FIELD AND TRACK

Annual Spring Sports on Northrop Field—Weather Unfavorable—High School Events

Despite the cold and wind a large number of enthusiasts attended the track meet on Northrop Field Saturday afternoon. The weather was not favorable for records, but several good ones were made, however. In addition to the University events, 13 in number, the Twin City High Schools competed in eight events, for the inter-scholastic banner offered by the University Athletic association. In the inter-scholastic meet St. Paul won out with 26 points, Minneapolis Central second with 22 points. A feature of the High School events was the running of Myrick, of South Side High, who made the 100-yard dash in 10 1-5 seconds. Bochman, in the University events, won the 100-yard dash in 10 1-5 seconds, and both hurdle races. Harris showed up well in the 220 and 440-yard dashes.

This meet was the trial one for the selection of the team that is to meet the Iowa team next Friday afternoon on Northrop Field.

The following is a record of the University events:

Quarter-mile Run—Harris, first; Tibbetts, second; Dix, third; time, 55 1-5 seconds.

100-yard Dash—Bockman, first; Bockman, second; McPherson, third; time, 10 1-5 seconds.

120-yard hurdles—Bockman, first; Tate, second; McPherson, third; time, 16 2-5 seconds.

Half-mile Run—Harris, first; Riebeth, second; Bass, third; time, 2 minutes 5 seconds.

220-yard Dash—Tebbutt, first; Harris, second; McPherson, third; time, 25 seconds.

Mile Run—Caine, first; Davis, second; Francis, third; time, 5 minutes 13 seconds.

Pole Vault—Pierce, first; Furber, second; Smith, third; height, 10 feet.

Putting 16-pound Shot—Mueller, first; La Fans, second; Priedemann, third; distance, 36 feet 10 1-2 inches.

Running High Jump—Tate and McPherson tied for first; Bochman, third; height, 5 feet 4 inches.

Discus Throw—La Fans, first; Mueller, second; Francis, third; distance, 99 feet.

Running Broad Jump—Pierce, first; Tate, second; Collins, third; distance, 20 feet.

Hammer Throw—La Fans, first; Francis, second; Mueller, third; distance, 101 feet 8 inches.

Cyril F. Sweet, a Senior medical, has been appointed to the position of dental surgeon, U. S. A. Immediately upon graduation he will leave for Washington to enter the service. The position is a good one and carries with it the rank of first lieutenant. Mr. Sweet is a brother of Representative John C. Sweet, of Minneapolis.

NEW ALUMNI DIRECTORY

Registrar Johnson has completed the work on the new Alumni Directory and several copies were distributed yesterday. The book, which is the work of the University Press, is much larger than any before issued and contains much of interest and information to alumni. The first part of the book is taken up with many interesting articles, mostly clippings from the DAILY, on various subjects pertaining to the University. A cut of the Pillsbury statue, with a report of the unveiling is given, which will be of interest to alumni, because of the large interest that they have had in the undertaking. A short resume of the season in athletics is given with the record of the various games.

The names of the graduates are arranged first in order of classes, followed by a list in alphabetical order, together with the occupations and addresses of each, so far as it was possible to obtain information. The Directory as a whole is very complete and exact, well arranged and well edited, and Mr. Johnson, who has had the work in charge, is to be congratulated upon the success of his efforts.

GOPHERS OUT WEDNESDAY

Although it has been announced that the Gopher would be on sale this morning, owing to an unavoidable delay at the bindery but 300 copies are ready for distribution, and the Board has decided not to open the sale until tomorrow morning when the full edition will be ready. Get your Gophers tomorrow morning in the Post Office.

INTER-SOCIETY DEBATE

The inter-Sophmore debate, held last Friday in chapel, was won by the affirmative, supported by R. P. Chase, R. Sigmunstad and W. I. Norton. The question for debate was: "Resolved, That the presidential term should be extended from four to seven years, and that the president should not be eligible for reelection." The negative was upheld by G. G. Pinney, C. E. Austin and Nicholas Hanson. Mr. Norton put up an especially strong debate. The judges were: J. A. Burger, James McIntyre and H. B. Gislason. Professor Sanford presided. Each member of the winning team was awarded \$25. This prize was obtained from ex-Governor Pillsbury by Miss Sanford, and is only another instance of the governor's generosity to the University. These offers of prizes have done much toward stimulating debating interests this year.

The residence of Dr. W. W. Folwell, 1020 Fifth street S. E., was badly damaged by fire early Saturday morning. The doctor's valuable library was slightly damaged. Dr. Folwell is at present in Washington, D. C., as a delegate to the convention of Associated Charities and Corrections, now in session in that city.

DEFEAT CARLETON

Varsity Best Carleton by Score of 9 to 3—Visitors Play a Good Game

Minnesota defeated Carleton College yesterday to the tune of 9 to 3. The game was not a very exciting one, although several good plays were made on both sides. It is fair to say that the visitors were outplayed, as their score indicated, both at bat and in the field. There were several errors on both sides, and to tell the exact truth the Varsity never did go into the game with the full vim that the boys are capable of showing.

