to demand

RATIFY THE ERA!

The Equal Rights Amendment to the Constitution, which would outlaw discrimination based on sex, needs ratification by 4 more states before becoming the law of the land. In order to insure its passage, a national campaign by women and men from all over the U.S. is needed. Illinois will be the focus of this campaign when, on May 16, thousands of Americans will gather in Springfield to demand that the ERA be ratified in 1976. We want to bring a large contingent of ERA supporters from Minnesota. If you think that 200 years of discrimination is long enough, make plans to go to the National March and Rally for the ERA on May 16.

BUSES TO THE MARCH LEAVE SAT., MAY 15, 8p.m.

from Coffman Union on Washington Ave.
at the U. Will return early May 17.

U of Mn. Women for the ERA needs your support. If you want to help build the ERA Mobilization on May 16, can donate money, or need some info on the ERA, call or write us. We hold weekly meetings, Thursday at noon in Coffman, room 309. Everyone is welcome.
