WILL BE A DECISIVE GAME

Much Depends Upon Tomorrow's
Game Both to Nebraska
and Minnesota

According to all reports heard from Nebraska, the Cornhuskers will face the Minnesota eleven with a heavier team than that of last year, in fact, heavier than the present Minnesota line up. The maroon and gold aggregation, however, hope to overcome this disadvantage by science and speed and if they fail to win it will not be on account of lack of practice.

A few days ago Coach Booth lined up his scrubs against the regular Nebraska eleven. As an especial incentive he promised the second team a swell dinner in case they should score a touchdown against the Varsity. A second offer of that kind was not necessary for the scrubs set to work with might and main and the ball mas in a few minutes pushed over the first team's goal line. After practice Coach Booth kept his promise and the scrubs ate their fill.

Yesterday afternoon, however, the regular team showed up a little better and the scrubs after trying in vain to make a showing, but failing to make any material gains, were forced to punt. The Varsity quarter-back, Benedict, made an awful fumble in trying to catch the ball which slipped out of his arms and went bounding down the field. In the race for the pig skin, which followed, a scrub won out and fell upon the ball, across the first team's goal line. This was too much for Booth, who promptly called the stuff off, and lectured the first team in a style more forceful than elegant.

While these two incidents do not seem to reflect creditably upon the first Nebraska eleven, nevertheless, they should not be taken as criterions by which to judge our opponents of next Saturday. Their previous practice on the whole has been comparatively excellent. Their line is heavy, their head work good and their speed decidedly above the average. In their games so far this season, particularly in their game with Colorado, the Cornhuskers have won mainly by their superiority in playing a kicking game.

They are strong in every department of the game and are fired by the ambition to make a record that will get them into the Western conference. The game will be a decisive one for both teams and will be a hard one.

Alumnus Will Speak

John Lind, J. C. Haynes and others will speak tonight at the big tent, corner of 4th Street and 12th Avenue. Whether he talks on politics or any other subject Mr. Lind is one of the most instructive and eloquent of speakers and all who can possibly hear him are certain to be well repaid for the effort.

Match Undecided

Yesterday's match in tennis between Northrop and Werner resulted in a tie, each man winning two sets. Northrop won 61, 86; Werner, 6-4, 6-2. The decisive match will be played at the third hour today. Newhall will then play the winner for the tournament championship.

MONSTER MASS MEETING TODAY

Meeting of Rooters' Club in Chapel at Third Hour—Band and Glee Club to Be Present—Songs Will Be Practised and Jones Will Speak—Everybody Come

Today at the third hour will occur the first regular Foot-ball mass meeting. These mass meetings have become regular features of the Foot-ball season and their results have been manifold.

To say that the meeting today will be a hummer would be putting it mildly. It is confidently expected by those in charge that it will eclipse anything of the kind ever attempted here.

Arrangements have been made with the band to be present and discourse sweet music. It is also expected that the Glee Club will be on hand to lead the singing. The DAILY publishes the songs in this issue. Save them and take them to the meeting. Speeches will be made by many prominent University men, both professors and students.

Among those who have consented to be on hand are, Profs. McVey, Jones, Nachtrieb and MacMillan, Jay Kenecot. President of the Athletic Board, D. L. Grannis, the Orator from the Law Department, and several others of equal notriety.

Besides this the yells will be practiced and a magophone brigade organized. This brigade will meet tomorrow at 12:30 when they will form in line and proceed to the game in a body. Seats have been arranged for them and it is urged that every man procure a magophone and join this brigade of patriots. Megaphones can be procured at either of the book stores. Be sure to be present at the meeting and get enthused. There will be plenty of it floating around.

COME TO THE
Band Informal
TO-NIGHT AT THE ARMORY

Sophomores Take Their Turn

The hoodoo which seems to follow '05 class meetings was exceptionally busy yesterday morning. Miss Stone's lecture in the Y. W. C. A. room, the address in the chapel and a senior meeting called at the same room at the same time as that of the sophomores, all contributed to decrease the attendance. Finally the class got together in Dr. McVey's room and made up by enthusiasm what they lacked in numbers.

Messrs. Cook, Ruble, Thompson, Scace, Smith and Sainsbury were appointed judges of election and all other proceedings are under their charge. This concluded the business of the meeting, but the gathering continued in session as a caucus and petitions were started nominating Garfield. Brown for president and Chas. Philipps for treasurer.

Alumni Hunches

The "Haunch mania" has crossed the state line and some of our Alumni have caught a malady similar to that of the Iowa Athletic Manager of yore. We hope, however, that the majority of the following haunches as to the result of tomorrow's game will prove more true than the haunches of the Iowan.

Johnny Campbell, of eternal rooter's fame says, "We'll beat Nebraska to the tune of 27 to 0, provided Johnny Flynn and Sig. Harris are in the game and the fellows yell."

