LOOK OUT BELOW! Students practiced their tobogganing technique yesterday so that they'd be in trim for the Snow week Toboggan caravan leaving by bus at 1 p.m. today from the Union for the Westwood Hills country club. Pictured from front to back are Diane Nash, Arts freshman; Joyce Stein, Arts freshman; Tom Thiss, Arts junior; Henry Jepsen, General College freshman.

Toboggan Caravan, Ball, Train To End Snow Week Festivities

A Snow train, Toboggan caravan and Sno ball will end the annual Snow week celebration today on campus.

Claude Thornhill's name band will play tonight in the Union main ballroom for informally dressed students—some of them dancing in their

stocking feet. Big Stoop Chamberlain and his local band will be in the Union cafeteria. The two Sno Ball bands will play from 9 p.m. to 1 a.m.

Most of the stockinged students at the ball probably will be returnees from the Toboggan caravan which leaves by bus at 1 p.m. from the Union for the Westwood Hills country club. Top attractions for the afternoon of winter sport are skiing, skating, tobogganing, an Ice show and a continuous indoor program for the benefit of those who like to be entertained while they warm up.

Twin City skating stars and champion University figure skating stars Dick Branvold, Patsy Buck and Margaret Grant will appear in the torchlighted Ice show at 5 p.m. near the club. The University figure skating champs won the title at competitions on the Union rink this week. They will receive trophies at the Sno ball.

Stu Gang, master of ceremonies for the caravan indoor entertainment, said yesterday that a continuous program of musical numbers and novelty acts will last for the afternoon.

Included in the program are Virgil Lichtenberg, guitarist; Mary Lou Reed, comedian, and Eileen Linquist, vocalist.

Buses will return students to the Union in time for the Sno ball, Tom Thiss, Caravan chairman, said yesterday.

The Snow train will pull out of the Union via bus at 8 a.m. for Deer Trail lodge near Rhinelander, Wis., for two days of winter sports. Buses will return students to the Union tomorrow evening.

Tickets for the Toboggan caravan, 95 cents which includes transportation, and the Sno ball, \$1.50 per person, are on sale in the Union ticket office. Sno ball tickets also may be purchased at the door.

Sanford Open House

Sanford hall will hold an open house from 2 to 5 p.m. tomorrow.

Seniors to Plan Commencement

This year all senior commencement activities will be concentrated in one week, senior class president George Thiss said yesterday at the senior class coffee hour.

Thiss explained that in past years commencement activities had been spread out during the last month of spring quarter.

Senior week will be May 15 to 20.

A tentative list of events is:

- A Court of Honor, sponsored by the Minneapolis Chamber of Commerce, which will honor the groups and organization on campus who have contributed most to the aims of the University

- a recognition dinner, which will honor individual students who have been outstanding in leadership and participation in University organizations

- a senior play, not selected as yet

- the senior prom
- a senior picnic to be held the day after commencement

- a senior dinner to be held prior to the commencement exercises.

The senior class cabinet distributed a questionnaire which asked seniors whether they preferred a nationally known or a local band for the senior prom and whether they would be interested in serving on the prom committee.

Good Lawyer Analytical, Studious, Says Speaker

By Ann Guest

A good lawyer must be something more than a walking law dictionary—he also must be able to apply the law to his clients' problems, a law professor said at a vocational meeting yesterday.

Assistant Dean Stanley V. Kinyon of the Law school said that the lawyer's main job is one of analyzing and solving problems.

Therefore, one of the essential qualifications of a lawyer—along with the ability to concentrate on study for long hours—is an analytical ability," Kinyon said. He spoke at a vocational meeting sponsored by the Arts Junior College counseling office.

The sixth in this series of meetings will be held at 3 p.m. Monday in Murphy hall auditorium. Mabel K. Powers, Arts administrative assistant, will speak on "SLA Senior College."

The great increase in the body of laws in the last 25 years has resulted in an increased need for lawyers to interpret the laws to the people, Kinyon said.

