Elections in Minnesota

On **Tuesday, November 5**, elections will take place in Minnesota. The polls will be open and we remind everyone to plan accordingly. All University classes will be held on that date. Instructors are requested to make reasonable accommodations for students who can only vote during class time. Students who will be late to, or absent from class in order to vote should speak with their instructor in advance of that date.

Visit <https://www.sos.state.mn.us/elections-voting/whats-on-my-ballot> for more information on how to vote.