Henry C. Tweet, of the 1900 championship team says, "I don't see why Minnesota should not win from Nebraska. I know the boys are not in as good a trim as they might be; but they have the Minnesota spirit. Say, if you had been with the boys when we held Wisconsin within 6 inches of our goal in 1900, you would know what the Minnesota spirit is. I predict not a

EXCHANGES

It is now up to Nebraska to defeat Minnesota and the prospects are very encouraging. The showing made against Grinnell considering the condition of the field was very favorable. While Nebraska is not what might be called a heavy weight team, still the line is sufficiently strong to withstand any opposition that so far has been hurled against it.

The gates at the field were locked last night and the squad went through secret signal practice. Bender is recovering from the injury to his side received a few days ago and will be in good condition to take the trip. Maloney is still in bad enough condition with his shoulder to be kept from the field.

While Nebraska is not confident, yet there is a feeling that Minnesota may run up against a hard thing on Saturday. In fact, it is stated quite confidently that we will get revenge for past defeats.—From *The Daily Nebraskan*.

Phil King, the Wisconsin coach, made the following statement to the *Michigan Daily News* after the Michigan game: "Michigan played a fine game. They have a good fast team. I think Michigan is a little farther advanced just at present than we are. They get together better." Fullback Driver said, "It was a good game. It is too early to compare Michigan and Wisconsin, but there will be a great game when Wisconsin and Michigan meet. Wisconsin will send 1,000 rooters to Chicago."

The movement which is being agitated to establish a course in economics and law will meet with the endorsement of every student in the institution. A business course of this nature has been a long needed want.

FOOTBALL SQUAD AT THE LAKE

Dr. Williams Takes His Men to
Lake Minnetonka—His
Object a Mystery

Dr. Williams and his band of warriors go to the Lake this morning in order to put on the finishing touches for tomorrow's great game. Both the first and second team will make the trip and they will not return until just before the game. This is no invitation as Dr. Williams has made this a regular event before a big game. And it always noticed that something happens on the Northrop Field when the team returns.

It is not known what is done upon these occasions, for it is kept a profound secret, but suffice it to say they always seem to have the desired results. Whether the Doctor uses some hypnotic power over the men, or whether the results are obtained by a course of lectures will never be found out. But as long as the results are apparent no one is anxious to know how they are obtained.

Prof. Mills Address

Prof. W. F. Mills, of Kansas, addressed the U. L. A. yesterday, at the second hour, on Socialism. He maintained that the idea of the sacredness of constitutions was like that of the divine 'right of kings' a thing of the past. Having thus disposed of the most serious objection to his theory, the Professor proceeded to lay before his audience the principle arguments for Socialism. He distinguished between State Socialism and Democratic Socialism—the former placing the responsibility on the state, the latter, which Prof. Mills favored, leaving that responsibility with the people themselves.

Tidings From Foreign Lands

Thursday at the second hour the Y. W. C. A. held one of the most delightful meetings of the year. Mrs. Joyce, wife of Bishop Joyce, introduced the speakers, Miss Ida Stone, a native Chinese girl, and Miss Ingram, daughter of an English barister, and an Hindoo princess, who after being educated in England returned to India as deaconess.

Miss Stone spoke of the life as a child of Christian parents, contrasting her lot with the pagan Chinese girl. She sang "Some Day the Silver Chord Will Break," very impressively. Of the large crowd which had gathered many remained to whom she sang in Chinese and in English. All were charmed with her personality and her powers of repartee.

Now Ready for Work

The Dramatic Club held an important meeting yesterday. The question of selecting some one of experience to assist the club and drill the members was the first matter to come up and it was settled by the selection of Mr. and Mrs. Holt, of the Johnson School.

The Club decided upon Henry Esmond's "One Summer's Day" as the play to be given this year. The play is a three act comedy and has never been presented as yet in the United States, although it made a hit in London last year.

The trials for parts will take place a week from next Tuesday.

The Informal

Tonight the University Band will give
its second informal dancing party.

It is due to the members of the band
who give their time and efforts to this
work, that every one who can possibly
come, to do so and encourage the boys
to better efforts.

The band goes this year, for the first
time, upon a trip through the states.
This means much in advertising to the
University, for it will show the people
of the state what we can do in a musical
way.

The proceeds of tonight's party are
to go towards defraying the expenses of
this trip. If the boys are willing to give
their time and money to this enterprise
surely each one of us can afford to give
a little of our time and money to help
the good work along.

Then let us all turn out and enjoy
ourselves.

Talk over the prospects for the big
game that comes on the morrow and
work up your enthusiasm to the boiling
point. After that nothing but victory
can come.

Let the watchword be: "On to the
Armory tonight."

Minnesota vs. Nebraska

Tomorrow, for the third time, Minne-
sota meets Nebraska upon the gridiron.
Upon this game will depend in a large
measure the standing of Minnesota in
Western Foot-ball. If we loose we
cannot hope for the Championship. If
we win all things are possible.

Nebraska has a good team, the best in
the history of that institution. To win
Minnesota must exert every effort.
Every ounce of reserve, however, must
be brought into play, by both students
and players, in order to down the
enemy. They confidently expect to win,
their men are in excellent condition, their
coach is as good as any in the west. To
win means much to them. For a victory
over Minnesota will entitle them to a
place among the leaders in Western
Foot-ball, instead of their present position
among the second raters.

