A FINE SCHEDULE

Manager Wickersham Announces the Football Games for the Fall

The football schedule for next fall is announced as follows:

Sept. 15—Practice game with some High School.
 Sept. 22—Central High at Minneapolis.
 " 29—Carleton, " "
 Oct. 6—Grinnell, " "
 " 13—Chicago, " "
 " 20—Ames, " "
 " 27—North Dakota, " "
 Nov. 3—Wisconsin, " "
 " 10—Illinois, " "
 " 17—Northwestern, " "
 " 24—Fargo U. " "
 " 29—Nebraska, at Lincoln, Neb.

The above football schedule is probably the best one ever presented to the lovers of football at the University, and Manager Wickersham and the Board of Control deserve the very highest praise for their efforts in building it up. It is to be noticed that all the games except the last are to be played in this city on Northrop Field, the last one at Lincoln, Nebraska. Never before was such a treat offered the residents of Minneapolis.

For the first time in its history, Chicago leaves its home city and comes West, under the conditions of the two year contract between that University and this. Minnesota's team will be well prepared for them even though the date is early, by coming back early in the fall for practice at Lake Minnetonka, and because of the hard game with Grinnell the Saturday previous. The team will be in better shape to defeat Chicago than than at any other time.

Between the Chicago game and the Wisconsin game, which it will be noticed Manager Wickersham has scheduled here although it is Minnesota's turn to go to Madison, are two comparatively unimportant games, giving the team needed rest and still giving them practice. The Chicago and Wisconsin games are the two hardest ones and if we are defeated at all it will be by either or both of these colleges.

Illinois and Northwestern coming right after Wisconsin seem like a hard proposition, but it will be no harder than Northwestern, Beloit and Wisconsin, last year. Manager Wickersham has secured two-year contracts with both Illinois and Wisconsin.

The game with Fargo will give the team a little rest before meeting Nebraska.

It is to be noticed that Ames is scheduled, the differences between the two institutions having been patched up amicably.

All in all, the schedule is about as perfect in the arrangement of the games, and the "big games" scheduled as it could be made, and Minnesota looks forward to a triumphant football season.

With a good team—which seems assured—and Dr. Williams' assistance, the triumph is in sight.

DEBATE AND ORATORY

The New Order of Things—an Excellent New Constitution

Constitution and By-Laws of the Debating and Oratorical Association of the University of Minnesota.

ARTICLE I. NAME AND OBJECT.

Section 1. This organization shall be known as the Debating and Oratorical Association of the University of Minnesota.

Sec. 2. Its object shall be to promote the interests of Debate and Oratory in that institution.

ART. II. MEMBERSHIP.

Sec. 1. The membership of this Association shall be composed of the active and honorary members of the following literary societies: The Minerva, Hermean, Forum, Shakopean, Kent, Castalian, Law, and Blackstone.

Sec. 2. Any other regularly organized society may be admitted by a vote of two-thirds vote of the members present at any regularly called meeting, and a society holding membership in the Association may be suspended by a four-fifths vote of the members present at any regularly called meeting.

ART. III. OFFICERS: ELECTION AND DUTIES.

Sec. 1. The officers of this Association shall be a President, Vice-President, Secretary and Treasurer, Business Manager, who shall be elected by the Association at the regular annual meeting held on the third Monday in April.

Sec. 2. The President shall preside at all meetings, appoint all committees not otherwise provided for, issue the call for special meetings and perform such other duties usually pertaining to that office.

Sec. 3. The Vice-President shall act as President when that officer is absent or otherwise engaged.

Sec. 4. The Secretary shall keep a record of all meetings, shall hold the several offices to which the University is entitled in the debating and oratorical leagues in which it has membership, and shall conduct all the correspondence of the Association.

Sec. 5. The Treasurer-Business Manager shall have charge of the financial interests of the Association, shall receive and disburse all moneys on account on the same, shall submit all bills for inspection and approval to the body known as the Executive Board to be hereinafter provided for, and shall make an annual statement which shall be audited by the University accountant and read by him at the regular annual meeting of the Association.

