FIVE CENTS THE COPY

STUDENTS' WORK COMMITTEE SAYS SCHOLARSHIP BETTER

Number of Failures and Conditions Found to Be Less Than That of Last Year.

The standard of scholarship in the University, as shown by the report of the Student's Work Committee, is being raised.

In tabulating the results of the first semester's work, the number of failures and conditions was found to be less than the number at the same time last year, and the average work of the individual student has also improved.

Several students failed in sixty per cent or more of their work, but no action, regarding expulsion, will be taken, until they have appeared before the committee, where they may state any extenuating circumstances, or otherwise defend themselves.

GIRLS PETITION FOR GYM

List of Names Almost Complete—Final Effort Will be Made to Complete it Today.

All girls who have not already signed the petition for the new girl's gymnasium are asked by the committee in charge to do so today; as the petition must be in the hands of the Board of Regents tomorrow. Elizabeth Ware and Winifred Tunell will have charge of the lists in Shevlin.

The number of signatures now appended to the petition is very imposing, and lacks only a half hundred signatures or so of being a complete list of the girls at the university. The girls who have neglected to sign have done so, according to Miss Tunell either because they are unaware of the immense importance of the petition, or because they have thus far had no opportunity to sign. It is well known that the members of the committee want every girl in college to sign the petition. Any girl who hesitates to sign because she thinks that the movement is disapproved, should be reassured when she hears that President Northrop and Miss Ada Comstock have both given their unqualified approval.

The idea of a mass-meeting of the girls has been given up, and the attempts to reach the girls have been made through tables in Shevlin.

SENIOR LAWS TO BANQUET.

All arrangements have been made for the annual senior law banquet, which is to be held at the Radisson Hotel, Thursday evening March 2. President Northrop together with the entire law faculty will be guests of honor. Dean Pattee will act as toastmaster.

Important meeting of Epsilon Phi, Wednesday, Chapel time in Literary Society Room at Shevlin Hall.

Every man in the University should be at the Union Depot tonight at 9:45 as the basketball team leaves tonight for the championship game at Wisconsin. Be there.

INTER-FRATERNITY DINNER SET FOR FRIDAY NIGHT

Many Stunts and Speeches Will Intersperse Courses—Each Fraternity Will be Represented.

At the interfraternity dinner given to Prexy and the Regents on the evening of March 3rd at the Commercial Club rooms, each fraternity will be represented by twelve active men and three Alumni. The dinner will be strictly informal. Singing, monologues and clog-dancing will take place during the dinner and afterwards. Prexy and Governor Eberhart will speak. Some of the senior fraternity men will be called on for impromptu talks. The purpose of this informal dinner is to increase acquaintance among fraternity men and members of the Board of Regents, and to push forward in the minds of the active fraternity men as well as of the public the possibilities of the interfraternity council.

AGRICULTURAL COLLEGE MAY GET USE OF NEW BUILDING.

State Fair Board Asks Appropriation for Erection of New Hippodrome Near the College.

\$350,000 has been asked from the legislature by the State Fair Board to be used in the erection of a new agricultural building on the fair grounds, at a short distance from the Agricultural college. The plan provides for a building whose use will not be confined to the state fair, but may also serve as a desirable extension to the work of the Farm School and Agricultural college, by providing space for 2,000 students in the short course which is offered. The building will have a large central space, which can be used as a drill hall, instead of the hippodrome, which the board of regents have proposed to remodel.

Besides these things the building will offer a place for a permanent museum for the resources of the state, as well as quarters for the department of domestic science.

The structure will have a floor space of 235,000 square feet, and will contain a cafe, kitchen, lecture rooms, and an auditorium which will seat 3,000 persons.

VESPER SERVICE IN CHAPEL.

First of a Series of Five Services Given in Chapel on Sunday Afternoon.

Dr. George L. Robertson of McCormick Theological Seminary, Chicago spoke at the first of a series of vesper services, which was held in the University chapel, Sunday afternoon. The subject of his lecture "Affianced Love." He gave the "Songs of Solomon" in the form of a five act drama after which the Euterpean Club Quartette sang the selections.

