Your shoes are trying to tell you something.

Look at a pair you've lived with for a while and you'll see two things.

The heels have worn thin.

The soles have become comfortably curved.

Your shoes are actually trying to become Roots®.

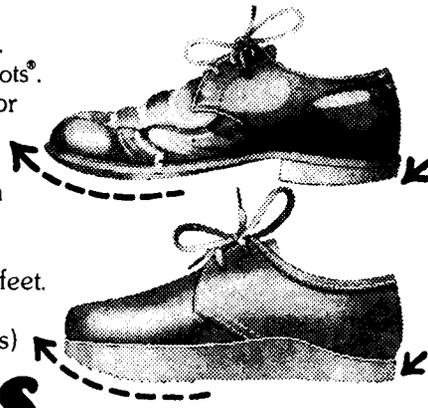

Roots' slim heel and rocker sole are made for the way you were born to walk, which helps make them wildly comfortable.

And Roots are made in Toronto of top-grain Canadian leather, which helps make them beautiful.

Listen to your shoes. Have a chat with your feet.

Then come see us and try a pair of Roots.

You'll find them (in more than a dozen styles) only in the Roots store.

Roots.

"Be kind to feet. They outnumber people two to one."

Minneapolis - 616 Washington Avenue, S.E. (Across from Memorial Stadium) - (612) 378-9739

Roots are available in sizes 3 1/2 -13 narrow, medium, and wide widths.
