

## Erin Paradis- Image List

The images included in my MFA Thesis Exhibition are all part of one installation.

The entirety of the installation was titled:

*Can you look where I'm pointing? If you focus hard enough, this is where it all feels right.*

The following materials were used:

Clay, cement, steel, acrylic, wood, foam, fabric, drywall, string, wire, hardboard, gouache, graphite.

Dimensions were variable as the piece was a Room Installation.
