

UMD Student Association
Action Items May 2011

Goals:

Create and maintain a safe welcoming environment for students.

Create a multicultural environment for living and a community for those on campus

Improve curriculum to be more diverse

Action items:

1. Create harassment policy
2. Create weekend programs for students who don't drink
3. Create an anti-bullying policy
4. Create a anti-discrimination policy

1. Redesign and look at current moving out policy
2. Expand 2011 Fall pilot in Residence Halls
3. More ethnic food option on campus

1. Integrate aspects of diversity into all teachings in class.
2. Internationalization of campus

Intended Outcomes:

Produce an environment in which students wish to learn and live.

Create a community that no longer is just based on the majority; create an inclusive campus.

Work towards and achieve a campus that focuses on the international environment for students and allows them to be rivals in the outside world.

Goals:

Increase the student knowledge of knowledge and availability.

Action Items:

1. Extend hours of certain services on campus (ITSS, Meeting rooms, and Library)
2. Promotion of Multicultural Center

Intended outcome:

The retention of students to stay with the campus due to what it can offer them
