STUDENTS WITH FINANCIAL OBLIGATIONS

The following is taken from the academic and administrative policy, *Withholding Diplomas and Official Transcripts from Students*:

“The University of Minnesota will not issue diplomas or official transcripts to students with financial obligations equal to, or in excess of, \$100 or to students who have not satisfied any student conduct or academic integrity sanctions.

Once a student satisfies his or her financial obligation or satisfies the outstanding sanction, the diploma will be issued and the hold barring issuance of the official transcript will be removed.”

To view and pay any outstanding balance, view your student account at <http://z.umn.edu/myfinances>.

Examination & grade schedules

* FINAL EXAMINATION SCHEDULE

To find when the final exam for each of your classes is scheduled, do the following:

1. Determine the beginning time for each of your courses using the following guidelines:
 - Use the lecture, seminar, or colloquium beginning time for your class rather than the lab or discussion times.
 - Each range of beginning times (e.g., 8:00–8:59 a.m., 9:00–9:59 a.m.) is subdivided into MWF and TTh exam times. Use MWF if your course meets for more than three days per week or if it meets on unusual days. For example, classes that meet MWThF or TWTh or TF would all follow the MWF exam time.
 - If your class meets at different times on different days, use the day earliest in the week. A class meeting 9:05–11:00 a.m. T, 8:00–8:50 a.m. Th, for example, would follow the 9:00–9:59 a.m. TTh exam time.
2. Read across to find the time and day for your final examination using the beginning time for the class.
3. Check the list of common exams to see if any of your classes are listed there. Common examination times *always* take precedence over the final exam schedule.
4. **Ask your instructor to confirm your exam time and length.** Some classes may have a three-hour exam.

Instructors may, with college approval in a very limited number of circumstances, request a change in exam time. See the Final Exam Regulations for information on how to respond to conflicts in your exam schedule.

NOTE: Finals week is defined as the week starting on the first day of finals through to the last day of finals. Courses that start between **4:00 p.m.–5:59 p.m.** will have the final exam beginning at the usual class starting time during finals week. The exam will extend for 2 hours from the starting time. If a course meets multiple days during the term, the exam will be on the earliest day of the week during finals week.

Courses beginning at **6:00 p.m. or later** will have the final exam from **6:30 p.m.–8:30 p.m.** on the day of the week the course normally meets. If the course meets multiple days of the week during the term, the exam will be scheduled on the earliest class meeting day during finals week.

Courses meeting on **Saturday or Sunday** will have the final exam beginning at the usual starting time during finals week on the day it normally meets. The exam will extend for 2 hours from the starting time.

These final examination schedules **do not apply** to Online and Distance Learning classes or classes offered primarily to students registered in the colleges of Dentistry, Pharmacy, and Veterinary Medicine, Law School, and Medical School, or to 8000- or 9000-level courses that have no regularly scheduled class rooms.

Always confirm exam times with your professor.

* SPRING 2016 EXAM REGULATIONS

Rooms—Examinations except common examinations are given in the regularly scheduled classroom unless your instructor arranges for and announces a different room. Note to instructors: See Regulations Regarding Examinations, below.

Examination scheduling conflicts—You are required to take final examinations at the times shown. However, if you have examination conflicts or three (or more) final exams within one calendar day, you may request adjustment with your college office and with your instructor. Such a request must be presented at least two weeks before the examination period begins. An I, F, or N—depending on your standing at the time—is recorded if you miss a final exam. To make up the exam, you must obtain the instructor’s permission.

1. There shall be no variations from the University final examination schedule except by concurrence of the dean of the college and the director of scheduling. This prohibition also precludes moving a final examination from a

scheduled time to study day or to the last or earlier meetings of the class, except laboratory final examinations which cannot be held in accordance with the regular final examination schedule.

2. All department requests for adjustment of final examination hours should be made online with the Exception to Official Examination form (ASR 163) by **March 4** to permit publication of the change and orderly consideration of hardships. Additional common examinations may be requested on the same online form, which also includes room request information. The ASR 163 form is available at <http://asr.umn.edu/forms/>.
3. Instructors requesting any variation from the official examination schedule must agree to give a special make-up examination to any student having examination conflicts or three (or more) examinations scheduled in one calendar day.
4. Arranged examinations and authorized variations in published hours shall conform with the hour-periods shown in the examination schedules.
5. Each college shall assume responsibility for making arrangements to spread out examinations for students with three (or more) examinations scheduled in one calendar day.
6. The following courses have been approved for a three-hour final examination:

AEM 2011, 2012, 2021, 3031
Math 1001, 1031, 1051, 1142, 1151, 1155, 1271, 1272, 1371, 1372, 1571H, 2243, 2263, 2373, 2573H, 2374, 3592H, 3593H
Physics—All courses
PubH 3001, 3003, 3004

For this semester, three hour examinations will be scheduled on the half day that the corresponding two-hour exams would have been given. Exams are scheduled from 8:30–11:30 a.m. or from 1:30–4:30 p.m.. Instructors need to submit an ASR 163 form online for approval to schedule a 3-hour exam if the course is not listed above.

Departments are also encouraged to request alternate seating only when it is necessary for proper administration of the exam. Requests for rooms for alternate seating must be submitted by the department office via the online ASR 123 form, available at <http://asr.umn.edu/forms/>.

All ASR 123 forms must be submitted online on or before **March 4**. Notification of room assignments for all ASR 123 forms received by **March 4** will be sent to departments on or before **March 11**.

7. University Senate policy decrees that no extracurricular events which *require* the participation of students may be scheduled from the beginning of study day to the end of finals week. Exceptions to this policy may be granted by the Senate Committee on Educational Policy. The Senate advises all faculty members that students who are unable to complete course requirements during finals week shall be provided an alternative and timely opportunity to do so.