The majority of actual cases that the lawyer handles are settled out of court, he said. "Trial work is a sort of last resort—as surgery is for the physician."

"Although the market is pretty badly flooded with mediocre lawyers today, there is still plenty of opportunity for well-trained people," Kinyon said. "Our graduates have been finding jobs with remarkable ease."

The average beginning lawyer who starts out working for someone else gets \$200 a month today, Kinyon said. After working for 10 or 15 years, the average good lawyer will have reached an income of \$6,000 to \$15,000 a year, he said.

Arts Board Seeks Bulletin Suggestions

Russell M. Cooper, assistant dean of junior college, is revising the Arts college bulletin.

Any Arts college student who has suggestions for the new bulletin or criticisms of the old one should turn them in. Lois Olson, Arts Intermediary board secretary, said yesterday.

"We would like to have the suggestions signed," Miss Olson added.

They may be put in the suggestion boxes in the Arts college offices, Folwell hall or Temporary South of Folwell, she said.

Livestock Judging Scheduled Today

The general livestock division of the Ag Winter Judging contest will be held at 12:30 p.m. today in the Livestock pavilion.

Students will judge two classes of three breeds of dairy cattle and give reasons orally for their choices for the Minnesota Livestock Breeders plaque and other prizes which will be awarded at the All-Ag Stag on Feb. 9.

Quiz Kid Student Writes About Invention in Magazine

By Bob Erickson

Mathematician, physicist, attorney, engineer, writer, draftsman and student all rolled into one. That's Tenny Lode, Arts senior.

Tenny's IQ puts him in the genius class, so that eliminates most of his worries about studies. He turns his talents toward other fields and has come up with some astounding results.

His most recently published article in January issue of "Audio Engineering" concerns stereophonic reproduction, sometimes referred to as three dimensional sound.

"If you are sitting in Northrop while the symphony is playing you can shut your eyes and still know that the string section is on your right and the woodwinds are on the left," says Tenny.

"You can't get that effect with normal radio or phonograph setups. Although it was used in Walt Disney's 'Fantasia,' special, expensive equipment was needed. My system has simplified it somewhat."

Tenny doesn't think that his system will ever come into widespread use. "It's really one of my lesser achievements," he explains.

At present the 17-year-old is teamed up with a Minneapolis engineer. Tenny does the brain work and the engineer does the hand work. "I don't go too much for setting my ideas into action," he says. "I'd rather just think them up."

The two are working on a new type of magnetic recording device which Tenny wants to keep semi-secret for now. Tenny is also developing a "lightning generator" for a lightning rod company and a transformer which has a wide frequency range.

