## BAND MEN WILL HAVE TRIP TO MADISON IN SPITE OF NEW RULING

Announcement Made at Saturday's Game that Fifty Band Men Will Take Trip.

### MINNEAPOLIS BUSINESS MAN WILL PAY EXPENSES.

News Hailed With Delight By Assembled Crowd—Name of Benefactor not generally known.

The band is happy. The organization, which last week refused to play at any of the home football games unless allowed to take the trip to Madison, received the joyous news Saturday that an admiring football fan agreed to pay the expenses of the band on the coveted trip.

The band decided on the mutinous action last Wednesday evening. The members notified Professor James Paige that they would play either in Wisconsin or nowhere. Mr. Paige pointed out that the rule adopted last year by the conference said that no football delegation including coaches, trainers and players could exceed thirty members, at the expense of the athletic association. The authorities refused to take any further action in the matter and the band decided upon mutiny.

A great deal of sentiment for and against the action of the band was expressed on the campus. Those favoring the stand taken held that the band is one of the most important features of the games, and without its aid the contests would undoubtedly lose much of their interest. The thought of having outside organizations imported especially for the games aroused much disapproval.

Rooster King Johnson asked the students, Saturday if they wanted the band to play for the home games if it were denied the trip. A chorus of "Nos" from the grandstand was the response. Then in unison the band exclaimed "If the students are with us, we should worry."

When the announcement was made that an unknown benefactor had agreed to furnish the necessary wherewithal, it was greeted with shouts and cheers from the whole student body, while lugubrious music was supplanted by humorous renditions, tango dances and undergraduate demonstrations for such occasion.

## ENTRIES FOR GIRLS TENNIS.

Today is the Last Day for Signing up to Play.

Girls who wish to enter the tennis tournament must sign the card on the bulletin board in Shevlin Hall, before Thursday night. Though only 20 girls have entered their names as yet at least again as many more are expected to sign the card today and tomorrow. Play will begin on Wednesday if a sufficient reformation of the weather occurs by that time. The first matches must be played off as rapidly as possible.

## FRESHMEN NEED PRODDING.

Have Not Realized The Necessity Of Going to Post Office.

Post office authorities are urging upon new students the importance of getting their mail at least semi-occasionally. Large numbers of official notices are collecting because of freshmen neglect in getting their mail. The administration of inability to reach these students. The annual crop of blue slips will soon be in evidence and freshmen are urged to get the post office habit before that time.

## REGENTS HANDLE BIG SUMS.

Expenditures for the Fiscal Year are Nearly Three Million.

The total expenditures last year for the University of Minnesota, amounted to \$2,731,196.20 according to the report of the State Treasurer. There is, moreover, a large balance on hand to be applied for the expenses of the present year.

The warrants paid by the main University came to \$2,250,509.69 and the balance on hand July 31, 1913 consisted of \$600,388.07. The remaining \$437,686.51 was divided between the Agricultural School, the branch schools at Crookston, Morris, the Experiment station at Grand Rapids, and the Waseca and Duluth branch farms. Each of these have a considerable balance to be brought forward for this year.

## LARGE NUMBER ENTERS FALL TENNIS TOURNAMENT

Attractive Prizes are Offered By Several Down-Town Firms.

All Single Must Be Played Off By Friday Night October Third.

Nearly sixty tennis enthusiasts answered the call for entrance in the All-University tennis tournament, while about twenty pairs have entered for doubles. All is ready for the start if the weather man will only deliver a few bright days. The schedule of games has been posted on the P. O. bulletin boards and all competitors are expected to get into immediate communication with their respective opponents.

Owing to the unusually large number of singles, it will be necessary to get the preliminary matches played off in a hurry. Dates will be fixed by which all matches of a certain round must be played off. These dates will be published in the Daily, and, unless notified, the committee in charge will default one of the two men, by drawing. This rule will be closely followed and it is up to each man to see that he is not made the victim of his opponent's delay.

Prizes have been secured for winners and there will probably be second prizes for both singles and doubles. The College Toggery, The Minnesota Cooperative Co., J. T. George & Co., Webster Tallant and Spaulding Bros. are the contributors of prizes to date.

Men will be given until Friday, October 3, to get first round matches played off. Excuses for inability to play this first match before that date must be made to Mr. Poucher at the P. O.

## MAY COVER N. P. TRACKS

Conference Arranged to Discuss Plans for Abatement of a Campus Nuisance.