The second vesper service is to be held in the chapel Sunday, March 12th at 4 p. m. when Dr. Powell of Duluth will address the congregation. The series of services consists of five talks by men of Dr. Vincent's and Dr. Robertson's type. They are being held under the auspices of the Y. M. C. A.

MEN'S UNION GET-TOGETHER BILLED FOR TOMORROW EVE.

Mammoth Gathering of University Men is Planned to Boost Men's Building Plans.

Rallying to the battle cry, "A Men's Building for Minnesota," all loyal Minnesota men will meet at the Armory at 8 o'clock Wednesday evening under the auspices of the Men's Union. The affair is to be a "get-together" of all the men in the University for the purpose of arousing enthusiasm and public feeling for the new Men's Building, which is now almost an assured fact.

No contributions will be asked, the idea being to talk over affairs in an informal manner and to lay plans for the future. Boxing and wrestling matches will be provided for by the entertainment committee and the "feed" committee, will see that no one leaves hungry. The evening will be marked by general informality and the slogan according to the prominent ones, is to be "Cider, Sinkers and Fellowship."

Since the Men's Building is practically a reality, the meeting will take on the nature of a celebration. The estimated cost of the new building will be about \$300,000.00, of which \$75,000 has already been pledged by the Public Affairs Committee of the Minneapolis Commercial Club, an additional \$30,000 has been pledged by the alumni students and faculty of the University and an approximate \$50,000 is expected from the St. Paul and Duluth Alumni. This makes a grand total of over \$150,000 which will, in all probability, assure the erection of the Men's Union Building.

WISCONSIN AFTER GOPHERS

Badger Team Anxious to Take Gophers into Camp—On Edge For Crucial Game.

Having drubbed Purdue most miserably and thereby jumped into first place on the conference basketball schedule, Wisconsin is awaiting Minnesota with open arms, and with proper dignity, yet with deep-seated emotions the victorious Badgers intend to press the Gophers close to their bosoms. It will be a fatal embrace, however. We already hear the heart rendering cry of the dying Gopher, "Et tu Brute." But it's all in the game. Wisconsin is out for the championship and they will get it or bust.

The decisive victory over Purdue had not been looked for. A close hard fought game had been expected, for Purdue's six footers with their long reach and lightning speed had gained a reputation and respect among the Badger rooters which was nothing short of idolatry. However, when Stangl began to shoot his five baskets before any Wisconsin man or Purdue man had even commenced to warm up, the tables turned, and the Wisconsin five began to be regarded as evenly matched with the boiler-makers.

About two thousand rooters watched the game, and without doubt as many or more will turn out during the Minnesota game. An interclass

Continued on Second Page.

LEGISLATURE TO WITNESS REVIEW IN HONOR OF PREXY

House and Senate May Both Visit The University, Thursday—Gov. Eberhart Here.

If the House votes to come with the Senate to inspect the University March 2, the review in honor of Prexy will be given on that day. The Senate has already fixed March 2, as the date for its visit, and it is believed that the House will concur in the matter.

There will be no change in program even if the date is changed. Classes will probably be excused after first hour although nothing definite will be known until tomorrow.

At 10 o'clock the legislators will leave the capitol in chartered cars. At the same time the entire cadet corps will form in line in preparation for the review in honor of President Northrop.

At about 11 o'clock, the law making body will arrive, and the cadets will be arranged in two lines extending from the Armory to the car line, ready to present arms as the legislators pass by. As the Governor approaches, the governor's salute of 17 guns will be fired.

These will then be a mass meeting of the entire University in the Armory. Chairs will be placed on the Armory floor to accommodate the visitors. One company will be detailed to act as ushers.

The other companies will be assigned a section in the hall. After speeches by President Northrop, Mr. Lind, Governor Eberhart, the President of the Senate and Speaker of the House, the legislators will go to Shevlin Hall for luncheon. Members of the Faculty will also be invited to this luncheon. The Euterpean Quartette will furnish the music during the festivity.

After luncheon the senators and representatives escorted by members of the faculty will visit the laboratories and other places of interest about the University.