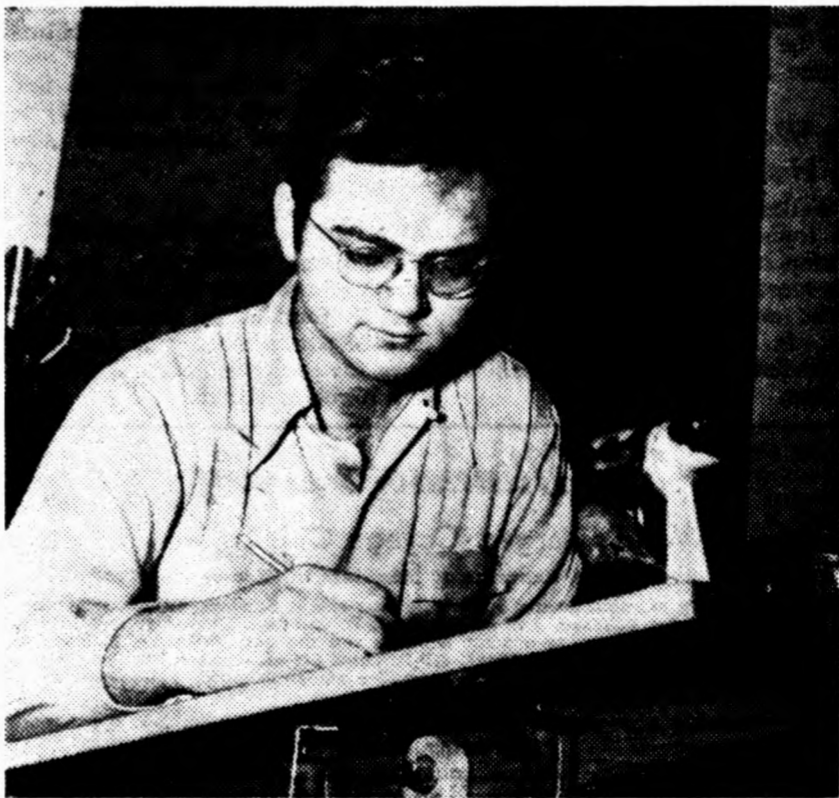

He also has been studying some law lately. He hopes to be able to cut down on attorney's fees when he applies for his first patent soon.

March of Dimes To Be Directed By U Councils

The March of Dimes drive on campus this year will be carried out by groups within the Panhellenic, Interfraternity and Inter-residence councils.

Organization of the drive, sponsored by the sophomore cabinet, got under way Thursday at a coffee hour in the Union. Cabinet secretary Sue Levy announced that each fraternity, sorority and residence group raising the most funds will get a prize.

The campus March of Dimes drive will begin Tuesday and continue until Jan. 28.

ANOTHER BRAINSTORM IS put on drawing paper by Tenny Lode, Arts senior. Tenny who is 17 years old will graduate with a major in mathematics after spring quarter. He passed the University's entrance tests when he was 12, but his parents persuaded him to attend University High for three years before coming to the University in 1947.

Meeting Called On Wage Study

A preliminary meeting will be held Monday or Tuesday to lay groundwork for the forthcoming study of civil service wages, Harry Hanson, state labor conciliator, said yesterday.

Agreement on the study Wednesday brought a truce in the University's wage dispute with Public Building Service Employees local 113, which is seeking a \$14 raise.

After conference with Hanson Wednesday, the union and the University agreed to a survey of state and University civil service wage structures to see if comparable jobs receive comparable wages, as required by state law.

The University has agreed to correct pay rates in cases of incomparability wherever such corrections are possible.

"We'll take spot checks of two or three groups first," Hanson said. "For instance, all University hospital pay rates against state hospital rates." The first meeting, though, will be to determine procedures and basic information for the study, he said.

Food service, custodial and Ag campus wages may be examined in the survey. Hanson expects it will be completed within a month.

Music

'Tristan and Isolde' Is Artistic High Point

By Arnold Rosenberg
Daily Music Critic

Helen Traubel, Lauritz Melchior, Antal Dorati and the Minneapolis Symphony orchestra presented a special concert version of Wagner's "Tristan and Isolde" last night in Northrop auditorium.

Artistically, this marked one of the high points of the orchestra's season, and from the looks of the attendance, it probably was a financial success too.

This "arrangement" of music from "Tristan" has been made with good taste. It has been squeezed to fit the normal time limitations of a concert, leaving all the juice and a few of the kernels.

Helen Traubel gave a stellar

portrayal of Isolde, singing with glorious tone and magnificent control.

Melchior was in good form, singing in key throughout the evening and with only occasional straining in the top notes.

The orchestra played with the elan of a veteran pit orchestra, and Dorati called forth some really sumptuous tones.

As was hinted earlier in the season, Dorati came through as a top-notch Wagnerian conductor, demonstrating a definite flare for this type of dramatic and theatrical musical.

The music presented included from the first act: Prelude, Isolde's Narrative and the Love Potion Duet; from the second act: Introduction and Love Duet, with Brangena's passages judiciously given to the full-throated French horns; from act three: Prelude, Tristan's Death and the unearthly Liebestod. Each act was separated by an intermission.