Through the office of the Attorney General and at the suggestion of the Northern Pacific Ry. Co. officials, a conference between the Attorney General, officers of the Railroad Company and representatives of the University of Minnesota has been arranged for Wednesday, October 1st, at 10:00 o'clock at the offices of the Northern Pacific in St. Paul. Mr. C. J. Rockwood, Chairman of an alumni committee, the University Comptroller, the President of the University and such members of the Board of Regents as can attend the meeting will be present. The object of the conference is to discuss the proposal to cover the tracks of the Northern Pacific Railway Company which traverse the ground of the University.

## LAMBERT IS ELECTED LAW REPRESENTATIVE ON BOARD OF CONTROL

Prominent Track Athlete Wins Over Two Other Candidates by Comfortable Majority.

ELECTION WAS TO FILL PLACE OF S. STADSVOLD.

Heavy Vote Cast by Supporters of All The Candidates—132 out of 167 students vote

Howard Lambert, second year student in the College of Law, polled the largest number of votes in the contest for representative of the Board of Athletic Control from that college, winning the election handily. His nearest competitor for the place was Loy Molunby, who defeated the other candidate, Raymond Ziesmer, by a very small margin.

Horton Daniels, president of the All-University Council, which had charge of election, announced that the vote, while not as heavy as expected was nevertheless representative of the college. Out of an enrollment of 167 students, 132 votes were cast, which is considered a fairly strong poll.

The election was made necessary by the fact that Sidney Stadvold, elected last year, failed to enter again this year.

## MASQUER TRYOUTS TODAY

New Members of the University Dramatic Club Will Be Selected From Candidates.

Tryouts for memberships to the University Dramatic club will begin at 3 o'clock this afternoon in room 3413 Folwell Hall, and will continue tomorrow at the same time and place. These tryouts will be held for the purpose of selecting new material for the plays which the club will stage in the early part of the winter, and partly for the casts which will be sent out on next summer's extension tour. Members of the club anticipate a large attendance at these tryouts, as many students have inquired concerning them.

The committee on trials consisting of Mr. Holt, Dr. Richard Burton, and Albert Shiely, president of the club, have asked that all applicants come, if possible, prepared to recite some character passage, but that all those who are unable to memorize any at all should come prepared to read a selection.

EXTENSION MEETS SUCCESS. Booster Gathering in Chapel Brings Out Much Enthusiasm.

On Saturday evening a meeting was held in the University chapel for the purpose of arousing interest in the evening extension classes. Speeches were made by President Vincent, Allen D. Albert, managing editor of the Minneapolis Tribune, and by Messrs. Todd, Preston and Price. Dr. James Davies sang two songs. The attendance was large and enthusiastic. After the meeting there were about fifty registrations. Mr. Price, director of the University Extension division, reported the meeting a great success. The registrations have been coming in rapidly today and it is thought that the first class which meets this evening will be a large one.

Chapel Today

President Vincent will speak in Chapel today at noon. His subject has not yet been announced.

## JOINT RECEPTION OF THE Y. M. AND Y. W. SATURDAY

Annual Reception of the Christian Associations Will Be Held in The University Armory.

Unique Program of Entertainment Has Been Arranged—Bob Wilson To Appear in Production.

The Y. M. and Y. W. Reception which is to be held in the Armory Saturday evening is one of the big social events of the year in which the freshmen will have an opportunity to meet and get acquainted with their fellow students, and many of the deans and professors of their colleges.

There will be a reception committee composed of 10 men and 10 women from each of the classes. There will be other novel means of getting acquainted that have been devised by the committees in charge. There will also be a more extensive program this year than has been the case in previous years. Robert Wilson, Minnesota's favorite actor, is to appear as Shylock in a scene from "The Merchant of Venice."

A comic scene will be given by "Rupert and Rodney," besides several other musical acts.

The committee desires the attendance not only the freshmen, but also a large attendance of upper-classmen who can assist in making the reception the event it should be to every new student.

## FUNNY MAG OUT THURSDAY

Editors of the Minneha-ha promise Exceptional Number for the First Magazine

The board of editors of The Minneha-ha have announced that the first number of the year will appear on the campus Thursday morning. It is expected that all of those who have not already subscribed will do so (then) and save the difference throughout the year between fifteen and ten cents per copy. The magazine will be on sale on the first floor of Folwell and in both the girls' and men's post office. Subscription blanks will be on hand to accommodate all those who wish to subscribe.

The number will contain a drawing by a member of the board entitled "Two Chicken and Witches," which is expected to draw more attention than any other feature of the issue. The board refused to reveal any of the other material with which the number is filled.