The finish of the day's program will be a parade at 3:30. The companies will be strung out from the Armory toward the Law School, and the regular formalite of a review will follow. A large number of spectators is expected to be present.

AGGIES AFTER DRILL HALL.

Capt. Butts intends to see that the students at the farm school have a good drill hall in the near future. The Board of Regents at his request has asked the legislature for an appropriation of \$50,000 to remodel the Hippodrome at the state farm grounds into an Armory. It is hoped that the legislature will act favorably upon the petition as the Hippodrome would make one of the best Armories in the Northwest.

At present the Aggies are drilling in the gymnasium and in the basements of some of the buildings nearby.

While in the excitement and hurry of adding new things and improvements to the University of Minnesota, why not stop a moment Present to realize wherein Minne-Blessings sota is leading others. Realized That the University has several departments that are far above those possessed by any university in the country, and has provided facilities for research and investigation of the most advanced type is not generally realized by the University as a whole. The university green house, conducted by the department of botany, and the course in photo-engraving provided by the chemistry department, are but two examples of many that might be named. It is true that many improvements are needed at the University and that many more that are now being asked for are absolutely necessary, but let us not forget the advantages we now have and as a consequence the rank the University of Minnesota holds among the educational institutions of the country.

Important meeting of the Sophomore class today immediately after 4th hour, in Room 205 Library. As there is to be no drill today all cadet members are expected to be present.

Carroll Nelson,
President.

CRACK SQUAD IN SHAPE.

Major Earl Bill now has the crack squad rounded into shape so that nothing remains but constant practice for a few weeks to eradicate a few minor imperfections, till the squad will be one of the best the University has had for years. The material this year is unusually good, and the four new men are improving as rapidly as could be expected, so the exhibition at the Military Ball is sure to be of merit.

Sigma Alpha Epsilon announces the pledge of George De Merrill.

To stimulate interest in gymnasium work there will be three medals given on general excellence in the work at the University of Virginia this year.

Continued from First Page.
or inter-college game will be played as a curtain raiser to the big game. Wisconsin's line-up will probably consist of Stangl and Birch, forwards; Kuechenmeister, center; Scoville and Youngman, guards.
Wisconsin plays four more games besides the Minnesota game. The last home game will be played with Northwestern. The only team to be feared will be Illinois. The Illinois team gave Wisconsin a close game on the local floor and players are not at all certain of the results. Much may depend on the Illinois game for chances are that the race for first position will be very close by that time and one game lost or won may win or lose the championship.

T. R. Hayes,
Athletic Editor Daily Cardinal.

WELLKNOWN LECTURER AT AGRICULTURAL COLLEGE.

William Sterling Battis, interpreter of Dickens, spoke last night in the Agricultural College chapel. His lecture was in line with a course of six or eight lectures and performances arranged each year by this department. A large crowd greeted Mr. Battis and listened to a very fine lecture.

PROHIBITIONISTS TO DINE.

Minneapolis members of the Prohibition Party will hold their 15th annual banquet in the court house this evening at 7 o'clock.

A list of prominent speakers has been arranged. Herbert Burghstahler of the University will speak on "Young Men for War." To encourage the student representation a special rate of 25 cents a plate is offered them. Tickets can be obtained from Mr. Burghstahler or Mr. H. Warner.

FRATERNITY BASKET-BALL SERIES ALMOST COMPLETE.

With but four more games left to play, the inter-fraternity basket-ball schedule is practically complete. The Sigma Alpha Epsilons won the championship in the first section, the Phi Gamma Deltas in the third while Delta U and Psi U are tied for the second division honors. They will play off their game on Thursday of this week at 5 o'clock.

First Division.			
	Played	Won	Lost
S. A. E.	4	4	0
Phi Psi	4	3	1
A. T. O.	4	2	2
Beta	4	1	3
Deke	4	0	4
Second Division.			
Delta U	4	3	1
Psi U	4	3	1
Theta Delt	3	1	2
Phi Sig	3	1	2
Delta Chi	4	1	3
Third Division.			
Phi Gam	4	4	0
Sigma Chi	3	2	1
Alpha Delt	2	1	1
Delta Tau	2	0	2
Zeta Psi	3	0	3

Saturday night, Sigma Chi beat Delt Tau by a score of 14 to 6. D. K. E. forfeited to Beta. Last night only one of the three games scheduled was played, Phi Psi winning from A. T. O. by a score of 20 to 4.