New Rural Youth Agent Appointed

Robert R. Pinches, last year's president of the Minnesota 4-H Agent association, has been appointed state rural youth agent in the Minnesota Agricultural Extension service.

He will work with some 2,400 Rural Youth federation members in Minnesota.

An agriculture graduate of Ohio State university, he will succeed Kathleen Flom, who was recently named assistant 4-H club leader.

Pinches has been working with the service since 1945. He had previously worked with the Bureau of Agricultural Economics in Washington, D. C.

Fellowship Will Hold Gandhi Discussion

The Ag Congregational-Presbyterian Fellowship will hold a supper meeting at 6 p.m. tomorrow in the St. Anthony Park Congregational church, Commonwealth and Chelmsford, St. Paul.

The program will consist of a discussion entitled "Gandhi." Students will dress for a skating party afterward.

The Fellowship will hold a bake-sale at 8:45 a.m. to 1:45 p.m. Monday in Coffey hall near the post office.

Heneman Attends Ed Meeting at U of Chicago

Herbert G. Heneman, Jr., assistant director of the Industrial Relations center, attended the second Worker's Education Professional conference at the University of Chicago Monday through yesterday.

Today and tomorrow he will attend the tenth annual Midwest Workers' Education conference in Milwaukee. The conference is being held under the auspices of the American Labor Education service.

Informal Coed Rushing To Continue All Quarter

Informal sorority rushing will continue throughout the quarter. Janna Oppegard, Panhellenic council president, said yesterday.

Coeds wishing to go through rushing may sign up from 2 to 4 p.m. daily in 225 Union. Informal rushing activities include lunch, dinner and party invitations.

Square Dancing Planned

Family square dancing will start at 2:30 p.m. Sunday in the Ag Union gameroom lounge. Dancing will be open to all University residents and their guests. The charge will be 35 cents a person.

Center to Hold Courses in Child Care, Cancer

Two new courses are opening at the Center for Continuation Study Monday.

A course in child health will be held for public health nurses Monday and Tuesday.

It will deal with such subjects as helping the child of school age in understanding his physical and emotional development, using conferences as a method of teaching and working with groups.

Also starting Monday, there will be a course in cancer education for nursing instructors. It will run for three weeks.

This course will deal with many aspects of cancer and will include lectures, seminars, demonstration classes and films. Tours will be made to the University tumor clinic and detection center and the Cancer Nursing home, St. Paul.

Price of Yearbook To Increase Feb. 3

Students who want to get the Gopher for \$4 must reserve their copies before Feb. 3, assistant business manager Cal Probst warned yesterday.

After that date students must pay \$5 for the year book in one lump sum.

Students may reserve their copies of the Gopher by paying \$1 down before Feb. 3. They will have until March 4 to pay the remaining \$3.

Sororities to Hold Dinner In Temple Israel Monday

Sigma Delta Tau and Alpha Epsilon Phi, academic sororities, will give a dinner at 6 p.m. Monday in Temple Israel.

At the dinner the sororities will present to Mount Sinai hospital the proceeds of the charity ball they held last quarter.

SPAN to Select Summer Faculty Group Tomorrow

The Minnesota SPAN association will meet at 2 p.m. tomorrow at the College of St. Thomas.

Faculty advisers for the SPAN trips next summer will be chosen at the meeting. The group also will make financial plans for the 1950-51 SPAN program.

Russell Cooper, assistant dean of junior college, will be the University faculty delegate at the meeting and Jean Fletcher, Ag senior, will be the student delegate.

A vice president and a recording secretary will be elected to fill out the rest of 1950.

Max Suprunowicz

High Scoring Mack Suprunowicz of Michigan and Bill Rapchak of Michigan State are all set to give the Gopher defense a bad time.

