## TWILIGHT VAUDEVILLE TO ATTRACT CROWD THIS AFTERNOON

IN CHAPEL.

Tickets on Sale To-day in Library Rotunda at Chapel Time—But Few Left.

The Woman's League will present their long awaited "Twilight Vaudeville" in Chapel at three o'clock this afternoon. Rehearsals have been going on regularly and everything will run off smoothly to-day. The tickets have been going rapidly and a crowded house will greet Jim Deveau's opening number.

The Woman's League was very much pleased with Mrs. Potter's criticism of vaudeville entertainment and feel that they are presenting something to the campus which is really worth while.

The program contains the best amateur talent in the school and will rank with the performances of any down town play house. Some of the faculty have excused their afternoon classes to allow the students to attend.

The program will be as follows:—

## "INTERCOLLEGIAN" Y.M.C.A. PERIODICAL OUT TOMORROW

Local Department contains Articles by Uzzell and McKeen—Some Fine Features.

The Intercollegian, the new magazine which the Y. M. C. A. is starting, will be out tomorrow. The greater part of the book is made up of general Y. M. C. A. news. One section however, is reserved for local material. The purpose of the book is to arouse the interest of the Y. M. C. A.'s of the various colleges in each other and to make that interest national in its scope.

The first number is a fine one. Among the articles are the following: "Letter of a Yale alumnus to his son about to enter college," "Values of the Y. M. C. A. to a young man," William Norelius has an article on "The work done by The Committee on Students' work."—Thomas Uzzell and Edward McKeen are also contributors. There are financial and various other reports of last year's work. The book is representative in character and should be supported by all who are interested in the Y. M. C. A. work.

## GREEK CLUB ELECTS.

At a meeting of the Greek Club last Tuesday, the following officers were elected: Pres. Roy Adams, vice-pres. Elsa Ueland; Sec. Abbie Sturtevant; Treas. Edwin McKeen. The club intends to give special attention this year, to the study of the geography and mythology of Greece.

## NORTON WINS CLOSE FIGHT FOR SENIOR PRESIDENCY

56 to 54.

Stegner Wins over Tallant for Secretary—No Committees to be Announced yet.

Amid great excitement the much-talked of Senior Academic election was pulled off last Saturday afternoon. The most strenuous contest was that for president between W. W. Norton and Zenas Potter, the vote resulting in favor of Mr. Norton, 56-54. The only other contest was for the office of secretary, Hope Stegner getting 60 votes to Ruth Tal-

lant's 49. Maurice Jenness and H. W. Dahleen were unanimously elected vice-president and treasurer, respectively.

No committees have, as yet, been appointed, nor will any be appointed. (Continued on Editorial Page)

## SOPHOMORE ACADEMICS POSTPONE ELECTION

Juniors Make 1911 Postpone Date Until after 1910 Elects on Friday.

The Sophomore Academic Class election which was to have been held Wednesday, has been postponed till Saturday, at the end of the 4th hour, in Dr. Burton's Room. This was done to comply with an old tradition that the elections will be held in order of seniority. The Juniors elect Friday. As yet no candidates have announced themselves.

## Basket-Shooters Out Soon

Many Old Stars Will Not Play This Year—Several Freshmen Are of Varsity Caliber.

Practise for the girl's basket ball team will commence in a few days. It was intended to start Oct. 1.

A large number of last year's squad will not appear for practice. Some have graduated or left college and others are carrying too much work.

Among the promising freshman girls, are: Caroline Brown of South High, and Edith Current, Rubie Burtness and Catherine Ingels from out of town

## SAFFORD, ALL WESTERN CENTER, ELECTED CAPTAIN

UNANIMOUS.

Great '06 "M" man chosen after Lawrence Game to Head the Varsity Squad this Fall.

Owen Safford was unanimously elected captain of the football squad for 1908, at a meeting, Saturday evening after the Lawrence game.

The big center is one of the most aggressive men Minnesota ever played and his handling of the initial position gave him two years ago, the

universal choice as All-Western center. Last year he was out of the game, on account of the hindrance of a mere technicality.

He is a member of Phi Gamma Delta, was managing editor of the '08 Gopher and a leading figure in campus dramatic efforts.

