study.

Special thanks are due to Dr. Arvo Kallio, area extension horticulturist, for his advice and helpful criticism in preparation of this manuscript.

Grateful acknowledgments are given to David Fricke, Lowell Hanson, Clarice Olién, Bob Paquette, Darlene Vobejda, Carole B. Yoho and Warren Youngdahl for reading the manuscript and offering valuable suggestions.
