DULUTH--Eighty-eight courses, 29 of them graduate, are available during the second UMD summer term, for which registration will be conducted in Kirby Student center from 8:30 a.m. to 4:30 p.m. Monday. Classes will begin Tuesday and end Aug.23.

Guest faculty members include Will Barnet, New York artist and art teacher, who will conduct the ninth annual summer workshop in advanced painting; Roscoe V. Cramer, Kansas City, Mo., since 1929 principal of Switzer elementary and West junior high school there, and Robert Bassham, member of the staff of the Institute of Child Welfare, Minneapolis campus.

Dr. Cramer will teach two graduate courses in education.
Mr. Bassham will teach two graduate courses in child development.
