DULUTH -- Gamma Theta Phi, UMD social fraternity, will hold its 10th annual "Petey" Christmas drive Nov. 30, Dec. 1 and 2 with the proceeds going to buy presents for welfare children.

Co-chairmen Chad Coole and Robert Coughlin, both of Duluth, have announced a \$600 goal. They feel more money can be raised this year in view of the increased enrollment.

The fraternity has raised on the average of \$450-500 per year through various activities. This year tag sales, a hootennany and a dance are scheduled.

When the drive ends, proceeds are turned over to the welfare department. They buy gifts and return them to the fraternity and members of Sigma Psi Gamma, social sorority wrap and deliver them to the children.