## JUNIOR ACADEMIC ELECTION SCHEDULED FOR FRIDAY

All is Dark yet—Numerous Dark Horses are Being Groomed by the Various Factions.

Pres. Arleigh Miller of the Junior class has called a meeting for the election of officers for Friday, October 9th. The meeting will be held in Dr. Burton's room, Library 13, at chapel hour. While no candidates have appeared in the open as yet, many names are mentioned. It is expected that the various factions of the class will put up candidates and that the fight will be fast and furious. If present plans do not miscarry, many will be greatly surprised at the result of the presidential contest. For Sale—First class drill suit. Used but very little. Height of owner 5 ft. 9 1/2 inches, waist 31. Trousers 32. Inquire box 928. b58

## VARSITY SHOWN UP BY LAWRENCE'S STIFF FIGHT

SIX TO NOTHING.

Coughlan Makes Only Touchdown of Day Against Team Which Used to go Down 69-0.

Last Saturday Lawrence University threw the greatest scare into the hearts of the Minnesota football enthusiasts that they have known for several years. The light team from Wisconsin lined up against the heavy Minnesota line and broke through time and again, throwing the man with the ball for a loss and blocking McGovern's attempts at punting and drop-kicking. It was hard to see what "Mac" could do in the drop-kicking line because he did not have time to turn the ball in his hands, but had to kick it as he caught it, and then it was blocked nearly every time. His punts were sent off in lightning fashion, but nevertheless, there was a Lawrence man upon him as soon as the ball left his feet. Minnesota's ends were sucked in, time after time whenever Lawrence (Continued on Editorial page.)

## FIFTEEN HUNDRED STUDENTS FILL ARMORY SATURDAY

The "Three Presidents" Spoke—Band Furnished the Music—Frappe Served.

Fully two thousand people attended the reception at the Armory last Saturday evening. John Sinclair introduced to President Northrop at the head of the receiving line, and Frau Wilkin said the farewells.

The University band played several selections while the guests were being received, and then played a grand march in which everyone took part. Sears Thompson opened the program with a few well constructed words of welcome, and Ruby St. Amour seconded his speech very nicely. "Prexy" (Continued on Page 4)

## Daily Staff to Dance

Hayrack.—Full moon.—Pumpkin pie and all the rest thrown in—Barn Dancing besides.

The Daily "scribes," erudite editors, sophisticated reporters and that trembling fainty-hopeful, uncertain specimen of mankind known in journalistic circles as a "cub" will have a big get-together in the form of a hayrack party next Friday, Oct. 9th.

For the first time in their brief journalistic career will the "nervous ones" have a chance to meet the editors and reporters on a basis of social equality.

A country dance-hall has been engaged and the "scribes" will "barn-dance" to an unearthly hour.

Erskine Vance, Harold Taylor and Milo Phillips have charge of the arrangements.

**A Correction.**

The report of the engagement of  
Luella Woodke to George Campbell

was based on a false report and its  
publication is much regretted by the  
management of the Daily.

**ALARM CLOCKS.**

They will be extremely in order  
very soon if the bell system in the  
library doesn't get into better work-  
ing order than it has so far this se-  
mester. There is hardly a day that  
one or more classes in Library 16 or  
18 are not held away over-time. And  
people taking economics and politics  
are pretty much opposed to any more  
overtime than they can help, espe-  
cially when the next class is on Fol-  
well's third floor.

The instructors are not to blame,  
they cannot be expected to talk and  
watch their watches at the same time,  
and the man on the back seat gets  
tired of keeping time for the "Prof."  
Let's get back to our old "ship  
shape" system and tell time by the  
bells.

**Lennon-Calderwood Debate.**

The regents last week referred the  
matter of allowing the armory for  
the Lennon-Calderwood debate on  
prohibition, to a committee. Whether  
it was the intention to kill the mat-  
ter by this action we do not know  
but if it was, we desire, for the stu-  
dent body, to enter a protest.

It is undoubtedly a wise rule to  
deny the use of the university build-  
ings for ordinary political meetings.  
But the proposed debate, while it is  
between two candidates, is different  
in its nature from ordinary political  
meetings. It presents both sides of  
one of the most important questions  
before the American people today and  
will have great educational value.