## MINNESOTA WINS FROM SOUTH DAKOTA IN THE FIRST GAME OF SEASON

Gophers Revenge Last Year's Early Season Defeat by Comfortable Margin in Score.

SHAUGHNESSY, McALMON AND ROSENTHAL STAR.

Bierman Brothers and Tollefson Also Play Stellar Games. Many Substitutes Given Chance.

A crowd of nine thousand people, the largest crowd that ever witnessed an opening game, saw the Gophers take revenge for last season's defeat by trouncing the Coyotes at Northrop Field last Saturday afternoon by a score of 14 to 0.

Dr. Williams men clinched the game in the first quarter by making two touchdowns and kicking two goals in exactly fourteen minutes thereby equaling the boast of former Minnesota teams that they could score a point a minute.

The score does not indicate the relative strengths of the two teams, for after making two touchdowns in rapid succession, the Minnesotans loafed, content to let the score remain as it was. As was expected, Coach Henderson's men were weak on the offense, but strong on the defense. The Gophers smothered most of the plays which the Dakotans tried to unfold, before they were well started. After their own goal line had been crossed twice the Coyotes came back and so sturdy was the defense which they put up that the lagging Gophers were unable to score again.

The locals showed up better than was expected. While their play showed many rough corners and there was considerable fumbling, practice will eradicate these faults. Dr. Williams has a wealth of good material and some are already expressing hopes of a championship team. The entire time showed up well, but the work of the backfield was especially praiseworthy. Tollefson played a good game at quarter, while McAlmon, the dashing half back of last year's team and Shaughnessy were consistent ground gainers. Al Bierman, McAlmon's running mate brought the crowd to its feet with a 35-yard run. Shaughnessy scored the first touchdown and McAlmon the second, after Rosenthal recovered a fumble ball. Tollefson twice kicked goal.

When the second half opened the Gopher line-up showed a great change. Dr. Williams putting in several substitutes in order to give them a chance to show what they could do. They all got away nicely, B. Bierman who replaced McAlmon showing up especially well.

The line-up:—Minnesota: Solon, left end; Sawyer left tackle; Ostrom, left guard; Robertson, center; Rosenthal, right guard worth, right end; Tollefson, quarterback; McAlmon, left half; A. Bierman, right half; Shaughnessy, full back.

South Dakota: McCormick, left end; Willey, left tackle; Brooks, left guard; Potts, center; King, right guard; Capt. Brown, right tackle; Hengel, right end; Vidal, quarterback; Coffey, left half; Ferguson, right half; Paulson, full back.

Substitutes: Fournier for Solon, Snyder for Sawyer, Townley for Robertson, Dunningan for Rosenthal, B. Boerman for McAlmon, Hengel for Paulson, Henley for Hengel. Touchdowns, Shaughnessy, McAlmon. Goals after touchdown, Tollefson, 2; Referee, J. C. Masker, Northwestern; umpire, J. C. Holderness, Lehigh; head linesman, F. E. Gardner, Cornell. Time of quarters, 12 1-2 minutes.

**EDITORIAL COMMENT.**

If there are any descendants of Diogenes living and if any of them happens to be looking for a true sportsman, we would advise him to come to Minneapolis. The true sportsman is here in the person of Mr. Brackett the Minneapolis business man who has so kindly guaranteed the expenses of the band on its trip to Madison. Mr. Brackett is a true sportsman in every sense of the word and nothing said in his praise can be put too strongly.

Like all true sportsmen Mr. Brackett is overly modest and requested that the band boys keep his name a secret, but it has gradually leaked out who the "sportsman and follower of Minnesota football" is, and contrary to his wishes, he is beginning to get due credit for his unselfish act. The band controversy was a serious matter in our university athletics. Carried out, the mutiny might have had a disrupting effect on the support given to the team this fall. The situation was developing into a crisis when the "follower of Minnesota football" stepped in and settled the difficulty "forthwith." What might have been, concerns us no longer. Thanks to Mr. Brackett the question is settled, and everyone is happy. The Daily extends to Mr. Brackett the respect and admiration of the entire university.

We would like to call attention to an event of vital interest to a number of University students. Although it may not concern all and is a matter entirely outside the field of University activities, it is, nevertheless, something deserving the attention of every progressive student. We refer to the municipal charter election in Minneapolis.

The Daily is not prepared to advise which way to vote on the charter. Indeed, it would be out of place for a university publication to advocate either. Yet the problem should be of interest to all. A large number of university students are entitled to vote in municipal elections and they should not fail of exercising this privilege. In the interests of better government we ask those qualified to vote to appear at the polls today.

