FACULTY CONSULTATIVE COMMITTEE

April 30, 1982

The Faculty Consultative Committee met in closed session in the Regents Room on Friday, April 30, at 10:30 a.m. to discuss the three final candidates for the position of Vice President for Health Sciences, and to agree upon the main points of a letter to the President evaluating the candidates. The FCC did not rank the candidates, but instead described the strengths and shortcomings of each as they saw them. The FCC chair and secretary were charged with composing the letter to the President.
