Duluth--- Ben Johnson's *Velpone*---a satire on business ethics---
will be presented by puppet artist Peter D. Arnett at 8:00 p.m. Thursday
(Jan. 18) in UMD's Kirby ballroom.

Arnet creates his own marionettes and stage, translates plays
from classical languages into English, masters all the parts and handles
all the puppet characters.

The program, which is free to the public, is sponsored by Tweed
Gallery and the UMD Conovcations and Lectures Committee. Sponsors say
the show is appealing to adults as well as youngsters.
