UNIVERSITY OF MINNESOTA CROOKSTON

May 7 - 10

Campus Weekly Announcement

Hello Golden Eagle Community!

With finals week over, we are moving to the summer schedule. There will be a Campus Weekly (formerly E-Update) issue once a month. We will return to our regular weekly update in August once classes resume.

If you have any questions, contact Cassandra Morthera at morth004@crk.umn.edu.
Happy summer!!!!

Leadership Letter

This weeks' update is a big **THANK YOU** .

I don't want to exclude anyone, as it takes a village to pull off the final week of instruction and testing, commencement and all the celebrations that accompanied celebrating the success.

Always at the possibility of forgetting someone, I am not going to try to name everyone individually. Faculty and staff—you are amazing and dedicated professionals. Dr. Hoffman and I are proud to be joining your team in transforming the lives of so many.

For those of you who will be taking the summer off—have a safe one. For all of you around this summer—take some time to breathe, relax and refuel.

Thanks for all you do,
Chancellor Holz-Clause

Access and helping our students be successful once they are here is one of our strong points of pride.

Accolades

The Center for First-generation Student Success, an initiative of NASPA – Student Affairs Administrators in Higher Education and The Suder Foundation, recently announced their inaugural cohort of First Forward Institutions. The First Forward designation recognizes institutions of higher education who have demonstrated a commitment to improving experiences and advancing outcomes of first-generation college students. Selected institutions receive professional development, community-building experiences, and a first look at the Center’s research and resources.
