Jennifer Webb was elected subcommittee chair for the 2020/2021 academic year.

The subcommittee reviewed the follow up memo Jennifer drafted to send to department heads regarding the three Liberal Education Program (LEP) categories to be assessed this fall, Logic and Quantitative Reasoning, Humanities, and Cultural Diversity in the United States. Subcommittee members will reach out to their colleagues teaching LEP courses in these categories and assist with any questions they may have regarding the assessment process.

Dauli, Jennifer, Kristen and Paula discussed their video project concerning the importance of the Liberal Education Program to be used for the online New Student Orientation. It was noted it would be available for students and in the Family and Guest section.