BASEBALL PRACTICE BEGINS AT AGRICULTURAL COLLEGE

Baseball practice has started in earnest at the Agricultural College. Twenty-four candidates have decided to tryout and many of these, including all of the battery men, are practicing each day in the livestock pavilion. Outdoor practice will be started about the first of April or as soon as the weather permits.

**MINNESOTA TRIMS PURDUE
BY SPECTACULAR FINISH**

Boilermakers Taken Into Camp Saturday Evening on the Armory Floor.

In one of the most brilliant games of basket-ball ever seen on the Armory floor, Minnesota defeated Purdue by a score of 23 to 14. The Armory was filled by a large crowd who were kept either on the edges of their seats or standing most of the time by the stellar work of the players. Purdue, after suffering a hard defeat at the hands of the Badgers at Madison on Friday evening went after the Gophers with a vengeance. They started off at top speed and soon scored several baskets.

When the Boilermakers were leading by a score of 7 to 3, Lawler electrified the crowd by two perfect baskets from the middle of the floor. This gave the Gophers the necessary backing and they went on harder than ever. The first half ended with the score 8 to 7 in favor of the visitors. The Gophers came back strong and although Purdue was putting up a mighty struggle, the Gophers forged ahead and won out by nine points.

This victory places the Gophers again in the running for the championship of the conference. Wisconsin has suffered but two defeats while the Gophers have lost three games. Purdue dropped back one place in the running by the outcome of last Saturday's game while Minnesota advanced one. Minnesota will meet Wisconsin this week Wednesday, March first at Madison. This game will virtually decide the championship as Minnesota and Wisconsin at present bid, the strongest for championship honors. Minnesota must play five more games, Wisconsin, Illinois, Iowa, Northwestern and Chicago, while Wisconsin must play Minnesota, Chicago, Northwestern, Indiana and Illinois. If Minnesota is able to defeat Wisconsin and then win the rest of her games she will be tied with Wisconsin if Wisconsin drops only the one to Minnesota.

Minnesota defeated Wisconsin at the Armory 18 to 17 on the fourth of

February and the game Wednesday at Madison will be a magnificent struggle. Wisconsin has a very likely bunch and the Gophers will be forced to their limit. However it is hoped that the Gophers will bring home the Badger's scalps. The team will leave today for Wisconsin and it is hoped that several of the students will accompany them to the big battle.

MANY BASEBALL MEN OUT

**Coach Clarke Promises Winning Team
New Men Show up Well in Tryouts.**

About thirty men answered Coach Clarke's first call for baseball candidates and the list has since been increased to forty-two. Practice, which as yet has been confined to light throwing and bunting, is being held every morning and afternoon in the baseball cage.

The eligibility committee will be the only obstacle to overcome in producing a winning team, according to Mr. Clarke. He also announces that he wants the men to be faithful and get out regularly so that he can get a line on them before the outdoor work begins.

Skahen, Heilig, Swendson, Roberts, Anderson and Groff, are among the list of new men who are making good in the tryouts.

Pickering, Victor, Sutton, Marsh and Richley, all old men, will again try and take care of the pivot position. There is a long list of candidates for all the positions, which means that there are some great fights ahead for

some of the places.

Captain Hartneth will probably take care of shortstop with McGovern, Lawler, Wanless, Kilroy, Flynn, Bromley and Knox favored for other infield positions.

Outfield men at present seem to be among Wallace, Stokes, Erdahl, Gilbert, Bryant, Campbell and Stevens.

The outdoor practice commences April 1st.

Three students were arrested, and 20 were hurt in a clash with the police at Cornell University during post-examination frolics.

The University of Keio, Japan will send a baseball nine to tour the United States this spring.

At the University of Wisconsin the winner of the two-mile run receives as his reward a huge turkey gobbler.