Rose pitched a good game for Carleton, but did not have as good assistance behind the bat. The Carleton catcher could not throw to second and the home boys soon found his weakness and stole to second whenever they felt like doing so.

For the Varsity, Plymat, on third, was called upon to catch several flies, which he did without a single failure.

The seventh inning, which has heretofore proved one of hard luck for the Varsity, brought in three men for the home team. First, Solem struck a magnificent grounder and sent two men n, taking second for himself. Hammeril followed at the bat and was struck out. He was followed at the bat by Varco, who sent Solem across the plate.

The totals of the game were as follows:

	R. H. E.
Minnesota	9 11 4
Carleton	3 8 5

Totem Force added another feather to his cap by his fair decisions.

*The only grandstand play was made by Manager Ellwood, of the Law Department.

OFFICIAL FIGURES

Columbia wins the inter-collegiate strength contest, Harvard second, and Minnesota third. Allis, of Minnesota, holds the highest individual record. The official figures are: Columbia, 65,271.5 K.; Harvard, 64,090.4 K.; Minnesota, 56,160.4 K. The total of the best fifty men of all colleges is 70,861.7 K. as against 63,904.5 K. last year.

The tests of the first ten are as follows:

1. R. W. Allis, Minnesota, 1940.9.
2. C. G. Herbert, Harvard, 1869.5.
3. A. Tyng, Harvard, 1739.2.
4. H. H. Weekes, Columbia, 1709.
5. R. G. Hall, Harvard, 1652.
6. H. A. Varnum, Amhurst, 1641.9.
7. C. T. Swart, Columbia, 1601.5.
8. V. de La M. Earle, Columbia, 1590.6.
9. S. G. Ellis, Harvard, 1536.4.
10. W. W. Card, Harvard, 1534.1.

Minnesota has five men in the first 50: Allis, 1940.9; Novig, 1431.8; Nelson, 1430.3; Catlin, 1385.3; Woodward, 1285.4. Allis made the best record in the pull-up, 44; push-up, 71; and chest and upper arms, 815.4. Nelson made the highest in the back test, 390.

The '02 Gopher

Congratulations are due to the Junior class and its efficient Annual board, upon the appearance of the '02 Gopher. As was stated in the review of the production in Saturday's issue, the latest Gopher is a credit to the class and to those who have had its preparation directly in charge. It is representative of the entire University, all classes and interests coming in for their share of attention. It chronicles accurately and fully the year's events so far as they relate to University affairs, presents work in designing and illustrating that has certainly never been surpassed, even if equalled, in similar productions and furnishes all the amusement that one would naturally expect to find after a survey of the excellent "Greeting" design wherein a jester with cap and bells embodies the spirit of the book. A most gratifying report is made of the financial status of the management. From present indications it is safe to say that the class will be relieved of any financial burden as a result of the undertaking, and it is possible that a surplus will be left when the final balance is struck. The DAILY extends heartiest congratulations to the Junior class and the '02 Gopher board and bespeaks the most enthusiastic reception for the '02 Gopher.

Federal Society

There seems to be some misunderstanding regarding the time when it is required that the Federal society shall organize. The constitutional provision governing this matter is as follows: Art. V, Section 2, "The society shall meet to effect an organization within four weeks from the time at which the representatives were chosen by their societies. A temporary president and secretary shall first be elected and the society shall then proceed to consider and ballot upon the names of any candidates proposed as members at large. After all names so proposed have been passed upon the new members admitted shall join with the others in

effecting a permanent organization."

Sec. 3. "The society shall re-convene at the opening of the University year and hold weekly meetings until the holiday vacation."

Since the constitution, Art. V, Sec. 1, requires the selection of representatives to the Federal society at the first meeting held by the several literary societies in May and the organization of the Federal must take place within four weeks from that time it is clear that steps should shortly be taken by the Executive Board for the convening of the members-elect in order that the organization may take place according to the constitution. The Board will doubtless take action when the proper time comes and until that time those interested are urged to plan the reforms to be introduced in the methods of conducting the debates in the society.

ALUMNI

Martha A. Sheldon, '83, B. A., and M. D. of Boston University, is now stationed at Khela P. O., Almara Dist., Bhot, India, where she is acting as a medical missionary of the Methodist Episcopal church. In a note to Registrar Johnson she says, "Am encouraging the people to give fees for medical services, as they are well-to-do and independent; hence I have given up my salary from the missionary society. Hope to spend my life in these mountains to bring the people to a knowledge of God through Christ."

Wm. B. Roberts, '98, graduates this spring from the Hahnemann Homeopathic School of Medicine, Philadelphia. Mr. Roberts recently took an examination for intern in the New York Homeopathic Hospital and ranked first among the contestants from his institution.