[Continued in Friday's issue.]

Notes

The Athletic Board of Control has selected as Dr. Williams' assistant coach next fall, Mr. Geo. Donaldson, Mr. Williams' present assistant.

The addresses which were to have been given in chapel Tuesday afternoon were postponed on account of examinations.

SCORE ONE MORE

'Varsity Defeats the Bulls and Bears. Dr. Cooke Pitches

The Varsity won another easy game Tuesday from the Chamber of Commerce ball nine. The game was about the best natured game yet played, with the possible exception of the fiasco with the alumni early in the spring. The rooting was spirited, made so by the presence of about one hundred Chamber of Commerce habitués.

Dr. Cooke pitched for the Varsity and showed conspicuously that his base ball days were not over. He had the C. C. boys at his mercy most of the time, and scared them to death as often as he struck them out. The doctor has good speed, big curves and excellent control, and one can well believe that in his college days his pitching was not to be despised. He was caught by Barnard.

The fielding was sharp and the playing of both teams little more than mediocre. The "option" men never had any chance to win the game and they seemed to appreciate the fact.

This game was the last on the home ground this year, the team leaving Friday for Illinois where they play Saturday and then up to Chicago and Notre Dame. The boys should be given an ovation when they go. The Daily will announce the time of leaving tomorrow and as many as can should be at the train to cheer them on to victory.

The score:

	R H E
Minnesota.....	3 0 1 0 0 2 0 0 *—6 5 4
Chamber of Com.....	1 0 0 0 1 0 0 0 0—2 7 9

Batteries—Minnesota; Cooke, Barnard; Chamber of Commerce, Roberts, Owen; bases on balls, off Cooke 2, off Roberts 1; struck out, by Cooke 3, by Roberts 5; two base hit, F. Cameron; passed ball, Owen; attendance, 400.

Read This—and Laugh

The following is all that the *Daily Cardinal*, Wisconsin's newspaper (?) has to say about the baseball game here on Saturday. It is sufficient. They'd have made it shorter if they could.

Last Saturday at Minneapolis Wisconsin and Minnesota played the second and last baseball game of the series for 1900. The Wisconsin men could not solve Minnesota's south-pawed puzzle and consequently fell before Minnesota to the tune of 21 to 7.

The same paper, in predicting victory for the Cardinal against Chicago says, "Smith, Chicago's pitcher is right-handed, and Wisconsin has not lost a game to a right-handed pitcher this year." Now they have, Chicago defeating them 5-2. It's too bad. Wonder how the Badger's figure the championship race now? Wisconsin last, wouldn't come very far from the truth. The team's record isn't altogether satisfactory. Having had a coach all the year and the men on the training table doesn't seem to have improved the playing of the team very much.

Baseball—Tuesday

Hamline, 4—N. D. A. C., 3.
 Chicago, 5—Wisconsin, 2.
 Notre Dame, 5—Oberlin, 1.

Bird Notes

Some interesting observations on the migration of birds were made by Messrs L. O. Dart and R. J. Cassel at the Observatory on the evening of May 16. The birds fly at night and cannot ordinarily be seen. But by directing the telescope at the moon, they can be seen in dark profile, rapidly crossing its disk. The observations could not begin until the moon was well above the horizon—at 11:30, and clouds put an end to the work at 11:55. During this time thirty-two birds were seen, sometimes so plainly that the beat of their wings could be noticed. Very curiously they were all flying towards the West.

Some nights later Mr. Albert Lehman about three o'clock saw them crossing the moon at the rate of one a minute, flying toward the North.

Federal Society Notice

The representatives elected to the Federal society will meet to organize today at the beginning of the fourth hour in Dr. Folwell's room. All desiring election to the society as members at large should hand their names to some regularly elected member in order to have them presented for consideration. Let every member be present. Remember the time, 11:45.