Cagers to Oppose Michigan Tonight

Both Minnesota and Michigan will be struggling to get back into the win column and a corner of the conference championship picture when the two cage teams clash tonight at Ann Arbor.

Michigan is seeking to recover from two decisive defeats at the hands of Wisconsin and Ohio State last weekend.

Mitchell

Minnesota's Gophers will be bucking against Michigan's home floor advantage tonight as Ozzie Cowles aims for his first road and second conference victory.

Wrestlers Battle Cats, Bucks in Double Bill

Minnesota's green wrestling squad, with inexperienced men filling four weight divisions, enters into major competition today at Evanston.

Gym Team Faces Iowa In Opener

A heavily-favored Minnesota gym team opens defense of its conference title today against Iowa's Hawkeyes at Iowa City.

The Gophers will send a five-man squad against an Iowa team which this year has revived the sport after a lapse of seven years.

Iowa already has one meet under its belt, having lost to Nebraska 54-42 last week.

Don Loken, tumbling and trampoline specialist, did not accompany the squad when it left yesterday. Loken is not eligible for today's meet, but may be on hand next week when the Gophers face Wisconsin here.

Iowa's strength against Nebraska was concentrated in the tumbling and trampoline events where Gopher talent is admittedly below average.

The Gophers figure to chalk up more than enough points in the other four events, however, to post a victory.

Squad members are Herb Loken, Doug Sorenson, Howie Swanson, Dick Flood and Howie O'Connell.

Minnesota Mittmen Tie 4-4 With DePaul

CHICAGO (SPECIAL)—A victory in the final bout by heavyweight Bill Schertler gave DePaul university's boxing squad a 4 to 4 tie with Minnesota last night.

Trailing 3½ to 1½ after the Gophers' Cody Connel, national intercollegiate middleweight champ, gained a decision over DePaul's Clarence Telkes, DePaul came back with a win by John Walsh over Minnesota's Ed Williams, 165-pounder.

Roy Kelly, DePaul lightweight, drew with Minnesota's Gene Stevermer to set the stage for Schertler's win.

Neil Ofsthun opened Minnesota's scoring with a win over bantamweight Ted Bella.

Healthy Swimmers Face Wolves Today

Minnesota's swimming team opens its conference schedule against Michigan at 3 p.m. today in Cooke hall pool.

Niels Thorpe's mermen finished a week of heavy training yesterday and the rugged conditioning process the Gophers have been going through has begun to pay dividends.

Free styler Paul Lukens, a disappointment earlier in the season, has shown indications of the form expected of him and Thorpe has entered Lukens in the 50 and 100-yard dashes and the 400-yard free style.

Despite the steady improvement in the squad Thorpe rates the powerful Wolverines too strong to take this early in the season. But the Gophers will be on the upgrade from now on, he says.

A bright spot in the Minnesota lineup will be the fancy diving of Captain Charles Robison and Gil La Londe, who finished one-two against Michigan State last week.

Minnesota will be looking for its first victory in 16 dual meets against Coach Matt Mann's Wolverines.

Wallerius, Gelle Work With Frosh

With the Gopher cagers at Michigan, Bob Gelle and John Wallerius worked with the freshmen yesterday. They have been practicing with the varsity.

The two took part in a short scrimmage. Gelle and Wallerius lined up with the golds who included Wally Walbaum and Bob Bartholomay, forwards, Wallerius, center and Bob Barnette along with Gelle at the guards.

A white-shirted team had Jim Mittun and Don Mauer, forwards, Dave Fagerness, center and Buster Radebach and Shorty Cochrane, guards.

Wallerius and Walbaum paced the top three defensive men in three-on-three drills were Gelle, Barnette and Bartholomay. Gelle, who stands 6 feet, 3 inches and weighs over 200, was very effective under the backboards.

Wallerius played good defense and threw in a few pivot shots. Gelle and Wallerius will continue to work with the varsity next week but Coach Joe Vancisin expects the two and Dave Weiss to join his squad after he cuts it down to around 20.