A BEAUTIFUL CAMPUS

A visit to the Agricultural School, within the next two or three weeks, will be well worth the trouble for any University student, who enjoys the effect produced by a profusion of flowering shrubs arranged in an artistic manner. It may be said with truth that there is no prettier park or ground in the twin cities than the campus of the Agricultural School. The clean, solid roadway, lined on either side by young maples, elms, rows of shrubbery; the buildings among the groves of oak, with the beautiful carpet of grass beneath; the lawns surrounding the buildings, and the little groups of pines or ornament shrubs scattered here and there where nature left the landscape bare, tend to produce a nook of most charming beauty.

 members, and Treasurer Hhanson gave
 sented the financial need of next year.

WOMAN'S LEAGUE MEETING

Various groups of the Woman's
 League held gatherings Saturday after-
 noon. On account of the cold weather
 many of the picnics that had been plan-
 ned had to be dispensed with, and in
 place of them indoor parties were held.
 Four groups had the pleasure of a visit
 to the Agricultural School, where they
 enjoyed the various items of interest to
 be seen at the Farm school. Some
 meetings were postponed until Monday,
 others until next Saturday.

MINNESOTA ACADEMY OF NATURAL SCIENCES

The Minnesota Academy of Natural Sciences held a profitable and interesting meeting in the chemistry lecture room Saturday evening. Dr. Frankforter gave a lecture on "Color Photography," in which the various principles and processes of this branch of photography were clearly set forth. A number of samples and specimens were shown. Because of the fact that the lecture would be of interest to amateurs, the Camera clubs of St. Paul and Minneapolis had been invited and they responded with a liberal attendance.

LECTURES IN MODERN INDUSTRIALISM

Prof. Frank L. McVey is absent from the University this week. He will attend the convention of Associated Charities and Corrections which is being held in Washington this week and later will spend a few days at New Haven and New York on business.

During his absence the following gentlemen will lecture to the class in Modern Industrialism: Tuesday, May 14, Rev. David Morgan, on "Trade Unions;" Wednesday, May 15, Prof. M. W. Hays, of the Agricultural School, on "Farmer and the Labor Question;" Friday, May 17, Mr. A. B. Mercèr, on "The Injunction in Labor Questions." Dr. Folwell will lecture to the class on Saturday, May 18, on the subject, "Trusts."

FIELD MEET WITH IOWA

The field and track meet with the University of Iowa will take place next Friday on Northrop Field. Only first place will count in the events and hence a majority of the events must be won in order to win the meet. Iowa is strong in the quarter, half, hammer throw, and discus throw. Minnesota is also strong in the quarter and has a good chance in the hurdles, pole vault and the jumps. The Hawyokes were to have met Northwestern at Evanston Saturday, but rain prevented. The baseball and tennis teams will accompany the track team and meet Minnesota competitors on Saturday, the tennis tournament Saturday morning and the ball game in the afternoon.

FACULTY-SENIOR B A GAME

The baseball game between the Seniors and the Faculty, which was to take place next Thursday, has been called off. Arrangements had been completed and the teams selected, but owing to objections from certain quarters, the management withdrew its offer to the Seniors and refuses to let them have the game as planned.

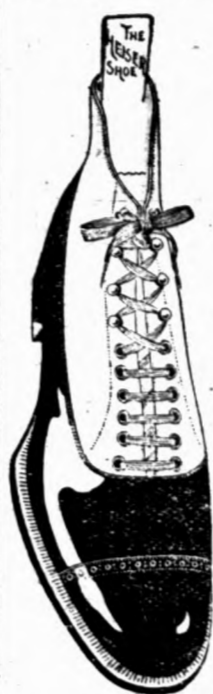

THAT BARN

The authorities have selected a portion of the campus contiguous to the Law and Y. M. C. A. buildings and adjoining the tennis field upon which to build a horse barn, and the action has aroused the ire of the students immediately interested. Just why a building of this nature was not placed at the river bank, or beyond the railway tracks, is not apparent. The beauty of the choice spots of the campus is thus marred, and the development of "horse sense," which was doubtless in contemplation, does not seem to have been exercised in selecting this location.

A Law Knocker.

AT OTHER COLLEGES

Harvard won the seventh consecutive debate from Princeton Friday evening at Princeton. The question was: "Resolved, That congress was justified in imposing the terms embodied in the Platt amendment to the army appropriation bill, as conditions precedent to leaving the government and control of Cuba to its people,—the condition with regard to the Isle of Pines being excepted." Harvard supported the negative.

OFFICIAL NOTICES

In order to make the change from the three-term to the semester plan work as smoothly as possible, it is very desirable that students be given every possible chance to remove their conditions, so it is proposed that students having conditions in the work of the first or second terms be allowed an examination this spring according to the following scheme:

- MONDAY, MAY 13TH: 8:00 a. m.—Freshman, German, French, Greek. Sophomore, Greek, German, French, Mathematics.
- 10:30 a. m.—Freshman, English. Sophomore, English.
