THE SHAKESPEARE PLAYS

The performances to be given in the University Armory next Monday by the Shakespeare Playhouse Company offer a rare opportunity for summer session students. The company in the first place is composed of some exceptionally high grade players, who have experience in this particular field. In addition, the tour is arranged primarily for universities and educational institutions, and the company will come to Minnesota with a record of many successful engagements at leading institutions of the middle west.

The plays chosen are those that make a universal appeal, both to the literary student and the lover of pure comedy. "As You Like It," with its pastoral charm, will be given at the Matinee performance, and "Twelfth Night", with its whimsical situations and broad humor, will occupy the evening performance. Tickets will be on sale at the Co-op.