Conference Track Aces Hit Stride in Warmups

Jim Kelly's Minnesota track team isn't the only Big Ten club training these days.

Some of the teams have men competing in meets. Jan. 14 Wisconsin's Don Gehrmann won the Washington Star relays mile in 4:13.2, and Michigan's two-mile relay team finished fourth, nine-tenths of a second out of first.

In the pole vault, Illinois' Don Laz, who will appear here Feb. 18, tied for first at 14 feet. Another pole vaulter, Michigan's Ed Ulvestad, has had an appendectomy and will miss the indoor season.

Also at Michigan, Charlie Fonville, who missed the 1948 Olympics and all of last season with a back ailment, is working regularly and will compete in the Michigan AAU meet Jan. 28 at Ann Arbor. Sophomore Don McEwen has already run a 4:18 mile.

Down at Illinois, sophomore Lawton Lamb recently ran a 4:18.4 mile and ex-Illini ace Bob Richards reached 15 feet in the pole vault seven times but knocked off the cross bar with his arms each time.

Distance runner Frank Owens and sprinter Charley Peters of Indiana will compete in the Boston Knights of Columbus meet tonight.

Connell with Ed Mullins and Ron Moloy won over DePaul's Dan Marquez to give the Gophers a 2½-1½ margin at the intermission.

This was the second consecutive week that inability to win in the lightweight and heavyweight classes cost the Gophers a victory and forced them to settle for a draw.

Connell and Moloy both matched victories gained over the Blue Demons last year.

Minnesota will open an attractive home boxing schedule next week when the Gophers tangle with John Carroll university of Cleveland.

Results: 125-pound class—Neil Ofsthun (Minn.) d. Ted Vella (DePaul); 130-pound—Dave Miyagawa (DePaul) d. Dave Mackey (Minn.); 135-pound—Ed Mullins (DePaul) d. Joe Mackey (Minn.); 145-pound—Ron Moloy (Minn.) d. Dan Marquez (DePaul); 155-pound—Cody Connel (Minn.) d. Clarence Telkes (DePaul); 165-pound—John Walsh (DePaul) d. Ed Williams (Minn.); 175-pound—Gene Stevermer (Minn.) d. Roy Kelly (DePaul); Heavyweight—Bill Schertler (DePaul) d. Ron Raveling (Minn.).

Gopher Six Swamps Michigan State 8-2

EAST LANSING (SPECIAL)—Minnesota's hockey team spread its scoring among seven players and blasted out an 8 to 2 triumph over Michigan State last night. It was the Gophers' first triumph of the season.

Led by center Russ Strom the Gophers snapped their four-game losing streak before a skimpy crowd of 1,130 which watched the Spartans drop their third straight game since hockey was revived after a 20-year lapse.

Strom, who scored two goals and an assist, flicked in the tying score late in the first period and then punched the tie-breaker past goalie Del Reid in the second to put Minnesota in a lead the Gophers never relinquished.

Minnesota, using reserves much of the time, forced Reid to kick out 65 shots, compared to 26 saves for Minnesota net-minder Bob Moran.

Michigan St. Minnesota: Del Reid G. Bob Moran; Bob Finnaraan LF. Jack Bonner; Don Gorman RF. Bob Nyhus; Don Kauppi C. Russ Strom; Joe Suarez LD. Mel Peterson; Jim Doyle RD. Charles Massie. First Period scoring—Minn., Connelly (Bjorkman) 2:50; MSC, Bristol (Blair, McCormick) 9:53; MSC, Kauppi (Doyle) 12:23; Minn., Strom (Bodin) 17:55. Second Period—Minn., Strom (Nyhus) 7:37; Minn., Bjorkman, 10:16; Minn., Bonner (Engelstad) 12:42. Third Period—Minn., Engelstad (Bjorkman) 12:26; Minn., Bodin (Strom) 14:23; Minn., Sedia (Connelly) 18:32.