To win this game, upon which so
much depends, every loyal student,
every Professor and every Instructor
should be present. Bring your horns,
your whistles, your drums, your mega-
phones and finally, but by no means the
least, bring your voices. Inspire the
men with your confidence and let them
share in your enthusiasm. Show them
that this great University is with them,
heart and soul. Cheer until you can.

cheer no more, for by this means, and
by this means alone, can we be assured
of victory.

Come to the mass meeting today.
Train your voices, get up enthusiasm,
and learn how to howl in a scientific
manner. The megaphone brigade will
be organized and the different yell cap-
tains will train their respective sections.
Besides this there will be speeches by
the faculty and those interested in ath-
letics. No one has any excuse for
being absent from this meeting. It is
the duty of every one to be present.
For we must have rooting at the Ne-
braska game, not the weak kneed rooting
that has characterized all the contests
thus far, but rooting so filled with en-
thusiasm and patriotic feelings that it
will sweep the Nebraska contingent
completely off their feet and put an-
other glorious victory to the credit of
the maroon and gold.

Sophomores and Freshmen

Let every Sophomofe and Freshman
read the following:

For the good of the University for
the benefit of athletes, and for the proper
instruction of Freshmen and Sopho-
mores and for humanity at large, it has
been provided that all Freshmen and
Sophomores are to attend Chapel to-
day.

But notice this:—All Sophomores
must enter Chapel either at the right
front door or right rear door, and all
Freshmen must enter either by the left
front door or left back door. There
will be ushers at each door leading into
Chapel hall and all the Freshmen will
be given seats to the left while the
Sophs will be given seats to the right.
The upper classmen will be seated be-
tween the two lower classes and when
the mass meeting commences, further in-
structions regarding the doings will be
given by Jack Thelan, the Rooter King.

Freshmen and Sophomores, follow
these instructions to the letter; and
something interesting will happen which
in itself will be an educator to you.

SONG FOR THE MORNING

Jesus! lover of my soul,
Let me to thy bosom fly,
While the billows near me roll,
While the tempest still is high.
Hide me, oh, my Savior, hide
Till the storm of life is past;
Safe into the haven guide,
Oh, receive my soul at last.

Other refuge have I none,
Hangs my helpless soul on Thee.
Leave, ah, leave me not alone,
Still support and comfort me.
All my trust on Thee is stayed,
All my help from Thee I bring;
Cover my defenseless head
With the shadow of Thy wing.

PIANOS

The tendency in prices of all manufactured goods has for years been steadily downward. In most lines the quality has gone down with the price. The public has gone bargain mad.

We deplore the fact that this spirit has invaded the fine arts—and people are buying pictures, books and musical instruments at "so much a square yard." But there is no royal road to true culture. A highly artistic musical instrument cannot be made by the "hit or miss" process, and sold for a trifle. A good piano is the result of painstaking, intelligent effort and costs a fair price. It is cheaper at a fair price than cheap stuff is at a trifle.

The Ludwig Piano

represents the highest possible standard of merit at the lowest possible cost. Not a dollar put in for the non-essentials, and not an essential left out. A full assortment of these artistic pianos always on exhibition on our floors. Sold on easy payments. Write for free catalogue.

Foot Ball Songs

(Tune—"Tale of the Kangaroo.")
 Nebraska she mas jolly,
 Nebraska she was gay,
 But when the game was over
 She felt the other way.
 She saw the constellations,
 The moon, the stars, the sun.
 Her team felt sort of sickly
 When the foot-ball game was done.
 Oh, U. of M's. a daisy.
 She'll knock Nebraska blue,
 She'll set the world all crazy.
 It will learn a thing or two.
 You'll weigh your 1500.
 That's no golden dream.
 Before you come a bucking.
 The Gopher Foot-ball team.

(Tune—"Yale Boola.")
 Nebraska she's a comin' to town.
 Dock Bixby he says so.
 They are coming here to make touch downs.
 But will they? Well,—no.
 They're trained since last November
 On our signals and you bet
 They think they know,—but that's all right
 We've got a brand new set.
 Chorus:—
 Then come on boys, we'll have 'em going.
 Rah! Rah! Rah! Rah! just make 'em sore, sore.
 Shove 'em back, now! Go right on through 'em.
 Eat 'em up then. Pile up the score.
 Doc. Bixby says that they don't like
 Our language and our height.

Now we can't help it; we were built that way.

Yes, we know that we're a fright,
 But when we get on the gridiron
 We're the stuff that counts a few.
 For when we put the ball in play
 Our boys go right on through.

Be sure to cut out these songs and learn them. Bring them to the mass meeting today as they will be sung. The band will furnish the music.

Miners Expect to Win

The school of Mines has organized a foot-ball team and its prospects are very bright indeed.

There is a large number of former High School players in the school, especially is there a good supply of backs and ends.

Mr. Wallace, '05, was elected captain and "Long" John Flynn is going to tutor the Miners in the game.