Approximately fifteen hundred stu-  
dents and over half a hundred fac-  
ulty members have shown by petition  
that they desire to hear the debate.  
The matter should not be allowed to  
die in committee.

ran off one of their speedy passes,  
and the man with the ball had a free  
field but for the full-back and quar-  
terback, who in every case nailed  
him, but not until he had negotiated  
from ten to thirty yards.

On defense Minnesota's line held  
like a stonewall and Lawrence could  
do nothing with it, but on the of-  
fense, Lawrence's light half-backs  
and tackles sifted through and threw  
Minnesota for a loss many times,  
and it was only the clever dodging  
of McGovern that gave Minnesota  
the chance of making first down.

At one time Minnesota had the ball  
on Lawrence's three yard line on

first down, but they could not push  
it on. That of course was due par-  
tially to the sturdy defense of the  
Lawrence line men and Plankers who  
had hitherto been good for from two  
to eight yards was thrown for a loss.  
Immediately another line push was  
tried with disastrous results.

The forward pass worked only once  
and after a beautiful run of over  
thirty yards. Coughlan crossed the  
line for the only touchdown of the  
day. Just think of it, one touch-  
down against Lawrence, who in the  
old style of play always went down  
to defeat by nearly fifty points and  
in one case by 69.

Of course we must admit that the  
team play of Lawrence's backs was  
magnificent. They handled the for-  
ward pass, delayed pass and double  
pass beautifully and often made their  
yards in first down.

Whenever they tried straight end  
runs they were nearly always thrown  
for a loss by the superb tackling of  
Rademacher and Pettijohn, but when  
they resorted to the new style of  
play, our ends did not know how to  
block them and were sucked in time  
and again. In other words Minneso-  
ta could not cope with the new game  
as it is played by other teams, they  
could not use the forward pass them-  
selves, and they could not stop it.

Something is grievously wrong, but  
what is it?

It is not the Daily's intention to  
"knock." We despise a "knocker"  
as much as anyone. We are merely  
stating the facts as they are.

pointed for a week. President Nor-  
ton desires to be entirely impartial in  
his appointments, and at the same  
time select parties best suited to the  
work required on the various com-  
mittees.

Mr. Norton states that he hopes a  
plan may be formulated for the fed-  
eration of the senior classes of the  
various departments along such lines  
of common interest as the class play  
and Senior prom.

**LAW CLASSES EXCUSED.**

Some days ago the Middle Laws  
petitioned the faculty to discontinue  
Saturday classes during the foot-ball  
season. The petition was successful  
to a certain extent, in that the fac-  
ulty has decided that all classes after  
the second hour will be discontinued  
until Dec. 1st.

### U. C. A. Reception Successful

Platter Contest and Various other Stunts fill up the Program of the Evening.

The greatest success in the history of the U. C. A., was achieved Friday night at the reception given in Shevlin.

The two hundred Catholics who were present were made acquainted by means of a platter contest; the program for the evening consisted of numbers contributed by various members of the audience and was a series of wonderful and original performances.

The next meeting of the Association will be held Sunday at 4 p. m. in the Y. M. C. A. building. All Catholics are urged to come.

**THE BIJOU.**  
Chas. E. Blaney, will give the patrons of the Bijou theatre a chance to pass judgement in his new play "The Sheriff of Angel Gulch" with Young Buffalo in the title role, commencing Sunday, Oct. 4th. A score of cowboys and a large capable company ably supports Young Buffalo.

**39th LEGISLATIVE DISTRICT**

are fortunate in having two nominees for the Legislature on the Prohibition ticket who commend themselves particularly to men of intelligence and character. Both are college-bred men, and both are residents of the District, thoroughly acquainted with its needs, especially with the requirements of the University.

**THE LEGISLATIVE RECORD**  
of the party in the District is such as to presage a victory for 1908. The vote in 1902 was 108; in 1904 Mr. Calderwood, one of the nominees, polled 1,067 votes, and in 1906, 2,528. A change of 217 votes would have elected him: The percentage of gain in 1906 was 137, and a 9 per cent gain over the 1906 vote would seat the prohibition candidate. The platform upon which they seek support is sane, comprehensive and fearless.

In behalf of the best interests of the University in the 39th District, the attention of University men is directed to W. G. Calderwood and C. W. Dorsett for the Legislature.