**FOOTBALL WRITERS TELL OF PROSPECTS IN OTHER CAMPS**

Sporting Editor of the Daily Illini Writes to The Minnesota Daily On Illinois Prospects.

Situation at the University of Michigan Also Explained by Writer From Michigan Daily.

Special to the Daily:—

Will Robert Zuppke make good? That seems to be the big question that is worrying the conference schools, but here at Illinois the students and players are resting confident about the matter, for, after taking a squint at what "Zup" is accomplishing on Illinois field, they are sure that the team will finish well this year, and come back a winner next.

At that prospects for a winning combination are exceedingly poor. Out of seventeen "I" men, only six have re-entered the university, and of these are backfield men. They are Captain Rowe, Schobinger, Wagner, Senneff, Wilson, and Chapman. Only a half dozen of a brilliant freshman varsity team have returned to school, and most of these are backfield candidates. Hewins, a giant tackle, who was hoped by the Illinois coaches to make all western this year, has failed to return. A good plot for a football romance was woven in Hardinger's romantic departure for Chicago to join his brother, also a crack football player, "Tubby", as he was known, was slated to fill a gap in the line.

The absence of these two men leaves big holes in the Illinois line that are going to be hard to fill. Zuppke has made frequent excursions about the campus looking for beef and has uncovered a likely looking youngster in Crosby. It seems that Illinois will have to rely upon speed to make up for the deficiency in weight that is lacking in the forwards.

Illinois "bear stories" end with the line, however, Backfield material is abundant and of stellar quality. Silkman quarterback on last years team has rejoined the squad and will have a hard fight to retain his position with Pegue, a second year man, who is destined to be a second Steffen, and Hahn the wiry quarter on the 1912 freshman varsity, looking to fill his boots.

With Schobinger, Rowe, and Rue as the first backfield, Zuppke has no cause for anxiety. Schobinger and Rue are trackmen and can beat

eleven seconds in the hundred, while Rowe who has been transferred to full, although not so speedy, is a line plunger of the first water. Senneff, Wagner, and Carpenter second squad—and Randall, Brandon, and Miller third squad—are all backs that would not have to warm the bench at many of the other schools.

Everything considered, Illini rooters are optimistic. They do not expect to beat Chicago or Minnesota this year, but are figuring on giving these veteran teams a hard run for the money. "Give Zuppke a couple of years", is the general attitude. "Watch Illinois Smoke next year" is now the slogan.—Sidney Casner, Sporting Editor, The Daily Illini. Special to The Daily:—

Ann Arbor, Mich., Sept. 27, 1913.—(Special)—With seven veterans fighting a host of capable youngsters to retain their places on the varsity line, Yost bids fair to have the strongest forward wall this fall of the past decade. The return of "Germany" Schultz former All-American center who has coached the Wisconsin line for two years, adds weight to the belief that the Wolverines will have a wonderful set of forwards this fall. Captain Paterson at center and Torbet at left end are the only men sure of their places. Pontus will of course be on the line, but the wealth of new material makes it uncertain whether he will be at right end or at tackle. At guards Allmendinger and McHale, veterans, will have to hurry to beat out Cochrane and Norton, of last years all-fresh. Both of the veterans reported late, and have been on the scrubs so far, as they are not yet in condition. Raynsford and Musser, veteran tackles, have also been on the scrubs, and will have to come fast to displace Scott or Pontus. At the va-

cant flank Lyons, James and Tessin are all in the running the coaches alternating the men. In the backfield Yost has only two veterans, Hughitt and Bushnell, who will alternate at quarter. At full Quinn and Benton will fight it out, while there are three complete sets of

halves. Catlett and Bentley look best so far, but Bastian and Diehl, Kroen, and Gault are all exceptionally fast. Yost has five backfield men of considerable punting ability, and Wolverine critics are looking for another "beeg Michigan year." —F. M. Church.

You fellows know what that means! We've been very successful in this regard with Fatima Cigarettes. By the way, these cigarettes were first sold in the college towns—and you agreed with us that they were good.

Then we put out for the big race, to make Fatimas of nation-wide reputation, and today more are sold than any other cigarette in this country.

No purer, or more carefully chosen tobacco grows than that in Fatimas. We purposely put them in a plain inexpensive wrapper—in this way we can afford quality tobacco, and twenty of the smokes for 15 cents.

Now your college crew is of utmost importance to you—so is a good cigarette, and it's your aim in life to keep Fatimas in the lead—right up to their good quality—right up to where you first found them, and will always find them.

Success fellows! You started this cigarette on its successful career—and you pull a strong oar all over this country.