Lake Geneva Delegates

The following Y. M. C. A. men are expected to represent the Association at the Geneva Conference, June 15-24:

Geo. Page, F. H. Hopkins, C. E. Chubb, J. Simmons, Peter Hanson, H. Hanson, E. N. Parmelee, and James Nicol. Several others are undecided.

Isn't it about time to sound the loud timbrel, blow the bazoo and hit the drum? Did you notice that on two successive days last week the Minnesota Varsity baseball team made the Wisconsin nine hunt cover? The tide is turning. Possibly there is a joyful time coming for the devotees of long hair and yellow and red chrysanthemums.—*The Journal*.

Those desiring it can have their Daily, including Commencement Number, sent to their home by leaving their address at the desk in the Post-office.

The editors are making a special effort to get out an extra fine Commencement Number and any one wishing extra copies can have them sent to his home address by leaving orders at the office.

These Commencement Numbers are to be sold at 15 cents each and if a large number of extra copies are sold the deficit resulting from the expense of running the Daily this spring will be materially lessened.

"17-6," the Class Play, Monday at Lyceum. A warm thing, well done.

Phi Beta Kappa Address

It is to be hoped that as many student as can arrange to stay through Commencement week will do so. Besides the baccalaureate and commencement addresses both of which will be excellent, a treat is in store for all who attend the Phi Beta Kappa address Wednesday evening June 6, by Professor F. J. Turner of the History Department of Wisconsin. His subject is one which is of great interest to every American, "The Intellectual Influence of the West upon the Nation." Only of late has this element in our national development been considered in its proper significance. Formerly all development has been explained by influences from the East and through the tendencies inherited from the Fatherlands. Within the last few years with the change which has come in the method of writing history, new forces have been found to be acting upon the development of civilization, and one of the most potent of these is reaction of the great West itself. Heretofore all intellectual progress was supposed to proceed from the East but historians now recognize the fallacy of this supposition and due credit is now being given to the influence of the West.

Professor Turner is an able speaker and has fully investigated the subject upon which he will speak and every one who can should hear him. This lecture is given under the auspices of the Phi Beta Kappa society but every one is invited. It will occur Wednesday evening in chapel, promptly at 8:00. There will be no admission.

Foot Ball

THE schedule for next fall is the best ever offered the students at the University, and the student body should appreciate it. Everybody ought to come back next fall just burning with enthusiasm and burdened with voice for the biggest

foot ball season ever known at Minnesota. Sing the virtues of the team and its coach while you are at home this summer; practice the yell while you are cutting wheat or mowing grass; remember the signals when you are canvassing for books or pictures; remind yourself of the training rules on the Fourth of July; employ the schedule as an aid to memory when time drags slowly; and develop yourself mentally by figuring on just what you will do after a victory over Wisconsin. Keep mental pictures of Coach Williams and Captain Page pasted on your watch crystal, and in every other way possible help make the season next fall one to be remembered gloriously by coming generations.

Senior Prom—Tuesday evening Armory—\$4.00—Tickets at Book Store.

BETWEEN a big foot ball season and a presidential campaign, President Northrop and the Board of Regents have been considering seriously of shutting up the University until December 1st. As we go to press, however, it is announced that things will go on as usual; that Saturday afternoons will be off during the fall; and that in all probability the entrance conditions next fall will include the purchase of a season ticket to the foot ball field, and a promise not to talk partisan politics in the law building or on the library steps. THE DAILY hopes that this announcement is true. It means much for Minnesota, her foot ball finances, and Billies McKinley and Bryan.

Senior Class Play, Monday, afternoon and evening. Lyceum Theater. Seats on sale at Theater tomorrow.

A MAN may use a wart on the back of his neck for a collar button; ride on the rear coach of a train to save interest on his money till the conductor comes around; stop his watch at night to save wear and tear; leave his "t's" without a cross to save ink; pasture his mother's grave to save corn; but a man of this kind is a gentleman and a scholar compared with a fellow who will take a newspaper and, when asked to pay for it, put it into the post office and mark it "refused," or continue to ignore the receipt of bills for his subscription. [With apologies to Bill Nye].
