

**Fall Report of PFC 2002-2003
CAMPUS ASSEMBLY
PHYSICAL FACILITIES COMMITTEE
ACTIVITY REPORT**

October 30, 2002

The committee has met once since the last Campus Assembly meeting.

- Six-Year Capital Plan . Greg Fox met with the committee and discussed the current status of the Six Year Capital Plan. The committee also briefly discussed how the plan might change according to legislative action and UM attempts to fund projects vetoed by the governor after the last legislative session.
- Facility Naming Protocol . The committee has reviewed and discussed a draft of a statement of protocol for the naming of buildings, or parts of buildings. Committee members are reviewing the protocol to raise questions and offer comments and suggestions for the improvement of the statement.
- Facility Naming Proposal . The committee discussed briefly some of the details of a facility naming proposal that will be submitted shortly. It is anticipated that the committee will be asked to review and make recommendations regarding the proposal in the very near future.
